SCOTT FOUNDATION

SERVING ARIZONA FOSTER YOUTH

EDUCATION OF SELF, SELFLESS SERVICE, CAREER & TRANSITION

GROWING NEXT GENERATION
THOUGHT & SERVICE LEADER'S

WHAT DO YOU LEAVE BEHIND?

What kind of person do you want to be?

Life/Legacy Plan – What is the history of your future?

How can you make the world better than you found it?

Motivated by tragedy, youth transform to find their true self and become self-supporting, successful, community-minded, "compassionate people".

LOVE, PEER SUPPORT & SENSE OF FAMILY

Scott Foundation has big aspirations and a different path for Arizona foster youth. We imagine a journey that changes the face of humanity and inspires our kids to be their absolute best today while making tomorrow's world a much better place for all. We imagine an education and societal system focused on the power of community rather than competition; and we imagine a world where children are taught we are not separate, but instead, we are all a part of something much bigger than ourselves - *we are one*.

Scott Foundation is a 501(c)(3) nonprofit organization that invests in the initial 4-year future of Arizona foster youth who wish to make the world better than they found it. The foundation produces year-round experiential programming that highlights, inspires and educate youth on the importance of social emotional well-being, while mindfully developing their heart and purposeful career path.
