ABOUT TSQ'ESCEŃ FIRST NATION

Tsq'escen' First Nation is a politically and financially independent, healthy community, deeply rooted in Secwepemc tradition and culture. The Nation's foundation lies in its cultural traditions, language, and spirituality. Education, family, accountability, equality, community involvement, respect for others and the environment, and self-determination are very important values they hold as a Nation. Formerly known as the Canim Lake Band, Tsq'escen' First Nation takes pride in its accomplishments while supporting and encouraging both individual achievements and collective growth and wellbeing. The Nation is committed to building a healthy, sustainable community and firmly believes in the leadership of its people.

ABOUT THE DIRECTOR OF FINANCE

Reporting to the CAO, the Director of Finance is accountable for the overall financial and accounting planning and practices of Tsqsceen First Nation. The Director is responsible for providing in-depth analysis and strategic recommendations on all financial operations, delivering effective financial leadership and expert advice to the Chief, Council, and senior management, and ensuring alignment with Tsqsceen First Nation's goals. The Director of Finance oversees budgeting, financial reporting, and risk management, while fostering a culture of transparency and accountability to ensure the financial stability and growth of Tsqsceen First Nation.

KEY LEADERSHIP ACCOUNTABILITIES

Strategic Financial Planning

- Direct and oversee the financial administration and planning for Tsqsceen First Nation, including but not limited to the development, implementation, and management of accounting systems, budget planning, and financial policies that reflect cultural values.
- Advise the Chief, Council, and directors on financial strategies, and promptly communicate any identified risks and solutions to ensure informed decision making.
- Manage purchasing, taxation, and risk management functions, including insurance, to safeguard the organization's assets and ensure compliance with provincial and federal regulations.
- Lead the development of financial strategies that align with Tsqsceen First Nation's mission and vision, ensuring long-term financial sustainability and community benefit.
- Oversee accounting systems and budget planning, ensuring alignment with strategic goals and community needs.
- Conduct short- and long-term forecasting and strategic planning to identify growth and profit opportunities to support sustainable developments for Tsqsceen First Nation.
- Manage grant funding and funding opportunities, ensuring compliance and maximizing financial support for community projects and programs.
- Foster relationships with community members, lending institutions, shareholders, and the financial community to ensure financial decisions align with Tsqsceen First Nation's organizational and community needs.
- Develop and implement financial contingency plans to address potential economic challenges or emergencies.
- Collaborate with other indigenous organizations and government bodies to enhance funding and resource sharing.

Financial Reporting

- Manage the functional areas of financial reporting, budgeting, forecasting, treasury, tax compliance, investor relations, and audit management information.
- Prepare and oversee the creation of profit and loss statements, balance sheets, and capital budgets to assess financial performance.
- Establish appropriate internal systems to support financial and business operations consistent with Tsq̓esceñ First Nation growth and reporting requirements.
- Review and monitor Tsq̓esceñ First Nation's financial position, creating and distributing reports on financial stability, liquidity, and growth.
- Direct and coordinate the establishment and maintenance of budget programs, ensuring adherence to financial goals and governance.
- Manage the preparation and issuance of the annual report and oversee tax reporting programs.
- Lead the implementation of financial technology systems to improve efficiency in operations and reporting.

Supervisory

- Supervise finance department managers.
- Carry out supervisory responsibilities in accordance with the organization's policies and applicable laws.
- Oversee all aspects of team management, including interviewing, hiring, onboarding, and training staff; planning, assigning, and directing work; evaluating performance; recognizing achievements and addressing disciplinary matters; and effectively handling employee concerns and resolving workplace issues.
- Hire, train, supervise, and develop accounting managers, fostering a collaborative team environment while managing schedules and workflow.
- Provide day-to-day guidance, monitor performance and implement corrective actions as needed.
- Stay up to date with team activities, taking corrective measures to address them.
- Provide ongoing guidance and oversight to the team by continuously monitoring performance, staying informed of team activities, and implementing timely corrective actions to address issues as they arise.
- Delegate and perform other related duties as assigned by senior management to ensure responsiveness to the organization's evolving needs.
- Provide CAO coverage when required for vacations and absences etc.

EDUCATION AND EXPERIENCE REQUIREMENTS

A post-secondary degree in finance or business, along with a Chartered Professional Accountant (CPA) designation, complemented by five to ten years of experience in a senior role leading the finance function is required. An equivalent combination of education and relevant work experience will also be considered. Proficiency in the following areas is desired.

- Working knowledge of forecasting and financial reports.
- Demonstrated ability to interpret economic conditions and anticipate the impact on the team.
- Working knowledge of data collection, data analysis, evaluation, and scientific methods.

- Proven leadership and business acumen skills.
- Demonstrated ability to supervise and motivate subordinates.
- Commitment to excellence and high standards.
- Excellent written and verbal communication skills.
- Good judgement with the ability to make timely and sound decisions.
- Ability to direct and recommend cost-effective creative solutions.
- Ability to work with all levels of management.
- Strong organizational skills; able to manage priorities and workflow.
