

Log Home Refinisher / Restoration Technician

Job Type: Seasonal / Full-Time

Location: 5501 Park Drive, 100 Mile House

Wage: \$20 - \$30 / hr, based on experience

Mr. T Contracting is looking for a motivated and detail-oriented **Log Home Refinisher / Restoration Technician** to join our growing team in the Cariboo Region. If you take pride in craftsmanship and enjoy working outdoors restoring and preserving beautiful log homes, we'd love to hear from you.

Position Summary

The Log Home Refinisher is responsible for restoring, refinishing, maintaining, and protecting log homes and timber structures. Duties include surface preparation, media blasting, sanding, staining, chinking, caulking, repairs, and applying protective finishes to ensure long-term durability and appearance.

Responsibilities

- Sand, strip, and prepare log surfaces for refinishing
- Apply stains, sealants, preservatives, and protective coatings
- Perform log home restoration and maintenance work
- Install and repair chinking and caulking systems
- Conduct minor log repairs and wood replacement
- Operate blasting equipment, power tools, and hand tools safely
- Assist with scaffolding setup and site preparation
- Follow company safety policies and procedures
- Maintain a clean and organized job site
- Work effectively as part of a team and independently when required

Qualifications

- Previous construction, painting, refinishing, or log home experience preferred
- Experience with staining, chinking, or log restoration is an asset
- Strong attention to detail and quality workmanship
- Ability to work outdoors in various weather conditions

- Physically capable of lifting, climbing, and performing manual labour
- Valid driver's license and reliable transportation preferred
- Positive attitude and strong work ethic
- Ability to travel to project sites throughout the Cariboo Region

What We Offer

- Competitive wages based on experience
- Full-time, year-round employment opportunities
- Training and advancement opportunities
- Diverse and rewarding projects
- Supportive team environment
- Opportunity to work on some of British Columbia's most unique log homes

Location

Based out of **100 Mile House and Williams Lake, BC**, with travel to project sites throughout the region.
