Re: Services provided to Takumi Stamping Inc.

Dick,

Thank you for the outstanding job that you and your team just completed 4/2011. I think very highly of your company and their abilities.

During the past 2 years you have provided service for us on 2 large jobs. Both were very detailed and we had many changes that were overlooked on our end. You made everything so smooth and worked to meet all of our needs and requests with your continued cooperation and patience.

I would like to compliment your employees and the excellent job that they continue to do no matter how small or large the project. They are a pleasure to have working in our facility. They take all safety precautions very serious and do a good job at **5S**.

I would be more than willing to provide a reference for your company and their services.

Sincerely,

A handwritten signature in cursive script that reads "Greg Christian".
