As a flute instructor, it is my goal to be the best possible source for your flute instruction. Student expectations include:

- Regular and punctual attendance with all necessary materials in-hand
- Consistent and appropriate practice of assigned materials, and completion of various research tasks as assigned
- Cooperative and willing attitude
- Participation in studio classes and recitals with a solo or small ensemble, which will be suited to the student's skill level.

One-time Summer Tuition (July/August combined) as of 7/1/2023 (not to change until 7/1/2028, at the earliest):

Book as many lessons as you wish to book. This is a sample based on seven summer lessons

Seven ¾ hour lessons:	$525.00 ($75.00 each)
Seven full-hour lessons:	$630.00 ($90.00 each)

A single monthly payment **in cash, electronic payment (Venmo or Apple Pay) or check is due by the end of the first week of each month. Bank generated payments should be mailed to my home address.** Failure to pay will result in discontinuation of lessons.

- Your contracted monthly tuition provides you the privilege of four lessons per month during the months of September through June. "***No-show" lessons*** or lessons ***cancelled by the student*** *may* have the opportunity to be rescheduled on the studio lesson makeup calendar. I cannot guarantee availability to reschedule. **Missed or cancelled lessons that are not rescheduled will not reduce your monthly lesson rate, *even if no makeup time is available*. School year lessons makeups are only available through June 30th. Summer lessons can only be made up during the summer. Check the makeup calendar often as needed.** I will keep it updated.
- I will offer additional lessons on the studio makeup calendar for LESSONS THAT I NEED TO RESCHEDULE/CANCEL. If I find I am unavailable to offer this service, I will reduce your monthly payment for the following month (you will always receive notification of this). In the case where a month will offer five lessons, there will be a lesson off. I will notify you in advance which week this is each month, as it will vary. Please note these dates in your calendar when notified.
- Students wishing to take one or more months off of lessons during the months of September thru June will forfeit their assigned lesson time, unless they continue to pay for their lesson time slot. There is a waiting list for the studio.
- *In cases of financial hardship, please discuss options with me, as this should not be a reason for discontinuing lessons.*
