LAUNCH PARTY

Enjoy getting Spicy!

Turning Tides Spirits and Brewing, founded by Al Asali and Nicole Webber, is proud to announce the release of its first bold creation: Diablo, a fiery Habanero Blanco Tequila that delivers heat, heart, and handcrafted excellence.

Diablo hits shelves starting as early as October 15th, offering a daring twist on tradition. Made in partnership with Portland's acclaimed Three of Strong Distillery, Diablo blends the clean, crisp profile of 100% agave Blanco tequila from Jalisco Mexico, with the unmistakable kick of habanero—designed for those who crave intensity in every sip.

To celebrate the launch, Turning Tides and Three of Strong invite the public to a Diablo Launch Party on October 24, from 3–8 PM at Three of Strong Distillery. Guests can enjoy Diablo tastings as well as signature cocktails like the Diablo Margarita and Diablo Soda, meet the makers, and see the distillery.
