

# Twirl for the Stars

## Baton Twirling Training with ULTRA TWIRLERS and MTU Consultants

### Event Overview:

Join baton twirlers from around the globe for an exclusive three-day summer training, led by world-class baton twirling champions. Whether you're a new starter or a premier twirler, this event offers the opportunity to perfect your skills, make lifelong connections with fellow twirlers, and immerse yourself in the world-wide baton twirling community.

### Key Features:

- **Expert Training:** Learn from the best baton twirling champions who will share their expertise, techniques, and tricks to elevate your skills.
- **Fun, Inclusive Environment:** Embrace the joy of learning and growing with fellow twirlers of all skill levels, in a fun and supportive atmosphere.
- **Twirling Community:** Experience the excitement of being part of a world-wide baton twirling community. Meet twirlers from all over and exchange stories and skills.
- **Workshops & Masterclasses:** Engage in specialised workshops focused on technique, choreography, and performance skills. These will be tailored for different skill levels, from starter to athlete competitors.
- **Social Media Exposure:** Showcase your journey through exclusive behind-the-scenes content, event highlights, and daily social media shout-outs.

---

## Event Goals:

1. **Skill Development:** Twirlers of all ages will leave the event with improved skills, new techniques, and memorable experiences.
2. **Building Community:** Foster a sense of unity in the baton twirling world, connecting participants globally.
3. **Memorable Experience:** Create an event that twirlers will look forward to every year – a mix of learning, fun, and personal growth.
4. **Social Media Buzz:** Generate buzz through live social media coverage, featuring highlights, stories, and shout-outs to create a sense of pride in being part of this special community.

---

## Event Structure:

- **Welcome Reception:** Opening ceremony with introductions and a brief overview of the event.
- **Training Sessions:** All levels led by world champions and / MTU Consultants. Over the three days sessions will be held for one baton, two baton, three baton and pair work. Each day will differ to enhance the learning experience.
- **Group Activities:** Fun bonding activities to connect participants from different communities.
- **Twirl for the Stars Performance:** Group performances where participants can showcase what they've learned.

---

## Additional events:
