BUY BACKS

A buy back list will be posted on Saturday. Check and see if you are on it. If so, be there to help load your animal. If you are going to State Fair with your sale animal, let us know immediately or it will be gone with the rest of the buyback animals. **The Fair Board has requested that Buy Back animals be loaded out on Sunday morning if possible.** All animals sold, whether a buy back animal or not, must be delivered to or arrangements made for delivery of the animal, within fourteen (14) days of the end of State Fair (by September 1.) If the animal is not delivered or prior arrangements made for delivery, the sale will be treated as a "no sale" and the buyer will be refunded their money and the seller will keep the animal. **No resale of buy back animals will be allowed on the fairgrounds.**

THANK YOU NOTES

Thank you notes should be neatly written, in an unsealed, addressed, stamped envelope, and submitted to the Extension Office soon after County Fair, no later than September 15, or you run the risk of forfeiting your sale check. You must bring a thank you note into the Extension Office in person to pick up your check. Remember, you must write a thank you note to your buyer(s) and bring it/them into the Extension Office before your check will be released!! **Checks WILL NOT be given to anyone but the seller or their parent.**

The Platte County Fair Board has voted to discontinue the payment of all fair premiums. Effective Jan 1 2023.

DIVISION: DOG OBEDIENCE

DEPARTMENT: DOG SHOWS

DIVISION D01

8:00 a.m. – Saturday July 29th, 2023

West of Exhibit Hall

Obedience Rules:

1. A 4-H member may compete in only one obedience class per dog. A 4-H member may enter a maximum of two dogs in obedience classes. For class entries, their first dog is referred to as the "A" dog. The other dog is referred to as their "B" dog. An exhibitor competes in an "A" class with their first dog and in a "B" class with their second dog.
2. The first-year beginner novice class is for members who are in their first year of the dog project, not the first year with a new dog. It is designed as a training class for members who do not feel competent to start in the On-Leash class. Members may compete in the first-year beginner novice class only once.
3. Members advance from On Leash A to Novice A or from On Leash B to Novice B. On Leash B is for the dog or exhibitor with previous experience in the class. An exhibitor who begins in the A group stays in the A group for each class. The same is true for the B group.
4. 4-H members with an obedience dog shown previously by another 4-H member, or a dog that has a title from another organization or has three qualifying scores from the designated annual county 4-H show, handler or an obedience

title must show the dog by these guidelines:

- a. Junior and Intermediate 4-H'ers may move back or down one level.
- b. Senior 4-H'ers must show the dog at the highest level the dog has achieved.
5. Males and females will be shown in the same class. Females in heat will be shown last and must be kept away from the obedience ring until call time.
6. A dog having a qualifying score of 170 points at the designated County Fair may advance the following year to the next higher class but must advance after receiving 3 qualifying scores from the designated annual county 4-H show. Once the higher level of obedience is selected for the dog, the member may not drop back to the lower level with the same dog.
7. Score Sheets: The Wyoming 4-H dog score sheets were designed for the benefit of 4-H members. They are intended as guides for judges. Judges use their discretion in deciding the seriousness of errors.
8. All dogs must enter/leave the show ring and compete with a six-foot leash.
9. High in trial will be calculated based on the raw score plus 5 additional points with each increase in level of difficulty.
10. Bait and/or toys are not allowed in obedience competition.
11. Dogs soiling or urinating in the ring during judging will be disqualified and receive no score.

FFA EXHIBITS

The FFA Creed

I believe in the future of agriculture, with a faith born not of words but of deeds--achievements won by the present and past generations of agriculturists; in the promise of better days through better ways, even as the better things we now enjoy have come to us from the struggles of former years.

I believe that to live and work on a good farm, or to be engaged in other agricultural pursuits, is pleasant as well as challenging; for I know the joys and discomforts of agricultural life and hold an inborn fondness for those associations which, even in hours of discouragement, I cannot deny.

I believe in leadership from ourselves and respect from others. I believe in my own ability to work efficiently and think clearly, with such knowledge and skill as I can secure, and in the ability of progressive agriculturists to serve our own and the public interest in producing and marketing the product of our toil.

I believe in less dependence on begging and more power in bargaining; in the life abundant and enough honest wealth to help make it so--for others as well as myself; in less need for charity and more of it when needed; in being happy myself and playing square with those whose happiness depends upon me.

I believe that American agriculture can and will hold true to the best traditions of our national life and that I can exert an influence in my home and community which will stand solid for my part in that inspiring task.

The creed was written by E. M. Tiffany and adopted at the 3rd National Convention of the FFA. It was revised at the 38th Convention and the 63rd Convention.

Wyoming Statement of Ethics

I will be worthy of trust, honor, and confidence.
 I will respect all people, including myself.
 I will be responsible, accountable, and self-disciplined in the pursuit of excellence, I will be just, fair, and open.
 I will be caring in my relationships with others.
 I am aware that my actions and decisions affect others, and will be a contributing and law-abiding citizen.

Based on Character Counts Six Pillars of Character - A project of the Josephson Institute of Ethics

CHECK-IN TUESDAY AUGUST 1, 2022, 4:00-8:00 PM

JUDGING WEDNESDAY AUGUST 3, 20, 9:00 AM

Superintendent:

1. **Definition**—A quilt must be constructed from fabric with a top piece and a back piece with batting in between the fabrics and must be quilted or tied and bound.
2. ***Quilt Size:** measure the length and width of your quilt, add these two numbers together. This is the figure you will use to determine which class to enter your quilt in. To help us enter your quilt in the correct class, pin an index card with the length and width written down and the class you would like to enter your quilt in.
3. **Mixed Media** is the combination of two or more techniques. (Example: Appliqué' & pieced work, or a combination of appliqué beadwork, embroidery (machine or hand), and pieced work, etc.).
4. **The criteria for entering in a group quilt class** whether to enter in the Professional or Non-professional categories will be based on who constructed the top. If it is a mixture of both professional and non-professional it should be entered into the professional categories. If a non-professional constructs the top but has it professionally quilted it should then be entered in the non-professional categories.

*** If a quilt entry is quilted by someone other than the name on the entry, it needs to be acknowledged on the entry form.
(Please hand write this on entry form)
