Premiums (all divisions) 1st - \$2.00; 2nd - \$1.50; 3rd - \$1.00

Best of Show Hand Quilted Quilt \$10.00 – Awarded by Tuesday Night Quilting Group (2018)

Best of Show Machine Quilted Quilt \$10.00 – Awarded by Friends of Quilting (2018)

1. Definition – A quilt must be constructed from fabric with a top piece and a back piece with batting in between the fabrics and must be quilted or tied and bound.
2. *Quilt Size: measure the length and width of your quilt, add these two numbers together. This is the figure you will use to determine which class to enter your quilt in. To help us enter your quilt in the correct class, pin an index card with the length and width written down and the class you would like to enter your quilt in.
3. Mixed Media is the combination of two or more techniques. (Example: Appliqué' & pieced work, or a combination of appliqué beadwork, embroidery (machine or hand), and pieced work, etc.).
4. The criteria for entering in a group quilt class whether to enter in the Professional or Non-professional categories will be based on who constructed the top. If it is a mixture of both professional and non-professional it should be entered into the professional categories. If a non-professional constructs the top but has it professionally quilted it should then be entered in the non-professional categories.

*** If a quilt entry is quilted by someone other than the name on the entry, it needs to be acknowledged on the entry form.
