DIVISION: DOG OBEDIENCE

DEPARTMENT: DOG SHOWS
DIVISION D01
West of Exhibit Hall

Obedience Rules:

1. A 4-H member may compete in only one obedience class per dog. A 4-H member may enter a maximum of two dogs in obedience classes. For class entries, their first dog is referred to as the "A" dog. The other dog is referred to as their "B" dog. An exhibitor competes in an "A" class with their first dog and in a "B" class with their second dog.
2. The first-year beginner novice class is for members who are in their first year of the dog project, not the first year with a new dog. It is designed as a training class for members who do not feel competent to start in the On-Leash class. Members may compete in the first-year beginner novice class only once.
3. Members advance from On Leash A to Novice A or from On Leash B to Novice B. On Leash B is for the dog or exhibitor with previous experience in the class. An exhibitor who begins in the A group stays in the A group for each class. The same is true for the B group.
4. 4-H members with an obedience dog shown previously by another 4-H member, or a dog that has a title from another organization or has three qualifying scores from the designated annual county 4-H show, handler or an obedience title must show the dog by these guidelines:
 - a. Junior and Intermediate 4-H'ers may move back or down one level.
 - b. Senior 4-H'ers must show the dog at the highest level the dog has achieved.
5. Males and females will be shown in the same class. Females in heat will be shown last and must be kept away from the obedience ring until call time.
6. A dog having a qualifying score of 170 points at the designated County Fair may advance the following year to the next higher class but must advance after receiving 3 qualifying scores from the designated annual county 4-H show.

Once the higher level of obedience is selected for the dog, the member may not drop back to the lower level with the same dog.

7. Score Sheets: The Wyoming 4-H dog score sheets were designed for the benefit of 4-H members. They are intended as guides for judges. Judges use their discretion in deciding the seriousness of errors.
8. All dogs must enter/leave the show ring and compete with a six-foot leash.
9. High in trial will be calculated based on the raw score plus 5 additional points with each increase in level of difficulty.
10. Bait and/or toys are not allowed in obedience competition.
11. Dogs soiling or urinating in the ring during judging will be disqualified and receive no score.

Please see the current Wyoming State Fair Book for complete guidelines for state fair
