Company Overview

Sierra Nevada Global Logistics is a small Service-Disabled Veteran-Owned business based in Reno, Nevada. We aim to revolutionize the technology solutions used in procurement, including hardware, software, medical IT, medical, dental, and surgical supplies and equipment.

Our Technology offerings include laptops, desktops, high-quality monitors, and robust servers. We also provide storage solutions and networking products such as switches, wireless access points, and peripherals, including keyboards, mice, docking stations, printers, and scanners. In addition, SNVGL offers a variety of software solutions and services, covering technical support, IT consulting, deployment, managed services, security, cloud solutions, financial services, and educational programs.

Our Medical offerings include high-quality medical, dental, and surgical supplies and equipment for healthcare professionals. Our extensive product range includes state-of-the-art diagnostic tools, reliable surgical instruments, and advanced dental apparatus designed to enhance patient care and improve clinical outcomes. We prioritize safety, innovation, and efficiency, ensuring that our products meet the highest standards of excellence.

Key Differentiators:

- **Personalized Service:** As a small SDVOSB, Sierra Nevada Global Logistics provides more personalized and attentive service, building closer client relationships.
- **Cultural Fit:** Alignment with customer values, culture, and social responsibility initiatives.
- **Scalability:** Ability to scale operations quickly and efficiently to meet growing demand.
- **Innovative Solutions:** Unique approaches to solving problems or addressing market needs that competitors haven't adopted.
- **Exclusive Partnerships:** Relationships with key industry players, exclusive suppliers, or strategic alliances that provide a competitive edge.
- **Competitive Pricing:** Offering better value for money or more competitive pricing structures.

Past Performance:

As a newly established company, Sierra Nevada Global Logistics leverages our team's extensive experience, which boasts 50 years in Information Technology solutions, Cybersecurity, and Network Design and Management. This depth of expertise ensures we are well-equipped to meet your needs effectively.

Our mission is to revolutionize technology solutions in procurement, encompassing hardware, software, medical IT, and medical, dental, and surgical supplies and equipment.
