## Company Overview

Sierra Nevada Global Logistics is a small business based out of Reno Nevada. We aim to revolutionize the technology solutions used in procurement including hardware, software, medical IT, as well as medical, dental, and surgical supplies and equipment. Our offerings include laptops, desktops, high-quality monitors, and robust servers. We also provide storage solutions, networking products such as switches and wireless access points, and peripherals including keyboards, mice, docking stations, printers, and scanners. In addition, SNVGL offers a variety of software solutions and services, covering technical support, IT consulting, deployment, managed services, security, cloud solutions, financial services, and educational programs.

Please reach out for more information about our federal contracting abilities.
