

# Skin Glō Elixirs

## Eye Glō Caffeine Brightening Cream

Brighten and awaken your eyes

### ► **Brighten • Depuff • Hydrate**

Eye Glō Complex is a luxurious, hand-blended eye cream designed to visibly reduce puffiness, soften the appearance of dark circles, and deeply hydrate the delicate under-eye area using targeted, skin-loving ingredients.

### ► **What It Does**

- Helps reduce the appearance of dark circles
- Visibly de-puffs and refreshes tired eyes
- Deeply hydrates and smooths fine lines
- Calms and soothes delicate under-eye skin
- Supports a brighter, more rested appearance

### ► **Core Ingredients**

**Caffeine** – helps visibly reduce puffiness and awaken tired eyes by supporting circulation.

**Niacinamide (Vitamin B3)** – works to brighten and improve the look of uneven tone while strengthening the skin barrier.

**Licorice Root & Green Tea** – provide antioxidant support and help calm and soothe the delicate eye area.

**Dual Molecular Weight Hyaluronic Acid** – provides multilayer hydration helping to visibly plump the skin, improve elasticity, and create a smooth, supple, and radiant appearance.

**Panthenol (Vitamin B5)** – increases hydration and moisture retention, keeps skin soft, strengthens skin barrier function and reduces sensitivity.

**Jojoba & Squalane** – nourish and soften the skin while supporting a lightweight non-greasy finish.

### ► **Freshly blended in small batches**

Clean · Lightweight · Fast Absorbing · Deeply Nourishing · All skin Types

**Directions:** Apply a small amount to the under-eye area using your ring finger. Gently tap until absorbed. Use morning and night.
