The leaves are turning colors and there is a chill in the air, that means Fall has arrived and it's time for our Chapter's annual judged meet at Greenwood's Hubbard Chevrolet in Hubbard, Ohio.

On the weekend of October 17th & 18th Greenwood's Hubbard Chevrolet opened their dealership for us to hold our event. We had 13 Corvettes registered. That allowed us to hold a two-day 5- point event.

As he does every year, dealership manager Steve Rotunno welcomes us with open arms. All the cars were parked inside the showroom and service entrance for judging and display.

This yearly event is coordinated by member Ken Jelley and Bill Bryan our judging chairman. Not sure how he does it, but Ken always seems to get plenty of awesome Corvettes/owners to register. This year was certainly no different. As a matter of fact, with 13 cars, this was our largest turnout ever for this event.

Operations judging and the 1- point judging school took place on Saturday. Bill Bryan went over the newest NCRS "Standard Deductions" handout. He also encouraged everyone to purchase the new 10th Edition NCRS Judging Reference Manual.

Following the school chapter Vice Chairman Mike Bucheit held a brief monthly chapter board meeting.

Ken Jelley made reservations at the nearby "White Rose" Italian restaurant, another favorite part of this event for everyone on Saturday evening. The chapter picks up the tab for dinner.

Flight judging began on Sunday morning at 9am following Bill's judges and owners meeting. We had 27 judges register from Pennsylvania, Ohio, Connecticut, West Virginia, Massachusetts, New York and Kentucky. Because we had more than 10 cars register, we were able to give 5 points for attending both days and the school.

The Awards according to Bill Bryan:

1954- Carl Carbon- Top Flight
1963- Dylan Stahl – Top Flight
1963 -Carl Carbon- Top Flight
1963 -Melody Thomas – Top Flight

Before the Flight Award Ribbons were handed out Don Geary presented Dylan Stahl, Mike Bucheit and Bill Bryan with a "Special Thank You" award for their sponsorship donations to our Altoona Regional back in June.

Lunch on Sunday was provided free to the chapter courtesy of Steve Rotunno.

The weather was perfect and everyone had a great time.

Our chapter would like to thank Steve Rotunno and Greenwood's Hubbard Chevrolet, Ken Jelley and Bill Bryan event coordinators. Thanks to the ladies who tabbed; Judy Geary, Sandi Stokes, Stephanie Smith and Christine Shaffer.

Finally, and most importantly, thanks to all the owners who brought out their beautiful Corvettes and to all the judges. Without all these people an event like this would not be possible.
