Don reviewed the registration form pricing. Event prices are in-line or below other Regional events. Minor changes were accepted. Don also reviewed the agenda. It is the intent to publish the registration form in Driveline at least 3 times and it was agreed it should be included in the next newsletter. Bill is to verify the musical entertainment for the reception and it was agreed he could pay the down payment.

I. August Picnic and Membership Meeting Recap:

Comments: Brooke mentioned the weather was perfect and the event was well received. For next year, the date was moved back a week to deconflict with other events. Next year's picnic will be at the same location, but the pavilion fee increased from \$125 to \$150.

J. Fall Road Tour September (19-21):

Comments: John recapped the time, effort and money that John and Mike invested in planning the Fall Road Tour. He expressed frustration that despite their communication about the event, the duration, and cost, no one provided any feedback until 6-weeks before the event. John conveyed that Mike was very upset. Norm, Don, Dana, Bill, Brooke, and Mark all apologized for failing to identify concerns earlier. Brooke made it clear that for next year, we must think about the concerns our members may have before planning begins in earnest. Dana made a motion to officially cancel the event, seconded by Jimmy. Motion passed.
