AGENDA - BOARD MEMBER REPORTS

A. PTSC 1/8/2026 Board Minutes (See Handout):

Comments: No comments. Also, did a quick recap of the February notes since no meeting was held.

Motion: Bill Bryan -2nd: Jimmy Patitucci -Unanimous Vote

B. PTSC January and February 2026 Treasurer's Report: Mark Madeira

Comments: Mark reviewed both January and February. Commented that money from the Regional is rolling in. The Key Bank CD would be up for discussion and we going to keep it rolling.

Motion: Bill Bryan -2nd: Bob Stokes -Unanimous Vote

C. PTSC Membership Report: Judy Geary

Comments: Since Judy was not present Brooke read from the email update that have 130 members. One new member, Lynne Nemocks of Melbourne, FL.

D. PTSC Inside Coordinator's Report: John Jeffries

Comments: John is still out with hip issues but as he informed Brooke in February, is still doing everything to keep things up to date.

**E. PTSC Outside Coordinator's Report: Bob Stokes**

*Comments:* No new information but Bob encouraged us to keep our eyes open for car show since now is the time that things will state to be advertised.

**F. PTSC Newsletter Editor's Report: Jimmy Patitucci**

*Comments:* The March newsletter is almost complete, there are two tech articles. Only waiting on the Judging Chairman and Chairwoman's messages.

**G. PTSC Judging Chairman's Report: Bill Bryan**

*Comments:* Over view and review of discussion that started at the March Tech Seminar. First there is a new "Open Class" which is formerly "Concours" and will have both "Stock" and "Custom" divisions. Judged meets will now only be worth +3 judging points unless there are 10 or more cars present and then it will be worth +5 judging points.

**H. 2026 Regional and Discussion:**

*Comments:* Don was not in attendance, so Brooke reviewed information he sent in. Confirmed the May 16<sup>th</sup> meeting with Tom Schilling, President of BCCC, to review meals, meeting rooms, and do a walk through. Insurance rider has been received from NCRS National. Dana has committed to handling registration and is looking at lanyards and name tags and registration packets. Frank and Paul have committed to handling the trailer parking along with Jimmy, Dan Laur and John Nylor. Don is finalizing the work team list. Mike is working on the sponsors and has approx. \$9k committed. Brian McIntyre will be doing the show floor layout and parking this year again. Current there are 23 flight cars, 1 Founders, 5 PV, and 1 open class.

**I. March 8th, 2026 Tech Seminar / Judging School at Kuhn's Garage:**

*Comments:* There were 24 members in attendance. Both presentations were something different and new. Mark Madeira presented on C5's with his usually detail and clarity. Bill informed of us the judged meet point changes and got everyone's attention discussing the new concours, "Open Class" and how it could and should affect local and national events.

**AGENDA - NEW BUSINESS ITEMS FOR DISCUSSION**

**J. Apr 26, 2026 - All Collectors Auto Judging School and Mini Meet:**

*Comments:* There will be coffee and doughnuts provided by Mike Bucheit and Bill Bryan. Dylan will have 1 car for judging but can have another judged if no other member car is register. Bill was graciously convinced of the idea of bringing his car to show everyone the procedure for Open Class judging.

**K. May 16, 2026 - Spring Road tour:**

*Comments:* A tentative schedule was discussed having us depart the Lamplighter at 8:30 a.m. to arrive at BCCC at 10:00 a.m. for the confirmed meeting, followed by a group lunch at noon. It was noted that the pretzel factory is closed, and that substituting a stop at the Boyer Candy Company could be suitable. There was also concern that visiting both the Horseshoe Curve and the Gallitzin Tunnel Museums may be too much in the afternoon schedule. We decided to conduct the May Board meeting while at BCCC as has been done in the past.

**L. Other Ideas for the Good of the Organization: (Board Member's Name/ Topic/ Comments)**

*Comments:* There was suggestions for next year of possibly making the January and February board meetings on zoom and also rolling the March meeting into the March tech seminar.

Motion to adjourn Board Meeting made by: Bill Bryan & 2nd by: Jimmy Patitucci at 8:08 pm.
