

Advanced technology panels

- Cutting-edge fiber cement board, autoclaved for strength and moisture resistance. It's as workable as wood, yet as durable as cement.
- Wall panels and roofing materials designed for sustainability.

What's included

-  High Strength Concrete Panels
-  Exterior and Interior Doors
-  Windows and Mouldings
-  Ceramic Bathroom Tiles
-  Ceramic Floor Tiles
-  Kitchenette with Sink and Faucet
-  Bathroom Fixtures
-  Electrical
-  Water Tank

Note: Land, foundation, labor, and other construction-related costs are not included.
