Meet the coaches

Captain – Doug Temple, PGA

Coaches – Calvin Bagley, Dustin Mansour, John Popp, Terry Shark, Dan Gielda, Levi Kiefer, Fred Temple, and Alec Albrecht

We have an action packed summer ahead of us with twelve teams total competing in our 13U and 17U divisions in the great lakes bay area. Teams in our league play out of Currie, Maple Leaf, Bay County, and Sandy Ridge.

Core Values – Safety, Care, Organization

Safety

- Practices will be intentional with games and fun competitions daily
- Entire coaching team undergoes a background check
- All coaching staff are safe sport act certified which means we undergo child abuse training and are mandatory reporters
- It will be hot this summer – remember your hat, water, sun block and snacks
- We will follow local health department and CDC guidelines and COVID proto calls. IF your child does not feel good do NOT come to practice or a game. Notify coach Doug if your child tests positive or has been exposed to COVID.
- If your child needs the coaching team to assure he is taking a medication please let coach Doug know at 989.992.0404 (call / text)

Care

- Regardless of ability we CARE for all our players and will assure everyone has a good experience
- ADM (Athletic Development Model) is followed for our teaching curriculum and puts the student first. Our goal is to keep golf fun, physical and engaging. Our goal – Keep as many individuals in the game for as long as possible.
- We take care to follow the LTAD (Long Term Athletic Development) plan that focuses on these 5 principles

1. Developmentally appropriate by age
 2. Enhanced entry opportunities for all
 3. Multi sport participation is a good thing
 4. Fun, engaging, challenging atmosphere
 5. Quality coaching at all levels of player development
- The 5 principles lead to 4 major outcomes
 1. Grow general athlete population
 2. Develop skills that transfer between sports
 3. Provide appropriate avenue to fulfill an athletes potential
 4. Create a generation that loves sports and physical activity and transfers from generation to generation.

- Cheer, encourage, support players
- Refrain from player contact during a match
- No caddying, giving advice
- Enforcement of the rules is up to the coaches and Jr. League Officials NOT the spectators
- Spectators agree to demonstrate sportsmanship, positive attitude, and respect. Be a role model for all of our young players

- Spectators will not argue with other spectators, players, coaches or captains

Format of Play

Game – Two team competing in a 2 person scramble against another 2 person team. Most games will have four tee times which will include four 2 person teams.

Match – Pairs competing head to head for 9 holes

Flag – Format is match play. At the end of three consecutive holes whomever has won more holes (had the lowest score) will earn a flag. In a 13U match there is a total of 12 Flags available. In a 17U match a total of 9 flags are available

Matches that are NOT a shotgun start – parents are expected to arrive 30 minutes prior to first team tee time.

Prior to the match players and parent representatives will receive score cards. All home teams are required to provide an adult to help score and monitor each playing group. Each home team will need 4 adults for 13U.

If an adult would like to rent a golf cart they can do so at the courses discretion. Golf courses will charge their standard rental rate for a golf cart rental.
