**Rules & Regulations:**

1. No alcoholic beverages on fairgrounds. NO EXCEPTIONS!!! Any participant will be disqualified from pull if believed to be a safety hazard and will be barred with no refund of entry fee(s).
2. Starting chain will be made from a tight chain - no jerking!
3. All contestants may be subject to re-weigh and dyne check.
4. ONLY the driver will be permitted on a vehicle when it is being towed or driven. NO RIDERS OR PASSENGERS. No rider in or on any vehicle, in pit, or track including tow tractors, competing vehicles, tow back and maintenance equipment of any kind. When the pulling vehicle's motor is running, the driver must be in the seat. NO EXCEPTIONS!!!
5. NO ONE IS PERMITTED ON THE TRACK EXCEPT FOR THE TRACK OFFICIALS AND CONTESTANTS. Exceptions will be a driver under the age of 18, one person will be permitted with tractor and driver. Track is defined as the area within 25 feet in any direction of the contest course boundaries including the run-off area at the end of the track.
6. The contestant will be given one try to pull the load.
7. Official will tell driver/contestant when to start a pull or stop.
8. Tractor must be stock block agricultural tractor with no visual engine modifications. No cubic inch limit. Engine must be of original type of factory replacement. Original style hood and grille must be in place.
9. Contest open to two wheel drive tractors with rubber tires. No sharpened tires, cut tires, dual tires, tire studs or chains permitted.
10. All weight frames and weights must be stationary and safely secured to the tractor.

11. The use of torque converters, automatic shifts, etc. will be permitted. No slipper clutches.
12. No turbo chargers or inter-coolers allowed unless they are factory equipped for 5500lb, 7500lb or 9500lb classes. 12500lb and 14000lb classes are permitted turbo charger and inter-coolers. Any add-on turbo chargers or inter-coolers must be factory type and pass track judges inspection.
13. NO ATPA OR NTPA TRACTORS PERMITTED!!!
14. All tractors must have wheel brakes in working condition.
15. All stock tractors are limited to a maximum of 3000 RPM unless factory rating is higher. If during a check of RPM's, the tractor exceeds 3000 RPM, the tractor will be barred from pulling at that event and all purse monies that have been accumulated by that tractor at that event are forfeited back to the Fair. If a driver is notified after making a pull but before leaving the track area of a RPM check and an average of 3 consecutive checks shows RPM's in excess of 3000 RPM's, then the tractor is disqualified.
16. No electric governor or rev limiters. During pull, governor must be in working condition and must not allow engine to exceed 3000 rpm's under load.
17. Any rotating power take-off if unable to be stopped by the driver, must be shielded.
18. No drivers under 14 years of age. Any driver 15 to 18 years of age MUST have written consent form and signed by parent or legal guardian that is present at event.
19. Rim width no wider than the tire size.
20. All safety rules added by P.T.P.A. and/or insurance carriers will be enforced.
21. ALL DECISIONS BY TRACK OFFICIALS/JUDGE OR SUPERINTENDENT(S) ARE FINAL!!!
22. A speed limit or pace tractor may be used.
23. If a clevis is used, it must have a bolt and nut.
24. Factory equipped drawbar to be stationary in all directions with no more than 1-inch movement in any one direction. Maximum height of drawbar for 5500lb and 7500lb classes will be 18-inches. Maximum height of drawbar for 9500lb, 12000lb and 14000lb classes will be 20-inches. Length of drawbar to no less than 18-inches from center of rear axle. Drawbar must be equipped with a steel opening. Cross sectioned thickness must be 0.875-inches (7/8") minimum. Pulling point may not be more than 1.5 inches from back edge of hitching device. No top link bracing except complete factory set-up. No quick hitch type.
25. Anyone not abiding by above rules or creating a disturbance will be subject to disqualification and ejected from the grounds. NO REFUNDS!!!
26. These rules are all "weather permitting."
