

## Half Square Triangle (HST) Units

Combine 30 fabric A squares  $3\frac{1}{2}'' \times 3\frac{1}{2}''$  and 30 bg squares  $3\frac{1}{2}'' \times 3\frac{1}{2}''$  to make 60 A/bg HST units  $3'' \times 3''$ .

1. Place a fabric A square  $3\frac{1}{2}'' \times 3\frac{1}{2}''$  and a bg fabric square  $3\frac{1}{2}'' \times 3\frac{1}{2}''$  right sides together. Draw a diagonal line using a removable marking device on the back of the lighter square (shown as the solid line).
2. Sew a  $\frac{1}{4}''$  seam on either side of the solid line (shown as the dotted lines). Cut on the solid line and press seams open or toward the darker fabric.
3. Trim each A/bg HST unit to  $3'' \times 3''$ . Repeat to make a total of 60 A/bg HST units.

Combine 15 fabric B squares  $6'' \times 6''$  and 15 bg squares  $6'' \times 6''$  to make 30 B/bg HST units  $5\frac{1}{2}'' \times 5\frac{1}{2}''$ .

1. Place a fabric B square  $6'' \times 6''$  and bg fabric square  $6'' \times 6''$  right sides together. Draw a diagonal line using a removable marking device on the back of the lighter square (shown as the solid line).
2. Sew a  $\frac{1}{4}''$  seam on either side of the solid line (shown as the dotted lines). Cut on the solid line and press seams open or toward the darker fabric.
3. Trim each B/bg HST unit to  $5\frac{1}{2}'' \times 5\frac{1}{2}''$ . Repeat to make a total of 30 B/bg HST units.

*Note: you will use 29 of the 30 B/bg HST units  $5\frac{1}{2}'' \times 5\frac{1}{2}''$  in the quilt top.*
