

Block A

Make a total of 15 block A using steps 1-3.

1. Arrange the following blocks and pieces according to the diagram.

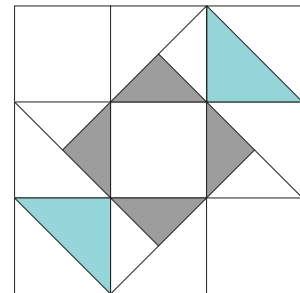

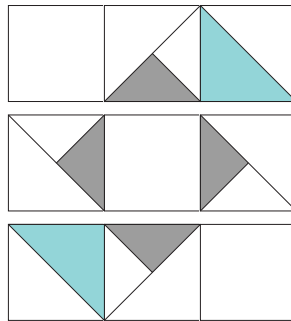

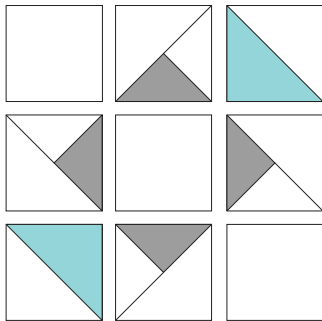

Do not worry about the orientation of the seam between the bg fabrics in the hourglass units.

2 C/bg HST units $4\frac{1}{2}'' \times 4\frac{1}{2}''$

4 hourglass units $4\frac{1}{2}'' \times 4\frac{1}{2}''$

3 bg squares $4\frac{1}{2}'' \times 4\frac{1}{2}''$

2. Sew units and pieces into rows pressing seams open or away from the hourglass units. Each row should measure $4\frac{1}{2}'' \times 12\frac{1}{2}''$.
3. Sew the rows together, pressing seams open, to make a block A $12\frac{1}{2}'' \times 12\frac{1}{2}''$. Repeat to make a total of 15 block A.
