River

Overlook  
Cabin

## Property Overview

**The River Overlook Cabin was built with as many recycled materials as possible** in the winter and spring of 2020. It is supplied with electric power from a solar and battery storage system with automatic generator back up. Hot well water for bathing and washing is supplied by an energy efficient on-demand hot water heater.

Refrigeration is supplied by a propane refrigerator. You may also enjoy the firepit for grilling or sitting around the campfire.

For your good health and enjoyment a Finnish sauna with a shower is located behind the host's farm house in a small building called The Hawk House Sauna. Let Sandy know if you would like it fired up! It's a 10 minute walk from the Overlook Cabin.

Towels are provided.

**You will be able to access WiFi at the cabin.**

**The password is: riverview**

Please do not stream content over wifi. We have a limited data plan. If you require streaming you can ask your host to purchase a data token. Fee \$75

**Setting:** The River Overlook Cabin is located in the Northwest corner of the Adirondack Park. We are next to the St. Lawrence County recreational trail system.

Enjoy our 160-acre parcel in a perfectly private setting with many interesting birds, huge trees, mosses, ferns, mushrooms and river creatures like beaver, trout and otter. There are over four miles of marked private trails for hiking, along the river and with loops into the woods. With Potsdam only 15 miles away you have the best of both the civilized and the natural world when staying at our cabin.

Though we are avid pet lovers we have chosen to not allow pets. We look forward to hosting guests who will enjoy the natural solitude, privacy and esthetic comforts of The River Overlook Cabin, river and beautiful forest trails on our tranquil corner of the Adirondack Park.

Though you are assured complete privacy during your stay, your hosts Sandy and Lou Maine are only a call or text away should you need any assistance.

## A Little History

### Your hosts:

**Sandy Maine** began her career as an Adirondack Wilderness guide in the 1990's and worked for private individuals as well as SUNY Potsdam Wilderness Workshop. She also developed and ran the wilderness Outdoor Recreation with Education (ORWE) program for youth in Massena in the 80's.

As a compliment to her guide services she developed a body care manufacturing business and has since become a prominent influence not only in soapmaking as a craft, but also in inspiring those who shared her passion to turn their craft into thriving entrepreneurial ventures. Sandy is the founder and owner of Adirondack Fragrance & Flavor Farm - where innovative "farm-to-body care" products are happening.

Visit our factory outlet gift shop just down the road! Open June 1st - December 31st

## Off Grid Living and Other Things to Know

### Electrical System

- Solar panels will charge 8 deep cycle batteries and will provide for your electrical needs. If we have a lack of sun and the batteries need to be charged you will need to start the generator and run it for 60 minutes. Your host will show you how.
- Please avoid using hair dryers, curling irons, toasters or any device that generates heat as these will run the batteries low and possibly cause an electric shut down. If there is an electric shut down, simply run the generator for 1 hour.
- If there is a prolonged power outage use candles and / or flashlights and your hosts will reboot the system. Please call them. This is a rare occurrence but not unheard of when living off grid.

### Fire Pit

Please douse the firepit with water until completely out.  
NOTE: Fires are not allowed if there is a wind.

### Handling food and other waste:

- Please help us be very uninteresting to wildlife by not leaving food outside or on the porch!
- Bear sightings are very rare. If you do see a bear it's just passing through. Keep your distance and you'll be safe.
- Please do not burn plastic or foil in the firepit.
- Please do not flush anything down the toilet except human waste and toilet paper.

## Safety Information

**Fire Extinguisher:** Located near stove.

**First Aid:** There are first aid supplies in bathroom cabinet. For emergencies contact 911 and your host.

**Propane Fireplace:** Please read instructions on the wall near stove.

**Vintage Propane Stove:** Please refer to directions near the stove.

**Trails & River Tram:** We will provide you with a map of over 4 miles of private woodland trails which are well marked and maintained.

Enjoy the use of our trails for hiking, fishing and swimming. Enjoy kayaking or canoeing on the river. Kayaks and gear are provided. (See map for location)

All recreational activities are at your own risk. Your cell phone will probably not work once you get out of range of the cabin so plan accordingly.

**River:** Depending upon rain levels and time of the year the high water level will be as much as 4 feet and low water as little as 2 feet deep. Normally the water levels in JUNE – SEPT are 2-3 feet. Enjoy

the rush and excitement of spring breakup in April and May but do not enter the water during that time unless you are a kayaker familiar with Class 4 rapids.

**Swim Hole:** The location of the “clothing optional” swim hole is identified on your map. The water gradually deepens from the dock at 1 ft to the rock at 6 feet deep. The water is usually very comfortable for swimming June 1- September 30. If the tram is on the island side please return later, other guests may be using the swimming hole.

**Kayaks:** Two kayaks, one small canoe and gear are located on the Tram Trail (see map). Guests in our 3 cabins are welcome to use them. If the kayaks are not there stop back later!

**Campfires:** Fires must be started with either paper, fire starters or kindling... never kerosene or gasoline. Please keep your fire reasonable in size. Split and seasoned firewood is provided at The River Overlook Cabin's fire pit. All fires must be extinguished with ample water before retiring for the night. Firewood is \$5.00 a square or feel free to collect your own from dead & down trees in the surrounding forest.

**If there is a wind, fires are not allowed.**

## Out and About

### Canoeing and Kayaking

At one time the small rivers of the North Country were the focus of commerce. Today, the rivers are quiet; the surviving mills are no longer the center of activity. Few if any other areas can offer so many rivers with such easy and numerous access points. There are more than 200 rivers, ponds and lakes in St. Lawrence County and we are also part of the Adirondack Park, which boasts more than 3,000 bodies of water.

As the rivers finish their rush out of the mountains they begin but never fully settle down. Waterfalls and low water rapids are numerous along all the rivers and dams often block the way. Motor boats play in the longer sections of river but most rivers see little or no traffic.

You hardly need a guide to canoe or kayak in the area. Every stretch of river is worth exploring and usually has easy access.

**Closest to home:** You need only to take a short walk from The River Overlook Cabin door to access a nice 1 mile kayaking experience on the St. Regis River. Head down stream until you see the bridge. Don't go past the bridge unless you want to run some class III rapids! Only experienced kayakers with helmets should attempt going past the bridge!

### Some other favorite options:

#### Lower Oswegatchie River

Starting near Gouverneur and flowing 65 miles to Ogdensburg, this section of the Oswegatchie is a gentle section. The river is wide and slow-moving here as it passes through rolling hills, rock ledges, marshes, and pasture land. There are scenic cliffs along the shore near Oxbow. There are carries at the dams and most of the rapids can be portaged or run by experience paddlers. There are various access points along the route to create varying trip lengths.

#### Grasse River: Canton to Madrid

Canoeing from the boat launch on Route 68 just outside the village of Canton to the dam in Madrid. This is a full-day trip of about 12 miles.

#### South Branch Grasse River

16 miles, 5 portages, access is off the Tooley Pond Road at various points.

#### Raquette River: Potsdam

The dam in Potsdam backs up the river nearly two miles and is a great place for a quick paddle or fishing. Access is in Ives Park, behind the Clarkson Inn, 1 Main Street, and there is a public parking area next to the Inn's parking.

#### Cranberry Lake

The Cranberry Lake region is one of the largest remote areas remaining in the State. The Lake covers 11 square miles and has 55 miles of shoreline, over 40 of which are State land. There are also 42 primitive campsites along the shoreline.

## Waterfalls

**Harper Falls:** Harper Falls is on the North Branch of the Grasse River. View the interactive trail map for Harper's Falls Trail on [STLCtrails.com/harpersfallstrail](http://STLCtrails.com/harpersfallstrail)

Directions: From the intersection to the trail parking is ½ mile on the Donnerville Road which is dirt and gravel and is shared with ATV users, so please use caution as there are several blind hills and turns. Starting from Donnerville Road and walking up the river toward Harper Falls offers a relaxing trek, with a couple of hills and small creek crossings.

While walking up you may notice the path has stone walls along the edge. These are the remnants of an old sawmill. This mill was made during the time the town of Donnerville was active and running.

**Stone Valley:** The trails in Stone Valley is one of the most popular nature walks in the North Country. Following the shores of the Raquette River through Colton, the scenery is amazing. There are a series of waterfalls that continue for a mile or more along the trail, which extends for two or more miles. During the spring, the power of the highwater from the snow melt in the Adirondacks is impressive. In winter months expect the beginning of the trail to slippery and use caution when walking along the river.

There are a series of signs along the path describing some of the geological features of the area. To the geologists this is a unique area, the connection of the Adirondack Mountains and the St. Lawrence Lowlands. Watch for the signs posted on the trees to learn more.

View the interactive trail map for Stone Valley Trail on [STLCtrails.com/stonevalleytrail](http://STLCtrails.com/stonevalleytrail)

Directions: From Route 68, turn left on to Route 56 in Colton. At the Hepburn Library, turn right. There are two access points to the trails, one before the bridge near the Colton Historical Society, and one across the bridge near the Colton Fire Department. If you are coming from Route 56 north, take a left at the Hepburn Library.

**Sylvan Falls:** 1.5 miles on River past Sandy and Lou's farm house. Beautiful twin waterfalls, flat rocks at base to sit and enjoy!

**Tooley Pond:** The land along Tooley Pond Road is the Northern River Flow-Tooley Pond Tract, which is a section of the New York DEC public lands, allowing access to this simply amazing place. A 16-mile section of the South Branch of the Grasse River meanders within the tract. Along this stretch, six major waterfalls exist with a variety of named rapids. The falls include: Rainbow Falls, Bulkhead Falls, Flat Rock Falls, Twin Falls, Sinclair Falls and Basford Falls. They range from the 40 foot drop of Rainbow Falls to the gentle sloped falls at Sinclair Falls, a perfect place to have lunch. The South Branch of the Grasse has excellent kayaking and canoeing with easy carries around the falls, if you do not desire to take the express route. There is also an enjoyable hike up Tooley Pond Mountain at the southern end of the road.

In 1866 the town of Clarksboro was established near Twin Falls on the shore of the Grasse River. An iron furnace and water-run sawmill were built to support the town. The foundation of the sawmill can still be seen at the

top of Twin Falls. Iron was mined in this region until the 1950s when the mines closed because of low iron prices. Exploring this area can reveal the unique history of the County and show some of the best hidden waters.

View the interactive trail map at [STLCtrails.com/tooleypond](http://STLCtrails.com/tooleypond)

**Directions to Tooley Pond Road:** From the south or east: Turn north on Tooley Pond Road from NY Route 3, about a mile west of Cranberry Lake (Right-hand turn). From the north and west: Tooley Pond Road is located three-quarters of a mile east of Degrasse, along St. Lawrence County Route 27.

**Directions to the Falls:** Some of the falls can be seen from the road, while others are a short walk along trails. The mileage below is for starting at the northern end of Tooley Pond Road in Degrasse. There are no parking areas for many of the falls, so one will have to pull to the side of the road as far as possible.

**Basford Falls:** 1.4 miles- follow trail to falls. (photo upper right). View the interactive trail map at [STLCtrails.com/basfordfalls](http://STLCtrails.com/basfordfalls)

**Sinclair Falls:** 2 miles- Sinclair Falls is located just South of Lake Gorge Road. There is a small information stop in the parking lot. View the interactive trail map at [STLCtrails.com/sinclairfalls](http://STLCtrails.com/sinclairfalls)

**Twin Falls:** 3.1 miles- Before this there is a dirt road giving a good view of both falls. After this is the top of the falls, where the mill was located.

**Stewart Rapids:** 3.3 miles- Can be seen from the road, large turn in the river.

**Bulkhead Falls:** 3.5 miles- Right before turn in the road, follow old road marked no vehicles to the falls.

**Rainbow Falls:** 6.1 miles- Look for a clearing marked off with boulders. Follow old road to the river, cross foot bridge to island and continue walking on path until you see the falls. View the interactive trail map at [STLCtrails.com/rainbowfalls](http://STLCtrails.com/rainbowfalls)

**Copper Rock Falls:** 8.6 miles- Look for red blaze on tree along with sign including fishing regulations. This is the beginning of the trail, follow white marked path to water and falls. View the interactive trail map at [STLCtrails.com/copperrockfalls](http://STLCtrails.com/copperrockfalls)

**Lampson Falls:** The most popular waterfall in St. Lawrence County, is easily accessed at the Degrasse State Forest on Route 38. An impressive falls at an estimated 40 feet tall and 100 feet wide. Lampson is a shallow and broad-faced falls, which can have huge amounts of water flowing over it during peak melt season in the spring. During the summer it calms and becomes a much quieter setting. At the bottom of the falls a small beach has formed allowing for swimming and picnicking. The 15 minute walk into this area is well worth it.

View the interactive trail map at [STLCtrails.com/lampsonfalls](http://STLCtrails.com/lampsonfalls)

**Directions:** The access for Lampson Falls is the Grasse River Recreation Area on Route 27 in Clare, just north of Degrasse. Look for the brown and yellow DEC sign at a gated road. Park on the road side and head down the dirt road.

## Dining & Things to do Close By

Please call ahead in case of COVID business disruptions.  
(Check [www.northcountryguide.com](http://www.northcountryguide.com) for listings of all local restaurants, diners and fast food options)

### Your Host's Selected Favorites:

#### 1844 House

On Route 11 about half way between Potsdam and Canton, this American Bistro has, in my opinion, the best food in the area. Full disclosure, the owners are good friends of mine but I still think it's the best! Reservations recommended. Price - upper range for the area.

#### Jakes on the Water

Take Rt 56 south past SUNY Potsdam and Jakes is just outside the hamlet of Hannawa Falls. Always a great dining and bar choice! Beautiful setting, good service, adventurous chef. Food is good. Price mid-upper range for our area.

#### Maxfield's

Located in downtown Potsdam on Market St. near the bridge to Fall Island, this is a multi-purpose establishment. In addition to having good food the bar caters to an older crowd during the day and a student crowd at night.

#### Cactus Grill

The Grill is located on Raymond St. just off Market St.. Raymond is across the intersection from Elm St. by the University Bookstore. It's consistent, Mexican fare.

#### Mc Duff's

Market street in Potsdam. Bar & great bar food.

### Rainy day things to do close by:

#### Tour the Adirondack Fragrance Farm Factory and Outlet Store on Rt 72 Parishville.

[www.adkfragrancefarm.com](http://www.adkfragrancefarm.com) Owned by your host Sandy Maine.

Call Helen Condon 315 265 4722 and ask to visit her rug braiding studio. It's amazing! One of her rugs ( the larger one) is on the cabin living room floor. [www.adirondackrugbraiding.com](http://www.adirondackrugbraiding.com)

Don't miss **The Birchbark Book Shop** at 40 Ashton Road, in Potsdam, Open 1-6 Pm on Saturday and Sunday. Over 80,000 used books, local history, vintage records and magazines.

Great Kids section too! You can find them on Facebook.

**Parishville Museum**, 1785 Main Street, in Parishville. A rich collection of the towns industry and logging history and more! (315) 265-6180 Call Town Clerk for Museum Hours. They vary by season.

#### Sergi's

Great Italian food and pizzeria. Family run. Market Street Potsdam Mahogany Ridge Bar & Grill Locally owned by Chef Kirk Rabideau. Excellent local cuisine. Fun bar, romantic atmosphere, great service, reasonably priced. About a 30 minute drive from here. South Colton 315-274-0351

#### Thai Cuisine Restaurant

Located on the other side of Fall Island from Maxfield's. I like the food and appreciate that it's prepared well and fresh.

#### Mama Lucia's

This restaurant is located in the old train depot that is visible from the bypass (Sandstone Drive) and is at the end of Depot St.. Depot St. is off Market St. by Subway and McDuff's. Very good Italian!

#### The Timber Tavern

A locally owned bar and restaurant open 7 days a week. It's on Rt 72 just past Parishville. The food is pretty good and very reasonably priced A local favorite if you don't want to drive all the way to Potsdam!

#### The Cedar Lodge

A very backwoods local bar/restaurant that caters to locals and snowmobilers. It's small and cozy! The people are friendly, the food is good, portions are huge and you can't beat the prices!

#### Mahogany Ridge in South Colton

Owner is chef and his wife is hostess. Friendly bar and homemade meals are above average and reasonably priced too!

### Enjoy a visit to our Finnish wood-fired cedar sauna.

It's located between the Farm House and The Rock House in a small green building. Fresh towels, firewood and fire starter are provided. It takes approx 90 minutes to get the sauna up to temperature.

If you have heart disease or other underlying health issues please read health cautions information posted in the sauna dressing room.
