

The GermBuster Sabre is a high powered (150W) disinfection device that provides maximum versatility for both surface and air disinfection. Putting out UV light at the 222nm wavelength, it is completely safe for both human eye and skin exposure.

With the optional accessories, the GermBuster Sabre can be mounted on a wall, a door, or on a tripod stand to offer continuous air disinfection, while still affording the option to be applied to surface disinfection tasks.

Purposely designed for air and surface disinfection:

- › **Safe Far UV technology** – Far UV light, at the 222nm wavelength, has been proven safe for human exposure within the ACGIH guidelines.
- › **Long Lamp Life** – The Germbuster Sabre comes with a prorated 4 year lamp life warranty
- › **AC/DC Operation** – When used with an optional DC adapter, the Sabre will run off of an EGO battery
- › **Instant On/Off** – Full power delivered instantly, no warmup required
- › **Simple and Easy to use** – Ergonomically balanced at 3.6 pounds, the Sabre can be held at 1-2 inches above a surface or object for maximum effectiveness
- › **Dry, Chemical Free** – The Sabre is environmentally friendly and the lamp is mercury free. The lamp can be simply replaced upon expiration
- › **Choice of Colors** – The Sabre is available in either black or white
- › **Flexible Financing** – Financing options are available

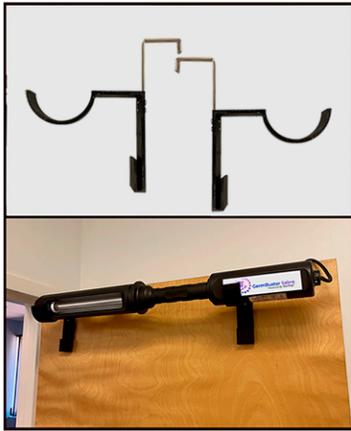

GermBuster Sabre

Specifications

Physical	
Lamp fixture dimensions (W x L)	30.25x3.5x3.5"(76.84x8.89x8.89cm)
Lamp fixture weight	3.6 lb
Lamp Length	10" (25.4cm)
Lamp surface area	271 cm ²
Operating temperature	40°~ +104°F (+5° ~ +40° C)
Operating humidity	10-85% RH
Mounting	handheld/brackets/stand
Finish color	White/Black
Housing material	Injection molded
Electrical	
Power supply	100-270V AC 50/60 Hz
DC Adapter	EGO 56v 2.5Ah battery
Input power consumption	150w
Lamp	
Lamp Technology	Far-UV 222nm Excimer
Beam Angle	160°
222nm Irradiance (1.27 cm from)	2450 μW/cm ²
Band pass filter	Not Necessary
Warranty	
Power supply warranty	1 year parts and labor
Lamp life warranty (pro-rated)	4 years
