

According to the latest posting by Galveston County of the 'Election Night Final Unofficial Result, the Emergency Service Fee (ESF) proposition passed with 461 votes "For" (61.38%) and 290 votes "Against" (38.62%).

The Tiki Volunteer Fire Department would like to sincerely thank the citizens of the Village of Tiki Island for turning out to vote! The passing of the ESF proposition will allow TIVFD to purchase a replacement for our 21-year-old engine and fund operation costs so that current service levels can continue.

**We truly appreciate your support!**
