

## IT IS ALMOST TIME TO VOTE!

A big Thank You to all of our Tiki Island residents who attended one of three Public Forums held by TIVFD regarding the Proposed Emergency Service Fee increase. A copy of the presentation slides is still available on our website at <https://tikiislandfirerescue.org/emergency-service-fee>.

It will soon be time to vote. **For Tiki Island residents registered to vote in Galveston County**, Early Voting starts on Oct 24<sup>th</sup> and continues through Nov 4<sup>th</sup>. You can find these dates and times, nearby polling locations, a Sample Ballot AND a video that shows how to use the New Voting Equipment on the Galveston Votes website here: <https://www.galvestonvotes.org/election-information/current-and-upcoming-elections/november-2022>.

The Mud 12 building at 2929 Hwy 6, Ste. 300, Bayou Vista, TX 77563 is one convenient location.

Here is a direct link where you are able to fill out some information and then view a sample ballot <https://sites.omniballot.us/48167/app/home>

You will see that the proposed Emergency Service Fee appears after all the candidates running and before the "Unopposed Candidates" list. The fee currently collected is \$16 per month. However, as explained in the Forums, the current plan allows for collecting a fee of up to \$17.50 and we are asking to increase the fee to an amount not to exceed \$45. This is reflected on the ballot. If the proposal passes, we intend to collect \$40 per month starting in January.

Please cast your votes and **vote "FOR"** the proposed Emergency Service Fee to allow the TIVFD to purchase a replacement for our 21-year-old engine and to allow the TIVFD to continue to provide our current service levels beyond 2023.

### Galveston County Fresh Water Supply District No. 6
