

GARY ST. LAWRENCE

for

GEORGIA STATE SENATE

SENATE DISTRICT 51

MY PLAN

- Bring some balance to the ineffective, wasteful, stonewalling, redundancy and corruption of a one-party Georgia state government;
- Serve ALL my constituents instead of only those vote for me;
- Not let partisan talking points drive my actions, and also to not spread them;
- Distinguish myself from the DC Democrats, and not perpetuate the party's national reputation of weakness;
- Be a decent, effective senator who is a benefit and of service to all Georgians.
