

GARY ST. LAWRENCE

for

GEORGIA STATE SENATE

SENATE DISTRICT 51

WHY YOU SHOULD VOTE FOR ME

- I don't avoid hard questions or pretend I never heard or saw them.
- I will never rubber-stamp anything in the GA Senate.
- I will never take any official action or propose any legislation just because someone in Washington told/wants me to.
- I will not use or distribute fake AI videos and will call them out whenever I see them.
- I will hold town halls and be available to ALL constituents.
- I will not spread partisan rhetoric or advocate hate or exclusion.
- I will never propose or support legislation that harms or excludes any person or group because of their wealth or the lack thereof.
- I don't give form-letter responses that only vaguely relate to a question I'm asked.
- I'm not in this to get rich or powerful. The power and wealth come from – and belong to – the people of Georgia, and I will see that they get it.
- I loathe hypocrisy and will NEVER engage in it.
- I don't wear a suit to pretend I'm respectable. I wear a suit when the occasion calls for it.
