PHOENIX ARTISTS GUILD

INSPIRED BY ART

September Member Artist Spotlight: Julie Frye

Julie Frye's artistic journey began at age 12, when she painted and sold her first "Free Sketch" of *Blue Boy* to her babysitter. Julie earned a Fine Art degree from Phoenix College and later studied and taught through the Kachina School of Art.

A three-time PAG president and our current webmaster, Julie creates painterly realism inspired by dramatic light, rich color, texture, and animals. Her advice: "Put your heart and soul into each painting." Julie currently has a solo exhibition at St. John the Baptist Episcopal Church, and another solo at the Church of the Beatitudes.

This month's featured artwork is "**Smiling Flower Lady**" created in oil, 22x28 inches.
