

2026 COMMUNITY

PARTNERSHIP PROPOSAL

Business partnerships that put young people outdoors, build practical skills, and strengthen community.

Two immediate ways to invest in young people

Dear Community Partner,

MCA Total Experience Inc. invites your business to help young people replace screen time with meaningful time outdoors. Our programs use fishing, archery, wildlife education, conservation, and mentorship to build confidence, practical skills, and a lasting connection to nature.

For the remainder of 2026, our most immediate priorities are two Friday-through-Sunday overnight youth camps and a focused November Muck Masters tournament at Torry Island. The camps will serve up to 24 middle and high school youth. Muck Masters will bring adult team anglers together while giving young anglers their own bank-fishing competition.

Together, these opportunities represent a \$17,200 community investment. Every contribution can be connected to a clear result: a student attends camp, a youth tournament is equipped, or a professionally run event reaches families and anglers.

We welcome partners who want more than logo placement. We are building relationships with businesses that believe young people deserve access to the outdoors and the experiences that can shape how they learn, lead, and grow.

VOLUNTEERS & MENTORS

What families report

Parents consistently report that their children are asking for more time outdoors, showing less interest in staying on devices, and encouraging the whole family to go fishing together.

What that means

- New skills become confidence
- Recreation becomes family connection
- Outdoor access becomes stewardship
- A first experience becomes a lasting interest

One organization, multiple paths into the outdoors

Core Experiences

Youth fishing

Equipment, technique, water safety, patience, and responsible angling.

Wildlife education

Safe exploration that turns curiosity into respect for the natural world.

Archery

Focus, discipline, form, and safe practice.

Conservation & waterways

Hands-on learning about habitats, aquatic life, and stewardship.

Camps & community events

Immersive weekends, youth tournaments, and community experiences that deepen skills and relationships.

THE LONG-TERM VISION

A permanent South Florida hub for freshwater fishing, outdoor education, conservation, and community programming.

Two weekends can open the outdoors to 24 young people

Planned in partnership with FWC

NOVEMBER + DECEMBER 2026

PARTNERSHIP OPPORTUNITIES

Choose the impact your business wants to make

OVERNIGHT CAMP INVESTMENTS

\$300	One camper
\$900	Three campers
\$1,800	Half a camp - 6 youth
\$3,600	One full camp - 12 youth
\$7,200	Both 2026 camps - 24 youth

Camp sponsors at \$1,800 and above receive logo recognition and a post-program recap. The \$7,200 partner receives presenting recognition across both camp weekends.

MUCK MASTERS PARTNERSHIPS

\$1,000 **Community Sponsor**

Sponsor listing, social recognition, and event signage

\$2,500 **Youth Tournament Sponsor**

Exclusive youth-tournament recognition, signage, and awards photo

\$5,000 **Premier Tournament Sponsor**

Prominent placement across materials, weigh-in, social media, and awards

\$10,000 **Presenting Tournament Sponsor**

Exclusive presenting recognition and primary visibility across the tournament

ALL-IN 2026 COMMUNITY IMPACT PARTNER

\$17,200

Underwrites all 24 camp seats and the complete Muck Masters sponsorship goal, with top recognition across MCA’s remaining 2026 programming and tournament materials.

A straightforward path from interest to impact

01 Choose your investment

Select a camp investment, Muck Masters partnership, or the all-in 2026 option.

02 Confirm your commitment

Contact MCA to reserve your level and request an invoice or sponsorship agreement.

03 Send your logo

Provide a high-resolution PNG so recognition can begin across eligible materials.

04 Receive the recap

MCA will document participation, sponsor recognition, and program or tournament results.
