

Add Ons						
Diamond Microdermabrasion					☐	20
Diamond Microdermabrasion is a non-invasive exfoliation treatment that uses a diamond-tip wand with suction to remove dead skin buildup while improving texture, circulation, and product absorption.						
Dermaplane					☐	20
Ultrasonic Dermaplaning combines ultrasonic skin exfoliation with professional dermaplaning to deeply smooth the skin, remove buildup, improve product absorption, and create an immediate glow.						
Enzyme Mask					☐	20
A customized enzyme mask designed to gently exfoliate, smooth texture, and enhance your skin's glow without harsh irritation.						
Hyro Jelly Mask					☐	20
Customize your facial with a targeted Hydro Jelly mask designed to hydrate, calm, brighten, and leave your skin glowing.
