## **Open Floor Comments: ( 30 Minute Limit)**

Donnie: There is a rumor that our Activities Chairperson has plans on stepping down from the position, if this is true we (Hope Not Dope) have someone who would like to step up. My group would also like me to put in a motion stating that if no accounting is done and presented at area today, that all money in or out stops until we have a full and accurate accounting of the funds.

Rolland: When you say all funds, what do you mean by that?

Donnie: They want all funds to cease until we get an accurate accounting, they would like an outside audit to happen. There seems to be a good chunk of change missing?

Christina: You said that there was a motion put on the floor that there would be an outside audit that passed, that motion became moot when the original conditions that were placed in the minutes were not fulfilled. Next we pulled the minutes out this morning, all the originals and in two seconds we had already found a discrepancy in between the receipts and the reports of the people that are asking for the accounting. Unfortunately it is not a question of what area did with the money it is a question of what everyone including the people asking for receipts and accounting did with the money. It looks like we are going to have to go through the whole thing but first we need reports from all outgoing treasurers. Lastly at the Emergency meeting we discussed the outstanding invoices to the RSO and made a decision to go ahead and pay the invoices off. It wasn't that money was stolen or socked away it was just that there was a lot of in and out with treasurers and miscommunications, but that was already accounted for and checked and taken care of.

Donnie: Area took it upon themselves to give the Ad-Hock committee an extra two weeks to complete the audit did they not?

Rolland: Yes we did

Donnie: Was that not against what the home groups voted for?

Jason: It was voted on here at area.

Rolland: We are going to limit the response to this to two minutes or less to keep it moving.

Rich: Really it was just group conscience to keep things moving along. We did however get new minutes and receipts to add to the audit, so that is why we were given the extra time.

Renee: according to the audit there were two months when treasurers did not turn that paperwork in right around the time of the campout. The only way to know stuff is to go back

through it and that takes time. However, to threaten area with the income coming in and out is not the right way to address any matter that you might have, we are not going to float or sink over one groups income, but I do want to complement the group for being conscience enough to address this if they do not see that it is appropriate, but to threaten the area is not appropriate, you should probably find another way of going about that.

Mary: I do not know if you were here but we did vote on letting them finish the audit for the extra two weeks on the floor. They were unable to produce a person willing ot d the audit for the specified amount of money and time so we decided on the floor to finish the audit here.

Jason: Hopefully to day there will be a balance and all this will not matter but, any group can make a motion all they want and it will be voted on by the home groups, if the other groups think it is good for the area then it will pass if not it won't. That is why the structure is set up that way.

Renee: The vote that went out on the audit it went out prematurely. We did not have all the information for an outside entity to do the audit accurately and they would have come up with the same thing.

Barbara: I do not like rebuttal and kickback but here we go, the whole thing was manipulation and it will reflect that in my report. The area decided to go on because certain things were not done certain ways. I haven't got a report on what kind of money came in and out those months. A couple of people in here have said that they will go to that person and get the reports but they haven't surface. Second you do not have an event and turn the money in two months later and say...this is how much we made, and then to hold the area hostage? I do not think do I think that they need to come to area and face us.

Dominique: Are we moving past this?

Rolland: yes we have 11 minutes left.

Dominique: Ok I have a question for policy. If you are the chair for a certain committee, how many meetings can you miss before you are removed from office 2 or 3?

Christina: 3

Rolland: Yes 3 so if they miss two but make it to the 3 then they made it.

Dominique: Ok thank you

Robert: Read aloud a letter that he wrote to the area regarding an incident last month. The grievance is attached in the minutes online at the Nature Coast Area Website.

Rolland: We will probably talk with policy to see if there is anything in policy to address this situation. It was very uncomfortable for me to reprimand my own sponsor. I had a conversation with him and told him that I didn't appreciate the situation that I was put in. I am learning here.

Renee: When two people are involved there are two people at fault. I have been in areas where they have physical fights but we are getting better. Two people were involved that is what I saw and if one of them get admonished the other one needs to be too. It has been attack and defends over the last two areas between these two individuals. There is nothing in the policy regarding this situation but it sure is in the steps. We can not ask a person to come to area, that I know for sure.

Robert: I am going to address the chair as it is improper for me to address anyone else directly. What did I do that was wrong, because I just heard I was wrong?

Rolland: It takes two to tango and I can engage as much as I want. Just let it go.

Robert: That is what I did wrong. Thank you

Jennie: Rolland, I think you are doing a fabulous job.

Rolland: Thank you, we have 2 minutes, shall we move on? Ok

- Opening - Serenity Prayer
- General NA Public Relations Information

**Public Relations Statement:**

"The Narcotics Anonymous message is 'that an addict, any addict, can stop using drugs, lose the desire to use and find a new way to live.' Our relations with the public enable is to share this message broadly so that those who might benefit from our program of recovery can find us. We perform public relations service to increase the awareness and credibility with prospective members, and with professionals. Maintaining an open, attractive attitude in these efforts helps us to create and improve relationships with those outside the fellowship. Establishing and maintaining a commitment to these relationships, can help us to further our primary purpose. The spiritual principles of our steps, traditions and concepts guide us in pursuing our public relations aims and our efforts to enhance NA's public image and reputation. These principles apply to our community and service efforts as well as to the personal behavior and attitude of individual NA members."

**NA and Public Relations:**

"The principle of service, critical to the application of our Eleventh Tradition, is not a passive principle. To be of maximum service to the still-suffering addict, we must energetically seek to carry our message throughout our cities, towns and villages. ...We must take vigorous steps to make our program widely known. The better and broader our public relations, the better we will be able to serve."

-- Tradition Eleven, *It Works: How and Why*

**Public Relations Goals:**

1. We clarify what NA services we can and cannot provide to the community

# GRIEVANCE

12-14-19

Pg 1 OF 2

FILED BY: ROBERT S. (H&I CHAIR)

AT THE PREVIOUS A.S.C. MEETING I WAS IN THE PROCESS OF FILING A COMPLAINT AGAINST EDWIN A., A "VISITOR". IMMEDIATELY THEREAFTER, EDWIN A. APPROACHED ME FROM BEHIND. ASSUMING THAT HE WAS APPROACHING ME TO RETRIEVE AN UNDATED H&I POLICY THAT HE HAD "LOANED" TO ME, I WITHOUT LOOKING AT HIM EXTENDED HIS POLICY BEHIND ME. AFTER A MOMENT, FEELING NO EFFORT FROM HIM TO TAKE THE POLICY, I EXTENDED MY REACH TOWARD HIM. I AM UNSURE OF WHAT HAPPENED NEXT, AS I WAS NOT LOOKING AT HIM, BUT I ASSUME THAT HE KNOCKED THE PAPERS OUT OF MY HAND. AT THAT MOMENT I HEARD A SOUND VERY FAMILIAR TO ME FROM MY PAST. THE SOUND IS ONE COMMONLY MADE BY WOULD BE BULLIES, WHEN ATTEMPTING TO INTIMIDATE SOMEONE. THANKFULLY, I DID NOT SEE IT, BUT WAS INFORMED BY OTHERS, THAT EDWIN A. HAD ACTUALLY SWUNG AT ME. THIS ACT OF AGGRESSION COULD HAVE RESULTED IN VIOLENCE AND THE POSSIBLE INJURY OF INNOCENT PARTIES,

AFTER A TENSE MOMENT, AND SOME LOUD ADMONISHMENT BY THE CHAIR, (ROLAND) EDWIN RETURNED TO HIS VISITOR'S SEAT. FROM HIS SEAT, EDWIN WAS OBSERVED BY MYSELF AND OTHERS "FLIPPING THE BIRD" AND MOUTHING (SILENTLY) THREATS, FOR APPROXIMATELY 40 MINUTES.

I WOULD LIKE TO KNOW WHY EDWIN WAS NOT REMOVED FROM THE MEETING FOR ATTEMPTING TO INCITE VIOLENCE IN A ROOM FULL OF INNOCENT PEOPLE.

I WOULD ALSO LIKE TO KNOW WHAT THE POLICY IS REGARDING VIOLENT AND ABUSIVE PERSONS AT THE A.S.C. MEETING.

I WOULD LIKE TO REQUEST THAT EDWIN H. BE RESTRICTED FROM A.S.C. FOR 6 MONTHS, MINI  
THANK YOU,

ROBERT S.

## Treasure report for 12/14/19

1. In November I did not receive any minutes
2. I also did not receive any prior financial ledgers for 2019 from Kelly or Angel and I am unable to complete the responsibility of reporting an accurate record of any monies being held by the Treasury office before October 2019, which is when I officially took office as the sitting treasure
3. The Church has asked the Area and the groups to have their entire rent payed on the first of each month, so by doing that starting next month area each group will turn in the February months rent at the area monthly meeting on January 11, 2020. And at that time the area will issue them a check for all the Nature Coast area functions and groups meeting. This is their request not ours.
4. Today we need to come up with the area and the groups rent being paid by the first of January for the month of January operating that will be held here at the church.
5. I have still not received the ATM card from the bank I talked to the branch manager Shawn and he said at the time we ordered the card the bank was going through a transition of going from 4 year cards to only 2 years and when our request went in it got kicked back so I asked him why I was not told him that when I went into the bank last month to inquire about it and he said he was sorry that was his fault for not following through. It is ordered now and I will go in next week to sign the document I did not have time on Friday 12/13 because I left work and went to my office dinner so I will go Monday
6. There id a new expense sheet for the activities functions in the area I will be passing out, for reporting monies in and out of the areas treasure account. If they are not turned in completed there will be no additional money given for the function.
7. Functions will planned in a timely manner so that the area is able to support such activities, so that when the idea comes to area for monies we will have an idea what the monies will be spent

In loving service

Barbara R/ NCAS Treasure

# 2020 Florida GSR Assembly

## Purpose of the GSR Assembly

The bi-annual GSR Assembly is a meeting of all the GSRs and RCMs in the Florida Region. We come together to fellowship, grow in unity, and arrive at a regional conscience on a variety of issues, both locally and globally in NA. Per our Second Concept; "The final responsibility and authority for NA Services rest with the NA Groups".

Date: March 13th - 15th 2020

Location: TBD

Please bring back ideas for workshops in November 2019\*

## **RCMs**

- Keeping members involved in critical.
- Ask your respective Areas for their input of how we can improve the 2020 GSR Assembly. In addition to the Conference Agenda Report (CAR) and Conference Agenda Track (CAT) what other topics are of interest to them?
- You tell us at the next Regional Service Conference in November 2019, and we will do our best to incorporate your feedback into the Agenda for the 2020 GSR Assembly in March.
