Open Floor Comments:

Barbara: Members if it is possible to come in about 10 minutes early and hand in your donation so that it can be counted and we can give you a correct total of money taken in at the end of the meeting.

Donnie: On the 26th of October Hope Not Dope is having a Spooky Eat and Speak.

Renee: In policy it says that the Treasurer and the LDO are to conduct business 30 minutes prior and 30 minutes after the ASC meeting as to cut down on the distractions.

Lois: Y.A.N.A. is considering splitting groups up does anyone know if both groups would be an established group or what we have to do.

Renee: You are grandfathered in.

Christina: If you are changing the name then you do have to register with world.

Brandon: The Just For Today Group has voted to join with the Nature Coast Unity Group, so now we are just the Nature Coast Unity Group. We are the same group with two different meetings at two different places. Also I was reading in policy and we are supposed to meet on the 2nd Saturday of the month and that did not happen. We have a chain of command if the facilitator cannot make it. Can someone explain why we are meeting on the 3rd Saturday now?

Christina: There was an unfortunate incidence where it wasn't just the Facilitator that couldn't make it. It was an emergency situation and it was talked about through the chain of command. It was decided that the meeting would be moved out one week and everyone was notified. It was only for this month.

Brandon: Thank you

Rolland: Did you get the text message?

Brandon: Yes, I just didn't know why it was changed.

Richard: Someone is taking entire stacks of IP's that belong to ROTR. If anyone needs IP's please contact PR or LDO as it is not appropriate to take stacks of IP's from a group IP rack.

Robert: Why does a new meeting have to wait three months to get established and get a starter kit?

Rolland: You need to come to area and get established and show up, many groups have come to area and get a starter kit.

Robert: I bought my own because I didn't want to have to wait and just read the readings out of the book.

Angel: Back to the Just for Today merger real quick..is the name going to be Just For Today Nature Coast Unity, or Just For Today?

Brandon: It will be Nature Coast Unity

Dominique: Obviously if a group is starting out they need a starter kit, so I was wondering, can they ask for the starter kit first or do they have to be here for three months?

Donnie: Everywhere I have ever been there has always been the three month thing; I don't think this is something unique to the area as it is in other areas as well.

Rich: Maybe we can decide to allow a person that is starting a meeting to purchase a starter kit and then after 90 days they can petition the body to be reimbursed?

Christina: This is just my suggestion, I agree that new groups should be able to get a kit right away to start their groups, what about if we give the new group a kit under the condition that the kit comes back to the area should the group close down before the 3 months? Then they can start the meeting which is carrying the message, our primary purpose, and area can have a little assurance that they get the kit back should the meeting not make it.

Robert: I agree with Christina, it is important that a group gets what it needs to function and grow.

Karen: We have had some new groups open and I have looked at the pack and it just doesn't seem sufficient. (Reads the list of inclusions) Maybe we can make up our own list of inclusions for the starter kit for our area.

Barbara: I will print my list out for you when I get home.

Renee: Reading the readings out of the book is not that bad, we have to learn to work with what we have, and we cannot continue to just give it away. There has to be some type of ground line there that says this is what we do. It is not always about a bleeding heart, we work for what we get. If that means that we have to establish ourselves in the area for three meetings, then so be it.

Administrative Reports:

Secretary's Report: Report was read aloud. Donnie: Our group did not vote on the motion because it said that there were no new motions to vote on. Christina: Let me check, It says that there are no old business motions to vote on but it says that there is 1 new business motion to vote on. (multiple other GSR's said that they did not vote either) Christina: I apologize I will take the part about old business motions out as not to confuse anyone. Lois motioned to accept the report and Donnie seconded.

Treasurer's Report: Treasurer gave a verbal overview of the account and monies taken in at the ASC meeting. No hard copy report was given.

RCM's Report: Report was read aloud and corroborating report will be on the website. Donnie motioned to accept the report and Brandon seconded.

Policy Report: Report read aloud and corroborating report will be on the website. Policy is requesting a onetime budget allotment of \$150.00 to provide the ASC body with Policies. Brandon: I know that I would prefer a digital copy for prudence. Renee: Policy is not required to give you a copy only to make it available; however, we are concerned that if we do not give out a hard copy then we will have people saying they can't print it and that they aren't able to look up policy when they need to. Donnie motioned to accept the report and Lois seconded.

Web Master Report: Report read aloud and corroborating report will be on the website. Lois motioned to accept the report and Donnie seconded.

Sub-Committee Reports:

Activities Report: Report was verbally given and corroborating report will be on the website. Angel to speak with the pastor of the church to see if activities can meet one Saturday a month consistently. Joe motioned to accept the report and Donnie seconded.

Help Line Report: Report read aloud and attached hereto. Jason: I get calls every day, it's kind of cool, and I was just wondering how it works? Does the call go out to everyone and whoever gets it gets it? Lois: Yes Jason: OK cool I was just wondering how it worked. Donnie motioned to accept the report and Robert seconded.

H&I Report: Report read aloud and attached hereto. Joe: What time is the meeting that you are bringing into the facility? Robert 6:30-8:00. Lois: That isn't open to the public yet right? Robert: No not yet, we are discussing the possibility of a morning meeting on Saturday morning that is open to the public, but we are seeing how this meeting goes first. Robert: If anyone would like to come to the meeting please put your name on the list to volunteer it is going around. Rolland: What do I have to have as far as clean time in order to go into the facility? Robert: it is six months to come in and listen and one year to speak. Lois motioned to accept the report and Donnie seconded.

LDO Report: Report read aloud and corroborating report will be on the website. Robert motioned to accept the report and Donnie seconded

Public Relations: No report was given, however, it was reported by Mary that once Jennie returns from vacations, Kevin will be stepping down as the Chair of the PR Committee and Jennie will be taking the Chair position.
