# ABOUT US

---

The Huron Hurricanes Aquatic Club is a nonprofit, independent sports organization whose purpose is to teach and promote the sport of swimming in Huron County. HHAC encourages sportsmanship, training for competition and self-development in the sport of swimming.

This 2022/2023 swim season HHAC is celebrating 33 years as a swim club in Huron County.

At the end of season we had 38 registered swimmers, including 27 competitive and 11 pre-competitive.

## Letter from the President

---

This past year has been an active one for our club. I hope you will review the information and photos found in this annual report.

HHAC has returned strong after the pandemic. Our completely new executive board have been engaged and continue to improve HHAC operations. We could not have done it without the commitment of our amazing executives and other club volunteers. Our past President Michelle and past Vice President Kelli have been a huge support as we transition. Thank you!

Our club saw an increase in registration and competitive swimmers in all age groups.

HHAC held its first swim-a-thon since 2019 and we were very successful. Raising almost \$2000.00 over our goal. Thanks to all our generous supporters the total raised was \$4975.00. Thank you to Katie for all your organizing.

HHAC attended an exceptional eleven swim meets and two regional meets this season.

New team building logo stickers, tattoos and club travel banner are all well loved.

We have made multiple equipment upgrades that have enhanced all our swimmers experience. Thank you Cheri for your involvement with ordering.

Our club could not operate without financial support; we thank our local donors, IODE Mapleleaf Goderich Chapter, Van Dieten Family and Huron County Milk Producers, Londesborough Lions, and McKillip Mutual Insurance.

Thank you to all who have helped make 2022/2023 season a successful one. Please consider reaching out about volunteering and/or financially contributing to our club.

Melissa Magee  
HHAC President

## COACHING TEAM

---

We would not have a club without our amazing coaching team. Thank you Head Coach Rebecca for leading us through the season and organizing all attended swim meets! Coach Agnes, Kelli and Wendy, your experience and kindness shines on deck. Welcome Coach Robyn we are lucky to have you!

## CLUB DEVELOPMENT

Vanastra Recreation Centre (VRC) has a long relationship with the Huron Hurricanes Aquatic Club (HHAC). It's our home base! We are looking at future growth and currently developing an agreement to get back into the YMCA in Goderich two days per week.

The goal of acquiring a video training device is ongoing and we look forward to reaching our purchase target next season.

Officials are an integral part of swim meets. Being an active official gives you volunteer hours and you get to be on the deck to see your child swim. We encourage you to inquire about officiating next season.
