Coastal Coffee Fundraising

Hello! Thank you for your interest in FUNDRAISING with Coastal Coffee Company.

Coastal Coffee

Since peddling coffee out of our hippie van at local farmers' markets over a decade ago, our passion for sharing premium, direct-trade coffee with our customers has only grown.

We source the best coffee the world has to offer by building ethically sustainable partnerships with coffee farmers globally. We roast our coffee in small batches right along the coast of Lake Huron.

Experience the difference: crazy fresh, sustainably sourced and artisan roasted coffee that you can feel good about drinking.

This is how the Coastal Coffee Fundraising program works.

- 1 Distribute the Coastal Coffee Fundraiser forms to your participants. Answer any questions to ensure the forms are filled out properly. Set a date for the participants to return the forms back with their money for their orders.
- 2 Collect the forms and the money. Be sure that all rows have their "Total" filled out, and that the "Grand Total" is also calculated and included. Tally the Grand Totals of all the forms together to create your complete order. Submit your complete order via email to info@coastalcoffeecompany.ca and determine to a pick up or delivery date.
- 3 Your order of freshly roasted Coastal Coffee will be prepared for pick up or delivery, with the payment collected in full. Your participants then distribute the Coastal Coffee to their happy customers.
- 4 Pick a reason to fundraise again and return to step one.

YOU MAKE \$3 FOR EVERY UNIT OF COFFEE SOLD!

# Of Participants	# of Units Sold Per Participant	Profit per Unit	TOTAL PROFIT
30	10	\$3	\$900 profit!
50	10	\$3	\$1500 profit!
100	10	\$3	\$3000 profit!
250	10	\$3	\$7500 profit!

Thank you for supporting local business.

Think Global • Buy Local

Cheers! –THE COASTAL CREW
