

A strong start can make all the difference, both in swimming and in life.

The Huron Hurricanes are raising funds to upgrade to new starting blocks and a state-of-the-art timing system.

Your support doesn't just buy equipment—it builds confidence, fosters dreams, and creates champions.

Together, we can make every second count for the Huron Hurricanes.

DIVE IN AND MAKE A DIFFERENCE

These tools will help our swimmers train harder, compete better, and achieve their goals.

Your support ensures that every athlete has the chance to reach their full potential.
