## For Immediate Release

The American Rescue Plan Act (ARPA) Fund application is now available, online only. This is for the Kiowa Tribal Chairman's disbursement plan **which is** the individual emergency assistance payment and the additional assistance **every** tribal member will be eligible for.

Please go online to fill out your application/assessment form. The assessment will allow the ARPA staff knowledge of what programs to refer you to for additional assistance outside of the individual payment.

Every tribal member, including minors (along with their custodial guardians) must fill out an individual application. Please make sure it is complete or it will not be processed.

The individual payment has not been authorized for its use yet, but filling out the application/assessment now, will allow for quicker disbursement when the funds are authorized.

If you do not have access to the internet you may set up an appointment and apply in person or on the phone with an assistant at the Anadarko location (Rescue Plan Program at the old DHS), 802 W. Hardees, Anadarko, OK. Please call 580-951-0365 (8 a.m. – 5 p.m.) to set up an appointment.

To apply online go to [www.kiowatribe.org](http://www.kiowatribe.org) or <https://form.jotform.com/RescueAct/official-kiowa-tribe-american-rescu>
