FOR IMMEDIATE RELEASE

## **KIOWA TRIBE EXECUTIVE BRANCH RESPONDS TO FAKE MEMO**

**CARNEGIE, Okla.** - A Facebook (social media) post was made this afternoon and was sent by a disgruntled former official who goes by the name Charley Eisenberger Domebo Haungooah.

Tribal members, please understand that this is a fraudulent act and will be investigated and prosecuted.

It was not posted by the Chairman Matthew Komalty and is an attempt by those who have hate in their hearts against our Chairman.

Again, action will be taken against the person or persons who committed this fraud. Please disregard the rantings of the persons who posted the false, cowardly, and fake social media post.

The Kiowa Tribe would like to apologize for whoever took the time to mislead and misdirect the great things we are doing, even amidst a pandemic. Our prayers and hearts go out to those involved. Stay safe.
