Kiowa Tribe Announces Medical Assistance Program

(ANADARKO, Okla.) – To address the health disparities caused by the pandemic, the Kiowa Tribe COVID-19 Response Program is announcing a fund to assist Tribal members with medical and dental expenses.

The Medical Assistance Program offers financial assistance for dental services, prescription costs, including glasses, and office and hospital visits for medical services outside of Indian Health Services.

To qualify, you must meet all the following:

- Be an enrolled Kiowa Tribal member, or be the custodial parent/legal guardian of an enrolled Kiowa Tribal member
- Be over the age of eighteen (18)
- Must have completed and submitted the Kiowa Tribe American Rescue Act Application

The Kiowa Tribe COVID-19 Response Team will assist with medical and dental services until June 30, 2022 or until funding is exhausted.

To receive assistance, the following documentation must be provided:

- Completed request form
- Copy of Tribal I.D. card
- Copy of medical referral or treatment plan
- Copy of current valid prescription
- Copy of invoice from medical provider

Priorities for approved assistance have been established; 1) Severe Covid-19 related circumstances, 2) Serious illness, 3) homeless or low income.
