FROM THE DESK OF KIOWA TRIBAL CHAIRMAN MATTHEW KOMALTY

It is with a heavy heart that I make known that a tribal member has fallen victim to the coronavirus. My prayers go out to the Poolaw family as they go through this difficult time.

This is the tribe's first casualty to COVID-19. We have two other known cases within the tribe. One is an employee of the tribe. At last word, the employee remains in the hospital, serious but in stable condition.

The Kiowa Tribe remains closed to the public and CDC guidelines are being followed. Please take the time to check on your loved ones and I ask that you continue to pray for the Kiowa Tribe as we move forward.

Ah-ho
