Lord Jesus, I pray for the people of Hawai'i, the nation, & world:

Pour Your Spirit upon all Your people that we will know how much You love us.
Help me to be Your salt & light in this dark world.

May Your Spirit give everyone a desire to know You, to seek You, to love You & declare
You as their only true Lord & Savior, singing & declaring praises to our God.

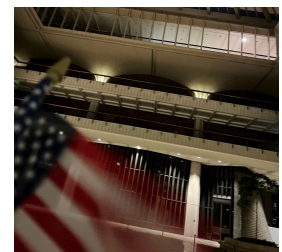

[Phil 2:10-11](#)

Lord Jesus, I pray for our family, church, & community leaders

May those who do not yet know You have opportunities to know of Your great love &
humbly submit to Your salvation call as their Everlasting Father.

May all leaders earnestly seek You & Your ways to guide them as they humbly guide us –
with godly wisdom, love, integrity, righteousness, unity & strength & perseverance to
endure. We pray for protection against temptations & evil in the midst of spiritual warfare.
Use all Your leaders as You will. We lift all their advisors & families for the same.

The Call to Pray and Live Godly Lives

[2 Chronicles 7:14](#) "If my people, who are called by My name, will **humble themselves & pray & seek My face & turn from their wicked ways**, then I will hear from heaven, & I will forgive their sin & will heal their land."

[1 Timothy 2:1-2](#) I urge, then, first of all, that **petitions, prayers, intercession & thanksgiving be made for all people— for kings & all those in authority**, that we may live peaceful & quiet lives in all godliness & holiness. This is good & pleases God our Savior, ⁴ who wants **all people to be saved & to come to a knowledge of the truth**.

We are called to have "the mind of Christ" ([Phil. 2:5](#)) in dealing with difficult people -- never contentious & un-Christ-like. [2 Tim 2:23-26](#): "**But refuse foolish & ignorant speculations, knowing that they produce quarrels. The Lord's bond-servant must not be quarrelsome, but be kind to all, skillful in teaching, patient when wronged, with gentleness correcting those who are in opposition, if perhaps God may grant them repentance leading to the knowledge of the truth, & they may escape from the snare of the devil.**"

The radical instructions given us by our Lord? "Love your enemies, do good to those who hate you, bless those who curse you, pray for those who spitefully use you" ([Luke 6:27](#)).

♥ **"Love your enemies"** When tempted to rise up in anger & defend or justify, **seek** the Holy Spirit. When being prideful, let Him catch & prompt you to pray for others. To deny the flesh. This releases God to move in them & you. No matter how hardened some may seem now, none of them are beyond God's love. Many raised in the Christian faith are prodigals. Christian prayers & actions can bring them home. As much as some want to be liked by everyone, Jesus said, "Woe to you when all people speak well of you" ([Lk 6:26](#)). We must **"overcome evil with good"** ([Rom 12:21](#)) & express **genuine love** toward all.

👉 **"Do good to those who hate you"** Angry, confused, frustrated, resentful individuals who hate us for our identification with Christ or anything else, need to be on the receiving end of our understanding, mercy, love, kindness & the forgiveness of God. ([Luke 6:27](#)).

🙏 **"Pray for those who spitefully use you"** In our attempts to extend God's love to confused or bitter detractors, our efforts may be rebuffed & we may be hurt or offended. Christians are being called to be His **"ministers of reconciliation"** to bring healing to our hearts, our people, our land. May this not hinder our resolve to do the right thing in the right spirit ([Jas 2:13](#)). [Job 42:10](#):

For the sake of our children, generations, nation & the world, we press on in prayer, repentance, AND action every bit as much as we did before, during, & after 9/11. **Prayer made & will make a difference.** Law-abiding citizens, especially young people, caught in the web of our culture's liberal ideological indoctrination, need to see Christian love & humility in action, even as we rejoice & continue to labor for revival.

Remember ... no one else but Jesus Christ is the ultimate hope assured.
