Additional Comments: Thanks so much to Kat for inviting me to the Zoom session. I enjoyed looking through two of Kat's classes and providing feedback. She is a fantastic instructor and it's clear she has a passion for teaching as well as helping her students in any way possible. I recommended she add a resume to 070 that is more geared towards our demographic. I also mentioned she pay attention to accessibility in regards to font size and document access. Her Canvas shells are very well put together and there is little room for confusion. Nice work!
