

A joint meeting of
**Vascular
Biology**

Announcing the Inaugural Joint Annual Scientific Meeting of
Australian Vascular Biology Society, Australia/New Zealand
Microcirculation Society & Australia/Asia Vascular Biology
Organisation

AVBS ∩ **ANZMS** ∩ **AAVBO**

19-22nd September, 2019

Hosted on the campus
of University of Sydney,
Camperdown

This unique collaboration brings **Vascular Biology** from around the globe to Sydney, including a joint plenary session with the **14th World Congress on Inflammation Sydney 2019**

Showcase a broad array of topics, including:

- Vascular Inflammation & aging
- Degenerative Vascular Disorders;
- Vascular regulation & remodelling,
- ECM & tissue engineering;
- Mechanosensing in the blood & vasculature;
- Oxidative Stress, Diabetes & PVD;
- Vessel Permeability and Leukocyte Recruitment;
- Cerebrovascular biology & Disease;
- *Platelet Biology & Atherothrombosis;*
- *Angiogenesis & Lymphangiogenesis;*
- Adaptations in Pregnancy & Perinatal Outcomes
- Microcirculation and Cancer
- Immunology of the Microcirculation

Plenary Speakers:

Paul Kubes, Uni. Calgary, Canada
Gou Young Koh, KAIST, S. Korea.
Dolores Di Vizio (Cedars Sinai, LA, USA);
Jenny Gamble (Centenary Institute, NSW);
Steven Stacker (PeterMac, VIC)
