EXPERIENCE

2014 - PRESENT

SHP | Cincinnati, OH – Architect

- Collaborate with clients, consultants, and coworkers to develop designs, produce construction documents, and manage the construction administration of LEED K-12 educational projects throughout the State of Ohio.

2011 - 2014

CR Architecture + Design | Cincinnati, OH – Architect

- Utilized Revit and AutoCAD to prepare construction documents for multi-family residential, educational, hospitality and retail projects. Performed construction administration and field verification work, conducted code research, coordinated drawings with consultants, and provided schematic design services for clients.

2010 - 2011

Cincinnati Housing Partners | Cincinnati, OH – Assistant Construction Manager

- Responsible for developing budgets and construction schedules, scheduling and supervising subcontractors, managing volunteers, and performing punch-out work on single-family home rehab and new construction projects.
