Textile art for you and your home

One day free motion machine embroidery workshop
Seascapes

Join me to create your very own unique textile art seascape using appliqué and free motion embroidery. I'll be there to guide you every step of the way, providing demonstrations and hands-on assistance.

In this workshop, you'll gain the skills to design and build your seascape. You'll discover what to look for when selecting fabrics, how to effectively incorporate sheer fabrics to enhance areas such as the sea and sky, and explore the art of adding hand embellishments and hand stitching to complete your piece.

Finally I'll show you how to mount and frame your completed artwork.

All material will be provide, including mount and frame.

This workshop is suitable for beginners and those who have already had some experience of this technique.

IMPORTANT.....WHAT YOU NEED TO BRING WITH YOU

- A sewing machine that can be adapted for free motion sewing (you will need to be able to drop the feed dog or have a plate that fits over the top)
- Free motion foot / darning foot compatible with your machine
- Spare bobbins
- Reel of invisible thread (I do sell this if you haven't got any)
- Basic sewing kit
- Embroidery needles for your sewing machine. I would recommend a 75/11 size.

I provide tea, coffee and biscuits throughout the workshop, but you will need to bring your own lunch.
