Textile art for you and your home

One day free motion machine embroidery workshop
Seascapes

This workshop is suitable for beginners and those who have already tried a bit of this very addictive technique. Often known as drawing with your sewing machine, you will be amazed at what is possible.

I will start the day by going through the basic techniques you will need (including how to set up your machine). I will then guide you through the process of choosing your composition, selecting fabrics and stitching the detail. I will demonstrate each stage as we go along and supply inspiration in the form of photos. If you have images of your own you would like to use please feel free to bring them along.

I will finish the day teaching you how to mount and frame your piece of work ready to take home with you.

All material will be provided, including mount and frame.

IMPORTANT.....WHAT YOU NEED TO BRING WITH YOU

A sewing machine that can be adapted for free motion sewing (you will need to be able to drop the feed dog or have a plate that fits over the top)

Free motion foot / darning foot compatible with your machine

Spare bobbins

Threads

Scissors

Embroidery needles for your sewing machine.
