Serving Barefoot Bay, Micco and Southern-most Brevard County Monthly

July 2024

Summer Musings

By Rob Allan

Sunrise at Barefoot Bay Pier
Photo by Cindy Lafferty

Barefoot Bay Recreation District (BBRD) will host the Annual Fireworks display on July 3, 2024. It's a great show that goes off at 9 p.m. The food truck will be open late for those looking for a satisfying bite to eat. We will livestream the fireworks event that night as we have the past couple of years. Join our FB page for notifications, weather updates, news around our area, and the link to the livestream.

BBRD will also host the grand re-opening of our Mini-Golf course on July 3rd. Thank you again to the wonderful efforts of our community, the BBRD and managers, and especially the Barefoot Bay Golf Cart club for their time and efforts in making the improvements possible. The new fairway greens and obstacles are ready to challenge the youngest and oldest among us. FORE!

The city of Sebastian celebrates its Centennial founding all year long and will host its fireworks show along the river on July 4th. The annual Freedom Festival will open at 8:30 a.m. with a parade, followed by all-day activities, food, music, and entertainment at Riverside Park. This is one of Sebastian's biggest events of the year. Fireworks go off at 9 p.m.

A quick plug for this great summer program! The Summer Golf Camp with Bill Balash, PGA Professional, and BBRD Coaches will run Monday, Wednesday, and Friday, July 8 - July 26th, from 10 am - 12 pm (a total of 18 hours of total instruction) for Junior golfers ages 6 - 17, though children ages 6 - 7 must also have a parent or guardian present. The cost of this program is FREE! However, enrollment is limited to 40 Juniors.

Juniors will work on developing skills with the full swing, pitching, chipping, and putting strokes. Each week, the campers will go on the course to play and work on applying their skills and knowledge of rules and etiquette. Students do not need to have their own golf clubs or golf shoes, though appropriate attire (shorts, shirt, hat, and tennis shoes) is required. Don't forget sunscreen and a water bottle; for more information, call 772-664-3174. Save the Date: July 27th at 8:30 am Junior Golf Tournament & Award Ceremony.

Congratulations to our newest Trustee, Ed Haslam, who will take office in January 2025 with the returning Bruce Amoss and Joe Klosky. There will be an election in November with two of the Trustees receiving three-year terms and one receiving a two-year term, based on the number of votes received. With only three candidates who qualified and three seats available, all three will be seated on the BOT for the new year. Each newly elected Trustee will now serve no more than two consecutive three-year terms. Future elections will feature no more than two seats available any given year, hopefully prompting more interest and competition amongst candidates from our community.

The Tattler staff is celebrating a little bit ourselves as we kick off our third year of ownership of The Tattler with this issue. Small newspapers like this one have disappeared all over the country, and we couldn't do it without your support. The contributors, columnists, advertisers, and our readers make this newspaper possible. We love the new G-A+Z-ETTE column (thanks, Becky!), and I promise to take my wife out on another date soon. We continue to print articles we hope are of interest to our readers and look forward to the year ahead. Can't help but smile.

We love our community and are blessed to live in Barefoot Bay.

Rules of the Road Revisited

Two different golf cart accidents occurred in June on Micco Rd, leaving two golf carts destroyed and a woman with injuries. The first accident occurred when the driver of the golf cart apparently lost control of the cart, flipping it onto the railroad tracks. The immobile golf cart was subsequently hit by a Brightline train, destroying the cart. It's unknown if the train sustained damage. Gratefully, no one was injured.

The second accident resulted in a collision between an SUV and a golf cart crossing Micco Rd at Ron Beatty. The golf cart was badly damaged, and the woman had unknown but apparently serious injuries. Neither golf cart should have been where they were when these accidents occurred. Golf carts are only allowed to cross Micco Rd at East Rd and at Sebastian Rd/Egret. Golf carts are not allowed on any sidewalk or easement the entire length of Micco Rd or US1 unless registered, licensed, and insured similar to any other motor vehicle, and then only allowed to drive on Micco Rd itself, not the sidewalks.

We are reprinting the Rules of the Road below for those unaware of what and where you can drive your golf carts in Barefoot Bay and the surrounding area. Though it is two years old, the information is still accurate. Nothing has changed.

The Golf Cart Club hosted an informational meeting on July 20, 2022, with the Brevard County Sheriff's Office regarding the "rules of the road" when driving a golf cart in Barefoot Bay. Barefoot Bay has not always been a golf cart community in the general sense we know today. Less than 15 years ago, you were only allowed to drive your golf cart from your home to the golf course and back. No visiting friends and certainly no cruising the Boulevard to the Winn Dixie for groceries. The Brevard County commissioners, after successful lobbying efforts by the BOT and our legal representation at the time, agreed to allow golf cart use on the county roads within Barefoot Bay with two crossings on Micco Road and extending the use to the Winn Dixie entrance on Barefoot Boulevard.

The Florida State and Brevard County rules and regulations for driving a golf cart in Barefoot Bay have not changed since that day. First and foremost, when driving a golf cart (or low-speed vehicle), you must obey the rules of the road as if you were driving a car. You should make complete stops and signal your turns, either by hand or blinker. You can drive a golf cart after dark, but only with adequate headlights, tail lights, and a windshield. These are commonly known facts, though we've all seen examples where even the simplest things are forgotten by some golf cart drivers (like stopping at stop signs).

The BCS officer surprised the crowd when he advised golf cart owners they could be ticketed if found driving in the pedestrian lane on Barefoot Blvd. When asked if a golf cart driver should pull over for motor vehicles behind them, the officer told us no, the golf cart must remain in the motor vehicle lane. The driver of a motor vehicle risks receiving a ticket if observed following too closely or unsafely passing a golf cart, even if that golf cart is traveling at very low speeds.

Many in the meeting pointed out that no longer being allowed to drive on the pedway could be dangerous due to impatient drivers and 'road rage,' but per BCS, it is not only the law; it has always been the law. The striped lane on Barefoot Boulevard is for pedestrians only. Golf carts and bikes must share the road with motor vehicles.

Accordingly, motor vehicles within Barefoot Bay must share the road with a golf cart as if it were any other motor vehicle. The speed limit is 25mph everywhere in Barefoot Bay, and most golf carts travel 18mph+, but some may drive much slower. Those needing to get to work via US1 should plan their commute accordingly. There are five side streets to Micco Road and off the Boulevard (East, Pinewood, Midway, Lark, and Bird). Golf carts on Barefoot Boulevard do not have to pull over for a motor vehicle behind them and also accept the risk of getting ticketed if caught crossing the lines into the pedway. There are no other marked

Birthday Bash: The U.S. Army turned 249 years old on June 14, 2024, dating back to the first Continental Army formed in 1775. Throw a party to celebrate.

Movie Afternoons at the Veterans Service Office: We are having movies on Wednesday at 2 pm or 1400. We have many movies to show on the big screen! Look for what will be playing in the Peek of the Week. At the Barefoot Bay Veterans Service Office. Movies, Popcorn, and Snacks at 2 pm at the Veterans Service Office. Come on in! The movies we are showing in July are "A Bridge Too Far" on 3rd July, "The Longest Day" on 10 July, "The Beast" on 17 July, "Commando" on 24 July, "Raid on Rommel" on 31 July, August "Wake Island" 7 August, "American War Ships" 14 August, "The Great Raid" 21 August, "Flags of Our Fathers" 28 August. Subject to change.

We are now on Summer Hours: Monday, Wednesday, and Friday, 9 to 12 Comp. Claims. Wednesday, there will be 1 to 4 games or other things, as well as Movie Afternoon!

VA Health Coverage While Traveling Overseas: Learn how VA's Foreign Medical Program may be able to help you get reimbursed for care received while living or traveling abroad.

VA Home Loan Update: Allows Veterans to Be Competitive When House Shopping Beginning Aug. 10, 2024, eligible people who use their VA home loan benefits can opt to pay for certain real estate buyer-broker fees when purchasing a home.

VA Providing More Care and Benefits to Women Veterans than Ever Before: Today, on Women Veterans Recognition Day, VA announced that more than 53,000 women Veterans enrolled in VA health care between May 2023 and May 2024, marking a 20% increase over the previous year and the largest enrollment year for women Veterans on record.

Service Dogs Lower Severity of PTSD Symptoms in Veterans: K9s For Warriors is the nation's largest provider of trained service dogs to Veterans suffering from invisible wounds of war. They pair highly trained service dogs with Veterans suffering from PTSD, traumatic brain injury, and/or military sexual trauma—all at no cost to the Veteran.

Arm Yourself: Claim Predators Want to Prey on Your Benefits: Many Veterans seek support and help with filing VA benefits claims for payments they deserve. Be cautious of claim predators, unaccredited companies, individuals targeting Veterans, and benefits for profit.

How to identify claim predators:
1. **Charging High Fees:** Predatory companies charge absurd fees or require you to pay a portion of your VA benefits. Never pay anyone a fee to file an initial claim for benefits.

2. **Making Dishonest Promises:** Don't trust anyone who claims they can help accelerate the claims process and obtain a 100% disability benefits evaluation. Remember, only the VA has the authority to determine disability ratings.

3. **Requiring Binding Contracts:** No one should ever charge a fee to file an initial claim for VA benefits. Never sign a contract agreeing to pay an unauthorized individual/company a percentage of your benefit payment in exchange for help with your VA claim. Learn more about VA-accredited representatives and how they can help you.

Easy Access to Urgent Care: Did you know eligible Veterans can get easy access to urgent care? Read more about

urgent care benefits through VA health care and share the outreach kit with Veterans and their families. https://news.va.gov/128934/everything-to-know-about-va-urgent-care/?utm_source=feature&utm_medium=email&utm_campaign=VetResources&utm_id=13MAR2024

Grant Funding Applications Open Now for Organizations Working to Prevent Veteran Suicide: The VA recently announced the availability of \$52.5 million in funding for grants to organizations that provide or coordinate suicide prevention services for Veterans and their families.

Margaritaville Ship is BACK, only bigger: With a new larger ship, but the same reasons for doing their Cruises. First responders and the military are invited to attend their cruises. Online info Margaritaville At Sea Port of Palm Beach 1 East 11th Street

A Word From the

CVO

Summer has arrived! The heat is here; we watch the weather carefully, and grandchildren and family abound!

The Mini-Golf Course is open again, and so many families, including mine, have already enjoyed their first games. Thank you to the efforts of the Golf Cart Club and Debbie Allen Brown and her crew. Debbie had a vision and made it happen! Barefoot Bay should be extremely proud of the community for stepping up and helping fund it. It is another fun addition to our active way of life that people of all ages can enjoy.

For those of you who have not recently traveled to our beach, the new bathrooms are being built! The old building has been knocked down, and the build is really happening! No longer a rumor or dream....we WILL have a beach bathroom come September 2024. Hallelujah!

August will bring the 55th Anniversary of Woodstock 1969, so the CVO thought it might be fun to celebrate with a "Back to Woodstock" dance on August 3rd. Calling all "would-be" hippies to attend and enjoy with your best costumes from the '60s. Prizes for the Best Dressed Hippie, man and woman! Tickets will be available in the CVO Office on June 24th. Going to be a fun evening as we move and groove to the music of our wild youth! Groovy baby!

The CVO office will be closed for the summer from July 8th until September 5th, 2024, so get your tickets as soon as possible. Just a reminder, the Van Program will continue during the summer months, so please leave messages at 772-663-0633 for the van pickup. We will make sure those messages are heard.

Enjoy your summer vacations, and stay safe, Barefoot Bay! Wear your sun guard, keep an eye on the weather, and enjoy the lazy, hazy days of summer!

A Word From Your Recreation District Chair

Bruce Amoss

BOT Happenings:

05/28/24

The BOT approved the staff-recommended Proposed Budget Mailout. It announced June 25, 2024, at 3 pm in Building D/E, as the date, time, and location of the public hearing for the adoption of the annual assessment in addition to the adoption of the FY25 Budget.

The cost of printing the mailout has increased 47 percent over last year. Mr. Cichon suggested that the Board may wish to consider other options for the future, such as emailing the budget mailout to all residents and having hard copies available at the Administration Building. Our attorney, Mr. Olsen, confirmed that the language in the charter requires that we furnish a copy of the annual budget statement to every parcel owner. In his opinion, furnishing means delivering, but there is no requirement to use US Mail.

Email delivery will suffice. Paper documents would be physically mailed to the owners who do not have an email address on file. Starting now, the owners' email addresses will be collected and updated so as many emails as possible can be on file. Staff can then use the email method next year for major cost savings.

The need for a Policy Manual Workshop was discussed, and it will be held on August 15th. The trustees and staff will review and update the language in the Manual as needed. As always, the meeting will be open to the public.

06/13/24 Regular BOT meeting was Cancelled

An update for housing information:

I visited a local retailer for manufactured housing. I learned that an 800 sq. foot

single-wide (14x60) retails about the same as an 800 sq. foot double-wide (24x36). There are smaller single-wides but no double-wides to compare them to. Under the current DOR, any manufactured home installed on a property in Barefoot Bay Recreation District after 1999 must be 20 feet wide or greater. Singlewide homes are a few feet less than that minimum. To change the DOR to allow a smaller width, an ad hoc committee must first be formed to make a list of changes. At the conclusion of the committee, the new DOR language will be presented to the board of trustees. After approval, a printed ballot must be created and mailed to the lot owners on file. Note: these will be addressed to the lot owner, who is not necessarily the resident at the address. The ballots must be returned, and then each change must be counted and tabulated. This process takes a long time, costing many thousands of dollars.

I also visited a local insurance agency. A certified modular house, which is allowed by the DOR, is considered the same as a "stick-built" house by insurance companies, and the cost to insure is less than that of a manufactured house. A modular house is also built to stricter standards and can withstand stronger winds than a manufactured house. Additionally, unlike a manufactured house, the coverage does not go down as the house ages.

PS: Mini Golf opening July 3rd!

Upcoming:

BOT Regular Meeting: Thursday, July 11th, Bldg. D/E, 1 pm.

BOT Regular Meeting: Tuesday, July 23rd, Bldg. D/E, 3 pm.

The Town Hall Meeting is July 25th, Bldg. D/E, 9 am.

Living with COPD

Chronic obstructive pulmonary disease (COPD) occurs when airflow in the lungs is obstructed. According to the World Health Organization, it is the third leading cause of death worldwide and the sixth leading cause of death in the United States, according to the American Lung Association (ALA). COPD is not curable but can be treated and managed with the help of a physician and by maintaining a healthy lifestyle.

Q. My dad was just diagnosed with COPD. Can you explain exactly what that is?

A. COPD is a lung disease that blocks the airflow as a person exhales, therefore making it difficult to breathe. The two main forms of COPD are emphysema and asthmatic bronchitis.

Q. Both of my grandparents have COPD. I'm afraid I might get it. Is there any way to prevent it?

A. The best way to prevent COPD is to refrain from smoking. Tobacco smoke is the leading cause of COPD, and long-term exposure to tobacco smoke greatly increases your odds of developing this pulmonary disease. If you already are a smoker, you should quit immediately. If you need assistance in quitting, you should consult your physician about nicotine replacement products and medications.

If you do not smoke, you should limit your long-term exposure to secondhand smoke. Even secondhand smoke can contain certain toxic chemicals such as benzene, carbon monoxide, and cyanide. Particles from secondhand smoke can stay in the air for hours, so prolonged exposure can increase your risk of developing COPD.

Q. I think I may have COPD. Can you tell me what typical symptoms are and what I should do if it turns out I have COPD?

A. The symptoms of COPD may include shortness of breath, wheezing, coughing, and tightness of the chest. COPD develops slowly over time, so the long-term effects of these symptoms can cause serious damage. In severe cases, basic activities such as walking, getting dressed, and light exercise can cause shortness of breath and make it difficult to complete these tasks.

If you think that you might suffer from COPD, you should consult your physician.

There are a few tests your physician might conduct to determine the cause of your symptoms:

- Arterial blood gas analysis - Blood is taken from an artery and tested for how well your lungs bring oxygen to your blood.

- Sputum examination—The mucus, or sputum, you might cough up is analyzed, which can help rule out certain cancers.

- Spirometry test- A clamp will go over your nose, and you will breathe into a tube while trying to exhale as hard as you can. The tube is attached to the spirometer, which will measure the airflow rate.

Q. If you have COPD, what is the treatment for it?

A. Since COPD is caused by long-term lung damage, there is no cure for this disease. However, there are some treatments to help control your symptoms and reduce the risk of further damage to your lungs.

If you are a smoker, the first thing that you should do is stop smoking immediately. This is a vital step to take to ensure that your symptoms do not progress into more serious problems.

There are a few medications you can take to treat your respiratory ailment. A bronchodilator is a medication that usually comes in the form of an inhaler and relaxes your airways. Inhaled steroids can also help by reducing the inflammation in your airways. Antibiotics can assist with and help fight infections. All medications should be taken under the care of a physician.

Oxygen therapy might be recommended if you are not getting enough oxygen. Patients can use oxygen when doing light activities or sleeping. Portable oxygen tanks are useful for daily activities.

Q. What kind of lifestyle can I have with COPD?

A. There might be some activities you have to give up when living with COPD. However, there are various things you can do to help you manage living with COPD:

- Ask your doctor for breathing techniques to use throughout the day when you feel short of breath.

- Keeping yourself healthy with exercise and diet will keep the rest of your body strong.

- Vaccinate yourself to help avoid worsening of symptoms. Vaccinations are the greatest defense against respiratory illnesses such as influenza and pneumonia.

- Minimize cold air exposure to help avoid triggering shortness of breath.

- Attending support groups will help you by sharing your emotions and fears with people who know what it is like to live with COPD. Search out local support groups for you and your caregiver to better support yourself and your loved ones.

Maintaining a healthy lifestyle will help keep your body healthy and avoid unnecessary illnesses that will further infect your respiratory problems.

For more information about COPD and its treatment, please visit www.mayoclinic.com or www.ncbi.nlm.nih.gov/.

This information is for educational purposes. Please consult your physician regarding any medical issues. The Visiting Nurse Association (VNA) is committed to bringing trusted and quality home health, private care, and hospice to Indian River County patients. G-A+Z-ETTE

News for Gen A and Gen Z

I hope you are having a fantastic summer with your friends, enjoying the Barefoot Bay pools and amenities!

LOL has exciting news! The Barefoot Bay Artist Guild has offered to join us for monthly Craft Days to teach you and your siblings art techniques! On July 6th, we will meet at Building E at 10:00 AM to paint a beach scene and decorate it with seashells. We will also paint rocks that can be added to "Sadie" Under the Oaks.

On August 3rd, we will meet at Building A at 10:00 AM. Our project details and sign-up are posted on the LOL FB page. Thanks to our Father's Day Event and Holy Cannoli Cookie Fundraiser, these craft events are free. Thanks to everyone in the Bay who supported us!

Our Macrame and Father's Day Events were huge successes! You and your siblings are talented artists, and we look forward to seeing your talent grow under the direction of experienced artists at the Artist Guild! A huge thank you to our parents and all of our volunteers who taught techniques and helped us with these events!

Let your neighbors and family know they are welcome to cheer you on at Summer Softball at the softball field on Tuesdays and Thursdays. Kids arrive at 5:00 PM, and we suggest spectators arrive at 5:30 PM. If you haven't signed up but want to join us, call 360-566-3427. Visiting kids and grandkids can join if they sign up before practice.

LOL Teen Billiards Night, for ages 13 - 17, is July 26th at the Billiards Room, which is in the back part of Building C, near Pool 1. Contact LOL if you don't have a badge.

Young Christians is a non-denominational youth group that meets in Building C on July 9th and July 23rd from 5:30 PM - 7:00 PM. Meetings include pizza, Bible study, and a craft. RSVP to Lynne Fraser at 239-404-4788.

You might still be able to sign up for BBRD's Free Summer Golf Camp by calling 772-664-3174 ASAP. Camp is limited to 40 players and starts July 8th.

Christine and I will see you soon! We love it when you yell "hi" to us as we drive by you in our golf carts!

ZUDANSEYE SURGERY

**WHAT DO YOU CALL A DEER WITH NO EYES?
 NO-EYE-DEER**

Dear Valued Patients,

Glaucoma is a stealthy disease of the optic nerve, where prolonged high pressure can lead to irreversible damage. Like blood pressure, we can't feel our eye pressure, making early detection challenging. Primary open-angle glaucoma (POAG), the most common type, often progresses silently, with no symptoms until irreversible nerve damage has occurred. The optic nerve, much like the cable for your TV, is the only connection between your eyes and your brain.

POAG requires preventive management. However, eye pressure alone isn't enough for diagnosis, as individuals have varying pressure sensitivities. Some with elevated intraocular pressure (IOP) have ocular hypertension (OHTN) but don't develop glaucoma, while others, despite statistically normal pressures, develop normal tension glaucoma (NTG), leading to nerve damage.

Ophthalmologists use specialized tests like optic nerve scans (OCT), photography, and visual field tests to monitor changes over time. The hallmark signs of glaucoma include optic nerve thinning, increased cupping, and peripheral vision loss.

Early diagnosis is crucial, as nerve damage is irreversible. Fortunately, modern treatments like selective laser trabeculoplasty (SLT), prescription eye drops (often blood pressure meds in drop form), and minimally invasive glaucoma surgeries (MIGS) offer effective management. MIGS, often combined with cataract surgery, safely lowers eye pressure with minimal added risk.

Regular eye exams, especially for those with a family history or suspicious optic nerve appearance, are essential. Without testing you will have no-eye-deer—prevention and early intervention are key to preserving your vision and quality of life!

Warm regards,
 Val Zudans, M.D.

Barefoot Bay Mini Golf Course Restoration Update!

We are happy to say that the Mini-Golf Course restoration is almost complete, and the opening is right around the corner.

The turf installation has been finished, and thanks to our property services team, the obstacles have been refreshed and reinstalled, new gravel has been laid in all the walkways, and donor recognition signs have been installed at all the holes and benches.

Thanks to the support of our generous donors, we were able to include the planting of 11 new trees in the fenced-in area and two picnic tables, making this area not only a place for the kids and grandkids to have fun but also a nice place to sit with shaded areas.

There are so many people to thank for their support of this project. It had a bit of a slow start, but once the momentum took off, there was no stopping it. A big Thank You goes to the people of this community who had faith and donated. Without the cash, this could not have happened. Special thanks go to the Fundraiser Committee under Debbi Brown's leadership for all of their hard work and the time that they gave to make this a reality.

The mini-golf course will soft open on Monday, June 17th, and officially reopen on July 3rd after the parade. We are also looking into having a Fun for the Whole Family Day and Sponsor Reception sometime in the fall when all of the "seasonal" residents have returned. I'm sure we will all look forward to playing a round or two when we return in the fall.

Have a safe summer!

Lagoon Artisans Featured Artist

July Feature Artist

Feature LABB Artist Richard Zoehrer comes to artmaking with an engineer's perspective and a family that included Sunday painters, a cartoonist, and a mother who sold dinnerware glazed with her original art. Richard has painted, sculpted, and photographed since he was young.

When he reached his seventies, he became intrigued by abstraction, which is his milieu today.

He has experimented with traditional brushwork on large and small canvases, acrylic, watercolor, and alcohol inks. He has created action paintings on commercial canvases, but more recently, he has poured paint on his own non-conventional shapes of frames on canvases he stretches for himself.

At eighty, he's experimenting with the new, catching up to the past, and he's not slowing down.

Continued from Page 1

pedestrian zones in Barefoot Bay. Pulling to the side makes sense, regardless of vehicle type, when someone is right behind you, which can be difficult to avoid when you're going less than 25mph.

These facts were also presented during the lively discussion in Building A. Golf carts that can exceed 20 mph must be licensed, registered, and insured and can only be driven by a licensed driver. Golf carts that do not exceed 20 mph can be driven by anyone over the age of 14 years old. You can have no more passengers than seats available. Three people in front of a golf cart would be illegal. A DUI is a DUI, and getting stopped on a golf cart will not save you from jail or an SR22. You can drive your cart to the entrance of the Winn Dixie shopping center, but not along the sidewalk towards the pier, so legally, Family Dollar can not be visited by golf cart, nor can you drive to the Cumberland Farms, because golf carts and low-speed vehicles are not allowed on US1 or any of the trails along US1.

Most importantly, you can cross Micco Rd in a golf cart in only two places, East Drive and Egret Circle/Sebastian Road. It is illegal to cross Micco Road (regardless of signage) from any street other than those two intersections since you cannot drive on Micco Rd. or the sidewalk on Micco Rd. There is an exception to this rule if your golf cart is licensed, tagged, insured, has seat belts, and can travel 25mph, but the golf cart must drive on Micco Road and not the sidewalk. (Unfortunately, you cannot take your golf cart to St Luke's (for church, bingo or the thrift shop), even if you live on the south side of Barefoot Bay, because you cannot drive on Micco Rd or the sidewalk on Micco Rd. One of the most dangerous things we can do in Barefoot Bay is cross Micco Road in a golf cart, broadside and unprotected, even at the approved intersections.

Many of the residents were new and appreciated the efforts of the BCS and the Golf Cart Club to make them aware of the legalities associated with driving a golf cart through Barefoot Bay. Additional efforts are being made by the Golf Cart Club to add or change information signage and to permit access to Kiwi Drive across Fleming Grant Road, but these are for future consideration by the county and are unlikely to happen anytime soon. For those that find these rules "different than it was," these are the legal rules of the road in Barefoot Bay. For those that are "gonna do what I want," if you get pulled over and ticketed by BCS, it will probably only cost you \$60+ for a ticket and some minor annoyance, but it only takes one serious injury or death to prompt Brevard County to reconsider our golf cart privileges in Barefoot Bay, an amenity you may not have even considered an amenity. Follow the rules of the road, and drive with care.

Artists Guild Artist of the Month

Barefoot Bay Artists' Guild is proud to announce that the Artist for the month of July is Ruth Feldman.

Ruth is a graduate of the Museum of Fine Arts. She works in many different mediums but prefers abstract art. She believes that art is about stories, and the stories have many layers. Her art reflects this belief. Attached is one of her paintings. You may view more of her work in Bldg. A from July 1st to July 31st.

August Issue Publishes - July 26, 2024

AMERICAN LEGION AUXILIARY #366

American Legion Auxiliary, Unit 366, joined American Legion, Unit 366, in a moving Memorial Day program in Building A. It was geared to honoring those who have served and those serving today. Those in attendance were respectful, pleasant, and appreciative of the efforts of the Legion.

Our ladies will not meet again until September 2024; however, we will still be actively preparing for the coming meetings and various fundraising programs in support of our veterans. New members and guests who wish to attend our meetings are always welcome.

Two of our members will be attending Florida's annual auxiliary meeting in June. This meeting keeps us informed and privy to upcoming events and changes.

For God and Country,

Sue Reddy,
1st Vice President

ARTISTS GUILD

Hello from the BFB Artists' Guild.

We are thrilled to announce the Barefoot Bay Artists' Guild will be mentoring the children and teens with the LOL Group and will be creating heaps of art projects, plus planning future events. The LOL Group is looking forward to our involvement with fun activities for the kids in Barefoot Bay, and so are we. Maybe someone in the group will be a famous artist someday. On July 6th, in Bldg. D from 10 a.m.- 1:30 p.m. Artists' Guild members will be helping them paint an ocean scene with palm trees and shells. We plan to have events like this every Saturday of each month, along with a special event for people who want to buy homemade presents for Christmas. We also ask everyone in the community to please save clean bottle caps for a future mural with the group. You can drop them off at the Morning Craft Club in Building A from 9 a.m. to 11 a.m. or at all events, including softball. Stay tuned for what we have in store for them.

The Artist of the Month of July is Ruth Feldman; please see the article posted later.

Many exciting projects are on the Horizon. We would love to have you join our Group. The cost is \$15.00 per year. The Barefoot Bay Art Guild is a year-round Art Club. We would love to have you join our group. The cost is just \$15.00 per year, and we meet every 1st-3rd-and 4th Friday in Building D/E from 1 p.m. to 4 p.m. Even though some activities in the Bay slow down for the summer months, we have many exciting workshops during the summer led by members who volunteer to show different art media. We welcome anyone who is interested in becoming a potential member or guest. Come to one of our workshops and see what we are all about. Please contact our President, Dorothy Buchmann, at barefoot-bluedot@gmail.com if you would like to join our fun Group.

Until the next Tattler issue, stay safe, stay cool, have a grand summer, and enjoy life's blessings.

Bonnie J. Murphy

BAREFOOT ANGELS

Be the change you want to see in our neighborhood. Barefoot Angels Community Advocacy is recruiting volunteers. We operate on a "neighbors helping neighbors" model. Orientation sessions are 6-730 PM in building D/E for the following dates: Thur. 6/20/24, Tue. July 2nd & Thur. July 18th.

Please visit our website for more information @barefootangels.org. Phone: 321-522-9321; Email: barefootangels1@yahoo.com

BLOCKS OF FUN SEWING AND QUILTING

As we get ready to kick off summer with the parties and the BBQs, we are still here sewing and quilting, getting out of the heat, taking a break, and having some fun learning to sew or just joining in for a fun project. We will be here through the summer as usual.

We will be working on some holiday fun, and we only have a couple of openings for the summer right now. If you are interested, please give me a call And leave a message. Looking forward to meeting you. And if you're just interested in learning, that's what we're here for. Bring your daughter or granddaughter to learn a skill this summer; we can accommodate most ages, and don't be shy, guys; there are some great men quilters and sewers. We meet every Thursday from 1230 to 330 in building C next to building A. Some supplies provided you bring your own material for projects, and a machine is not necessary. A couple of machines are available for use. However, we can teach you on your machine if needed. Call if you have questions!

Shawna Greene
President
772-233-7350

Club News from Page 12

The club is on "break" for the summer, with plans to hold the annual October Fest at Micco Park pavilion when snowbirds begin to return.

The club needs two or more individuals to host this event. Details and assistance are in place, but we need someone to take the lead. If you or someone you know is interested in taking the reins for the fall event, please contact Jim Hale at 618 314 3542 or a club officer.

BRITISH CLUB

We had our first Summer Fun night on Tuesday, May 7th, at building A, with the largest crowd we have had attend. Our meal was French Dip with mushrooms and onions on a hoagie roll. French Fries, coleslaw, and an amazing brownie for dessert! The food was delicious, as always. Four \$25.00 raffle shares were given out, along with a couple of gifts donated by Betty Marks.

Lots of laughs were heard throughout the night as folks played games. It looks like the card game Screw Your Neighbor is the most popular, with lots of oohs and ahahs happening all night.

Next month, our Summer Fun Night will be held on the third Tuesday of the month - June 18th—in building A. Our meal will be BBQ Pork Ribs, au gratin Potatoes, whole Green Beans with rolls, and Icebox Cake for dessert. The bar will open at 5:15, and dinner will be served at 6:00 PM.

Tickets are \$15.00, and you do not need to be a member to attend, so bring a friend or two. Please contact Debbie O'Hara at 321-408-1687 for tickets by June 13th.

Stay safe and healthy!
Cheers,

Cyndie Bourassa

CHESS CLUB

Chess Club meets in Building C 8:30 -12:00 every Wednesday. All skill levels are welcome.

On the 1st Wednesday, we offer instruction if you would like to learn or improve.

Come join us; you are welcome to come and watch.

COMPUTER CLUB

Prepare-Prepare-Prepare! That is good advice for this storm season. We have recently seen many other emergency weather issues, such as fires, floods, and tornados. How can you prepare for those? Now is the time to think of evacuations, especially as an emergency, with no time to prepare. There are hundreds of articles, videos, and columns written about gathering your important papers, insurance policies, and things you can't replace, keeping them together and ready to take with you. I would like to add something to help you with those emergencies as well as the planned evacuations. Actually, the advice works for vacation times, hospital visits, and any time you are away from home.

Use your smartphone or tablet as your resource to prepare. A photo of the front page of your auto policy- the one that has your policy number, your vehicle number, and the phone number to call for claims is all you need to take with you. That other 1/2 pound of paper is information the insurance company already has- relating to your policy. Carrying around that paper is bulky, taking up valuable space, and heavy. The same is true of your life insurance, house insurance, health insurance, and any other insurance policies you may have. With these photos on your camera, you have the information you need wherever you are. In addition, photos of your driver's license, car license plate, and medication list provide quick access to the information you need wherever you are. This would be a good time to remind you all to use the calendar features on your smartphones to register appointments along with important information like the phone number and address of the facility. Having

all appointments and reminders located on your phone will allow you to see each day what you have to do today and also for the coming days and weeks if you are away from home. Including the phone numbers of your repair contractors will also save you time and energy if you need to begin the process of scheduling services. This doesn't require taking your appointment book, calendar, and business card files with you, saving space for other things. For many people, online banking services, online shopping, and so many other applications available on smartphones provide instant resources and information covering weather alerts, power outages, and flooding. Your smartphone is a great resource for you to prepare, and it will save you time and energy in case you need to leave your home suddenly. Make sure you keep your phone fully charged and have the charging device ready to go. Many people keep an additional cable in the car for convenience. It is also a good time to look for power-paks that provide re-charging when you have no power. You might also look for a power-pak that is solar-powered; this will give you limitless recharging power without an electric connection. These devices are available at local stores or online. Yes! Prepare! Prepare now to make life easier as you enjoy the summer and also be more prepared for faceless, enjoyable times. The Computer Club will be meeting again in September, but the members are always ready to help with any concerns you may have. Have a safe summer, and prepare now!

CONSERVATIVE CLUB

Hi Everyone, I'm Sorry I missed last month. I had Nothing to report. Now that the dust has settled and all bills have been paid, we look forward to our meeting on June 27th at 2:30 p.m. at Bldg D&E.

We will be hosting recipients from different organizations who will be receiving donations from our "Elvis" Fundraiser. Each guest will speak briefly about their organization and what it represents. Hopefully, we will have pictures posted in the next issue of the Tattler.

We have added America First to our Club's name in the hopes that we will no longer be considered a political Group. As I have stated before, we are American Patriots who Love Our Country. All Americans are welcome to join us. We support God, Country, Family, and Community. We also support the Convention of States, and I encourage interested parties, as well as our members, to participate in this endeavor. Watch Facebook and emails to learn more about what is currently happening and How & When you can participate. Until next time.

Ruthie

DEMOCRATIC WOMEN'S CLUB

We give a shout-out to those who celebrated Pride Month and to those who celebrated Juneteenth recently. This July, we ask everyone to celebrate our great country's heritage by focusing on developing a better understanding of how our democracy works and of the responsibilities each of us has to protect and preserve it. Voting for the candidates and issues of your choice is vital - at the local, county, state, and national levels. There will be six Florida constitutional amendments on the November ballot, which we plan to discuss this fall.

Registered voters in Barefoot Bay who are either Democratic or Independent (NPA's) exceed those who are registered Republican [on 06/10/24]. The Florida August Primary is 53 days away [August 20th]. Verify your Voter Registration before 07/22/24. Request your Vote-By-Mail ballot before the 08/08/24 deadline. You may vote early at any of 10 sites in Brevard County from 8/10/24 to 8/17/24. The nearest Early Voting site is Tony Rosa Palm Bay Comm. Ctr., 502 Port Malabar Blvd., NE. [14 mi. away]. Remember, every vote counts. Go online to <https://www.votebrevard.gov> to register,

WE'LL KEEP YOU MOVING

With robotic-assisted joint replacement, you could be home the same day.

Whether your goal is to run a marathon or simply reach the top shelf, you want the best results. Cleveland Clinic Indian River Hospital's orthopaedic surgeons offer the latest in robotic-assisted joint replacement surgery and same-day discharge. They have the training and experience to get you back to full speed. For hips and knees. For shoulders and feet. For every care in the world.

Call 877.463.2010 or visit ClevelandClinicFlorida.org/OrthoDoctors to find a Cleveland Clinic Indian River Hospital orthopaedic surgeon.

Club News from Page 13

request a Vote-By-Mail ballot, check your status, or call 321-290-8683 for more information.

If you are a registered Democrat from any state, please join us. Both men and women are welcome! Independents are encouraged to attend as guests. We normally meet on the 3rd Thursday of each month, at the regular time of 3:30 pm in Bldg. D, next to 19th Hole. We have a small lending library for members of political books. If you wish, bring a donation to our meeting for the local food pantry. You may leave a message at 772-252-9679 or email to dwcbbay@gmail.com.

GERMAN CLUB

The German club will be hosting a luncheon for all of Barefoot Bay on August 1, 2024, at 12:00 noon. It will be held in building E, which is located next to the 19th Hole. Tacos, either hard or soft shell, and dessert will be served. The cost will be \$13.00 per person. To get tickets, please contact Debbie at 860/383-5089 or Brenda at 609/335-3751.

We ask that you contact them by July 29, 2024.

Bring some quarters and join in on the fun game of "Pass the Trash"

It only takes 4 quarters per game, and we play two games. Guaranteed to have some laughs with this game.

Let me say again that this event is open to all of Barefoot Bay, so members of the club, please ask a guest. If you are not a member, please join us.

I would like to take this opportunity to wish everyone a "Happy 4th of July." Let's not forget to thank everyone who has served to keep our country free.

Did you know that Irving Berlin wrote the song "God Bless America" in 1938? Kate Smith sang it on national radio on November 11, 1938. And as they would say, "The rest is history."

Gott segne Amerika
God Bless America

ITALIAN AMERICAN CLUB

Our summer pizza gatherings are off to a great start. We had a fantastic turnout last month. Remember, the fourth Thursday at 5:00 PM in the lounge by pool # 1. Pizzas will be delivered at 5:00 PM. The donations were wonderful. We had an evening of pizza and fellowship at no cost to the club. I'm very impressed by everyone's generosity. It gives us a chance to help some unfortunate folks during the coming holiday season. I'm so looking forward to seeing the membership gather on the 4th Thursday of each month. Thanks for the continued support.

Ron Fashano
President

LAGOON ARTISANS

LABB artists are busy creating new art for the coming season. Several have displays and entries in local galleries and museums.

This supports our mission to support each other as fine artists while having fun and creating opportunities to show and sell our work. Many members belong to other art associations and galleries to gain the widest exposure to their art. Creating it is one aspect; selling it is another that takes much effort.

LABB meets every second Wednesday, October through April, at Building D/E from 10 to noon. Meetings involve routine matters, techniques, skills demonstrations, and managing the art shows. Local artists interested in exploring opportunities are encouraged to call President Georgene Granholm at 908-337-9400 or me and plan to attend a meeting or show. We enjoy meeting new artists sharing and learning with each other.

The 2024-25 season show dates are November 30, Holiday Show; Sunday, January 26th, Car Show; March 15th; and April 26th. Except for the January show, all are in building A from 10 to 3 on Saturdays. A fun art day can be found in Cocoa

Village, which has several art galleries and, one of my favorites, a doll house and miniature store within a few blocks' walk. You can also dine at Al Fresco and in air conditioning.

The artist featured this month is Richard Zoehrer, who works in a wide range of media, focusing recently on acrylic pour abstractions. Richard recently joined the LABB group.

Email me if you wish to join our contact list and keep up to date with club events. LABB also has volunteer opportunities at our shows for folks who would like to engage in the art community.

Learn with us, create with us, and add a little color to your life with us.

Dan Martin, Secretary
609-432-1059

LINE DANCE CLUB

Learn to line dance to country classics while supporting our local veterans, their families, and the Barefoot Bay Community.

The Barefoot Bay Line Dance Club will meet on Thursdays in Building A. The instructor will be Dona Gionet, assisted by Eileen Derrick.

The schedule will be:

9:30 a.m. to 11 a.m.- Beginner class with instruction.

11 a.m. to 11:30 a.m.- Improver level with open dance and requests.

The cost of each class will be \$5 for Barefoot Bay residents and \$10 for non-residents. Please remember to bring your badge each week. A portion of all monies collected will go to the Veterans at the end of the season.

The October schedule will be October 3, 10, 17, 24, and 31.

Have a great, safe summer. Enjoy your weather wherever your travels take you. Keep up your line dancing.

See you on the dance floor in October!

Joanne Blum, President
Jill Anderson, Vice President
Doris McNamara, Treasurer

LOL YOUTH GROUP

See the G-A+Z-ETTE article on page 7.

OPEN MIC CLUB

Hello Music Lovers! With the Summer season upon us, the move inside to building D/E continues. This month, our dates to play are July 2nd, 9th, 16th, and the 30th. As always, check the Barefoot Bay Open Mic FB page for any updates that may impact our schedule or site. While performing inside Building D/E, beverages, and food are available at the 19th hole. July 25th will be the Open Mic Club night at the Sebastian Moose. Please check our FB page for the latest updates regarding this performance. A big Thank You to all of you for coming out and supporting our club and all of the artists who perform for you. So mark your calendars and drive, walk, bike, or golf cart over and enjoy the free sounds of the Barefoot Bay Open Mic club every Tuesday this month in building D/E from 1:30 to 4:00. See you there.

SENIOR SOFTBALL

Though the softball league's season has ended, games are still being played on the field. Teams are chosen each Tuesday and Thursday morning, a little batting practice is had, and pickup games are played. Everyone over 60 (or even close to 60), guys or girls, are welcome to play. You are not required to be a member of the Barefoot Senior Softball League to participate. Just a desire to get a little exercise, meet some new friends, and have a little fun regardless of your ability to hit a ball. Batting practice begins at 8:00 AM, and we start the game right afterward. If you are concerned about getting injured, we play a very safe game; no sliding into the bases, contact on the base paths between runners and fielders must be avoided, and batters can request a substitute runner, just to name a few rules we have for player safety. So even if you're just a little bit interested, come on out, see what's happening at the field, and have a good time. See you there.

LIBRARY HAPPENINGS

South Mainland Public Library Summer Reading Programs (SRP)

Adults July 2024

Adult Bingo – June 1st to July 27th

Prizes will be awarded for completing a vertical, horizontal, or diagonal row of squares, reading a book, or completing an activity for the designated square. There is a grand prize for a blackout (complete each square on the card by 7/27/24).

Movies at the Library – 1st Thursday of each month at 1:00 PM

• July 4th – No movie will be shown as the library will be closed for the Independence Day Holiday.

Mystery Book Club – 2nd Tuesday of each month at 2:00 PM

• July 9th – Jamaica Me Dead by Bob Morris.

The last session is until the Fall.

Adult Crafts – 2nd Thursday of each month at 1:00 PM

• July 11th - Our staff will assist you with the monthly project. A \$5.00 fee will be charged for supplies when you pre-register at the Circulation Desk. The monthly project for July will be DIY Bookmarks.

Third Thursday @ Three Book Club – 3rd Thursday of each month at 3:00 PM

• July 18th: The Ice Cream Queen of Orchard Street by Susan Jane Gilman.

The last session is until the Fall.

Free Medicare Seminar – Tuesday, July 16th at 6:00 PM

Discussion on Part D RX plans, Medicare Parts A & B, deductibles, and Supplement and Advantage plans. Please call or text Kim Adkinson Cowles at (321) 305-2554 for questions and/or to RSVP.

CHURCH NEWS

CONCORDIA LUTHERAN CHURCH

300 Barefoot Bay Boulevard
 Sebastian, FL 32976
 772-664-1104
 www.BarefootLutheran.com

We are definitely in our summertime season—God plans the seasons, and then we are surprised when the hot weather comes! Don't we understand that it is all in His Hands? With the temperatures rising, we all understand why our wonderful snowbird friends have left us to enjoy the cooler days and spend time with their friends and families up North. We pray for their safety in traveling north and coming back.

Concordia is a small church whose members worship a Big God. We share each other's joys and sorrows, and we are able to pray for each other because we are all members of God's family. Speaking of families, ours increased when three lovely women committed to be a part of Concordia on June 9th. "Welcome"

We have a dedicated choir led by our musical director, Jimmy. He leads them and us through worship every Sunday. However, during the summer months, they take a vacation, and while they are enjoying some time off, we have individual members who share their various talents. We have been blessed to have so many God-given musical abilities and people willing to share their gifts with the rest of us throughout the summer season.

Our outside patio, with railings, is now complete and ready for our next outdoor worship occasion. Feel free to go check it out. Thanks to all who helped bring this project to completion.

We pray for safety from storms and remember the words of 1 Peter 5-7: "Cast all your anxiety on Him because He cares for you."

Come join us any Sunday at 10:30 a.m. for Pastor Jim's homily, prayers, and singing with this family of God.

O Beautiful for Spacious Skies

The great hymn we are going to look at today, a day on a holiday weekend, is what I like most about "O Beautiful for Spacious Skies." It is something so biblical, and that is its position. Now, its lyrics were penned in conjunction with a trip to Pike's Peak in Colorado. Katherine Lee Bates, an English professor at Wellesley College in Boston, visited that mountaintop in 1893 and began a poem inspired by the view. A Baptist minister later put the words to a tune someone else wrote. In the end, we have a piece some say is an alternative national

AL Facility License #11650

Church News from Page 16

anthem. But when I say "position," I do not mean a mountaintop. Rather, what I mean is that the hymn is both in America and beside it.

Abraham was called to leave his country and follow God. Abraham became, in that stepping out of his home in Ur of the Chaldees, a God-person first and a Chaldean second. He, I think we might say, loved Ur of the Chaldees, but he also, heeding the call of God, stepped out of it. He had been in, and then he was beside. That's what I mean by position.

This is important because sometimes, to see something rightly, you have to be in it and also beside it. If you want to see your automobile correctly, you have to be in it, but you also have to get out and walk around it. Katherine Lee Bates, in this hymn, exults in the purple mountains of America as she stands there on Pike's Peak. She's in her homeland, loving it. But then she steps out of it as it were and prays for it – "God, shed thy grace on thee (America)." When you sing this hymn, you are in America appreciating it and, beside it, praying for it.

KNOW THE ABC'S OF MELANOMA

A is for **ASYMMETRY**. If you draw a line down the middle of the mole, you will find that each half of a melanoma doesn't match in size.

B is for **BORDER**. The edges of early melanoma are quite likely to be irregular, crusty or notched.

C is for **COLOR**. Healthy moles are uniform in color. A variety of colors, especially black, white and/or blue is worrying.

D is for **DIAMETER**. Melanomas are usually larger in diameter than a pencil eraser, although they may be smaller.

E is for **EVOLVING**. When a mole begins to change in size, shape, color, or features or develops symptoms like itching, tenderness or bleeding, this points to danger.

What KILLS?
Skin cancer - at a rate of one person every hour.

What SAVES lives?
Early detection and prevention.

ELIZABETH MEREDITH, PA-C
