## HB 949 Raises Age to Drive Golf Carts

By Robert Allan

Florida HB 949 is now law and directly affects anyone driving a golf cart in Florida. The law, effective October 1, 2023, changes the legal age to drive a golf cart from 14 to 16 years of age and requires anyone younger than 18 years of age to have a valid driver's license or learner's permit. Anyone 18 and over will be required to carry a valid government picture ID, though a valid driver's license is not required. A photo ID was considered necessary for everyone operating a golf cart to allow enforcement of the age requirement.

The Florida House acted after several serious accidents involving teen drivers made news the past year. Most are aware that young golf cart drivers are not the only golf cart drivers that either are unaware of, or completely ignore, the rules of the road. The law may not cut down on the number of serious accidents in golf carts, but will protect younger people from those risks. Unlike Viera, which has a significant number of students who use golf carts to go to high school every day, Barefoot Bay is not likely to experience the same disruption that other communities may face with the change in the law.

Barefoot Bay is one of a few select communities in Brevard County where golf carts are allowed to drive on county roads. HB 949 specifically applies to golf carts that do not exceed 25mph, since faster electric vehicles are already required to be registered and insured, and the driver must have a valid driver's license when operating the vehicle on Brevard County roads.

HB 949 may not be popular among young teens in Barefoot Bay, since most couldn't wait until they turned 14 and could finally drive, even if less than 25mph. This well-intentioned law will protect them. The rest of us, who would watch with consternation whenever we saw young people driving carelessly, can breathe a little sigh of relief. This is a good law that made sense in a bad situation.

*(Editor's note: No one is required to show an ID while driving a golf cart unless there has been a traffic infraction or an accident where law enforcement is involved. We may assume that a person looks too young to drive, and that may be true, but calling the sheriff about a "young" driver is a waste of time. The only time that HB 949 (effective October 1, 2023) can be enforced is if a deputy or officer, actually witnesses a traffic infraction and pulls the driver over. No one, including an underage driver, is required to produce ID unless they have actually broken the law. That's true of any encounter with law enforcement.)*

## 88 Ways to Connect in Barefoot Bay!

There's plenty of things to do in Barefoot Bay. You can ride bikes, fish from the pier, visit the beach, dance at the lounge or watch the NFL on Sundays at the 19th Hole. If those activities don't interest you, you might like to take a few minutes and check out the list of **88 clubs** registered with the Barefoot Bay Recreation District that are listed in the center spread of The Tattler this issue.

Many of the clubs in Barefoot Bay are seasonal and coincide their activities and meetings with the coming and going of the snowbirds. Others meet every month or more frequently. Please take the time to view the listing of clubs and contact the club(s) directly if you'd like to join them. Please note that you don't have to be Polish to join the Polish club or know anything about computers to join the Computer Club. Barefoot Bay is blessed with wonderful people who start, organize, and run these clubs so you can enjoy socializing with your friends and neighbors in Barefoot Bay. You might even learn a little Polish or how to clean up that desktop computer. With 88 clubs, your options are pretty much unlimited.

What?!? You can't find a club with your interests? You should consider starting your own club. A club packet is available from the District with all the rules and policies that must be enforced while using District resources. Lori Kenney, BBRD Calendar/RV Coordinator, handles club requests (LKenney@bbrd.org). If you're interested in starting your own club, you'll need to schedule an appointment and see what rooms/facilities and dates are available for your club to meet. You will have options, though they may be limited by other clubs and the

dates they have their activities. Once the fine details have been worked out, you will be provided a packet to fill out for approval by the Community Manager. Once approved, your new club will be added to the District calendar depending on how often you meet. Clubs that meet more than once or twice a month are on the front of the Calendar and those that meet weekly are on the back.

The club packet provides the information required to start a club as well as the Policy Manual for use of the facilities. It's up to you to decide how much space you will need, whether you want to charge dues, fees, or request donations for your meetings/activities, etc. You should assign officers and a treasurer, if you intend on collecting money. You can invite people to join your club from outside Barefoot Bay, but you are asked to collect fees owed to the District for their participation. It's quite a commitment to start and maintain a club but expect others to have your same interest, appreciate your efforts and want to participate in your activities. Whether starting or joining a club, the meetings should be about getting people together with shared interests for entertainment, possibly learning something new, and of course, to socialize with others.

Whether you join a club or are thinking about starting one, Barefoot Bay provides a wealth of opportunities and information on just about any interest.

Have fun! Join a club!

We at the service office and The Veterans Council want to wish Raymond Bourgault a great summer. We will be passing the directorship of the Veterans Council to a new director, and I will be taking the Honor Flight to Washington, D.C., all of it leading to having a great summer.

**New Hours at the Veterans Service Office**—We will be going on Summer hours this month so be aware we will have changes for the summer. Two days a week, the Service Office will be open and one day a week, it will be open afternoon hours. We will also have a movie day in the afternoon hours. You can add that to the list of things to do during the summer. Look for the posting in the Peek of the Week or on the door or in the window as well as the Peek of the Week for the hours.

**Look forward to MOVIE NIGHT At the Barefoot Bay Veterans Service Office**—We have some great movies to show you all. Popcorn. Look in the Peek of the Week for movies and times. All Veterans and Family are welcome.

**Memorial Day Service**—Will be held by the lake under the oaks on May 29th starting at 11 a.m.

VA has emergency buttons to call 911. You can wear it on your neck or attach it to your wrist or use the attachment for your belt. For further information, call or come into the service office in Barefoot Bay. You will have to see your doctor at Palm Bay or Viera Clinic or Orlando. It is free to any veteran that might need one. The button is good anyplace in the U.S.A.

**WARNING Predatory Law Firms Scam for Benefits**—Have you recently been aggressively contacted by a company or law firm regarding legal representation to file your PACT Act or Camp Lejeune presumptive VA claim? Dishonest attorneys are messaging Veterans with offers of assistance but charge inflated fees. The VA will help gather the necessary evidence to support it. There are no costs or hidden fees to apply. Apply directly to VA securely online or in person at any regional office. Or at the Veterans Service Office.

**Line dance on Mondays**—from 9 a.m. to 11 a.m. in Building A. \$5 dollar donation. The proceeds go to helping Veterans. Will resume in the Fall of 2023.

**Come into the Service Office for information on the Buddy Check program**—The Service Office and the Service writers have all the information and sign up forms. Call them to see how you are and if you need help. You can also call and leave a message for a call to sign you up—772-663-0645.

**New Law Helps Survivors Get VA Benefits**—A new law Pact Act makes it easier for survivors of Veterans exposed to toxic material, including burn pits, to receive Dependency and Indemnity Compensation (DIC), tax-free benefit payments available for certain surviving spouses, children, or parents. Finally, after 50 years we are getting help.

**American Legion Auxiliary partners**—with VA to help Veterans. Way to go, Ladies! Thank you for your support of all Veterans, and not just American Legion Veterans.

**Still looking for Hosts and Hostesses**—For “The Veterans Meeting Center.” You can also email us at: veteranscouncil32976@gmail.com. Our area in the building is like a day room where all can gather, talk, play cards, play games, or read. We have a library with many books for you to read, and lots of people you can talk to.

The Veterans Council Office is at 931 Barefoot Blvd #1. Phone 772-663-0645. If you need a ride to Viera VA Clinic, contact us! Mondays, Wednesday,s and Fridays from 9 a.m. to 12 noon and from 1 p.m. to 4 p.m.

We Served and Now We Serve! Hope we see you at The Veterans Meeting Center.

## A Word From Your Recreation District Chair

**Happenings at the BOT meetings ...**

A budget workshop was held in the evening of April 20th. Discussions were heard on various jobs included in the proposed budget and the fee increases coming to the year 2024. The proposed budget mail out is due to be approved at the May 23rd BOT regular meeting. During the regular Tuesday meeting held on 4/25/2023, the National Day of Prayer Proclamation was presented to Lynne Kahl. Ms. Kahl invited the public to participate in the National Day of Prayer. It took place on Thursday, May 4, 2023, Under the Oaks.

Pool #1 Designated Smoking Area has reared it's ugly head again. The consensus is to place a smoking area away from the majority of residents attending the band stage and other crowded spaces during events. Our attorney was tasked with researching the current Brevard county, Florida laws and codes. More to come.

May 11th meeting saw the approval of Ann Hansen to fulfill the vacant BOT position. Welcome to the board Ms. Hansen. She will be sworn in at the May 23rd meeting. The nepotism rules were voted to remain as written. There was a good turnout for the meeting. Keep it up!

Our American Legion Post 366 is holding a service Under the Oaks for Memorial Day. Check the Peek of the Week for more info.

### Financial Responsibility

Financial responsibility means living within your means, regardless of the level of those means. As trustees, we take a close look at our financial situation weekly, evaluate earnings and spending habits, and make the necessary adjustments to put Barefoot Bay on a responsible financial footing.

This task is often difficult and can become a balancing act. Besides the needs and wants of the residents, our different departments and managers have spending desires as well. The current amenities in the Bay are a priority to keep everything maintained and running well. Every other project or added position is a desire. I am concerned as a trustee and a resident of Barefoot Bay that our current financial situation is being stretched to a near breaking point.

The Barefoot Bay budget for 2023/24 can and should be read and understood by all of us. In order for us to keep in line with the current increase to the minimum wage, we will have to make hard and unpopular decisions to keep moving forward.

No one likes change, but change must come. I ask each and every person reading this today to, please, get involved, ask questions, and speak up. We live in a special community and we all need to understand the limits to our spending.

Hurrol Brinker  
Trustee

## June is Alzheimer's and Brain Awareness Month

It is estimated that over five million people have been diagnosed with Alzheimer's disease in the United States. Understanding the specifics of the disease and being able to spot the signs and symptoms of Alzheimer's can help a person prepare for the effects of this brain disease. Below, we answer some of your questions.

**Q:** My father was diagnosed with Alzheimer's. I know it's a "brain disease," but I don't really understand what exactly it is. Can you please explain?

**A:** Alzheimer's disease is a progressive and degenerative disorder that attacks the cells and nerves in the brain. The breakdown of these cells destroys certain mental functions such as memory, language, and behavioral skills.

Although the actual causes of Alzheimer's are still unknown, when examined, a person diagnosed with Alzheimer's disease will usually have two types of abnormalities on their brain. The first abnormality is plaque, which is a clump of protein called beta-amyloid that damages the brain. The buildup of plaque surrounds the outside of the brain cells causing interference with cell-to-cell communication. The second abnormality is tangles. Since brain cells need a transport system to carry nutrients, the threads that transport these nutrients twist into tangles causing a failure of transport. The breakdown in transportation is believed to be a contributing factor in the decline of brain cells.

**Q:** My husband was recently diagnosed with "Stage One" Alzheimer's. What does this mean and how many stages are there?

**A:** Typically, there are three stages of Alzheimer's: early, middle and late. Early symptoms often include changes in both memory and reasoning skills. During the middle stages of Alzheimer's, damage to the brain can make it difficult to express thoughts and perform routine tasks. You may notice the person with Alzheimer's jumbling words, having trouble dressing, getting frustrated or angry, or acting in unexpected ways, such as refusing to bathe.

In late-stage Alzheimer's disease, balance and coordination in addition to autonomic functions, including heart rate, breathing, and digestion are significantly negatively impacted. In the final stages of this phase, neurological damage and muscular degeneration cause people with the disease to be unable to perform even basic movements, including walking and maintaining control of their bladder and bowels. They may not even be able to swallow without assistance. The leading cause of death in Alzheimer's patients is a secondary infection, commonly a bacterial infection that their immune-compromised body is too weak to fight, like pneumonia.

**Q:** A friend was just diagnosed with early-stage Alzheimer's. I know it's a disease that gets progressively worse; is there anything he can do to slow down the rate of progression?

**A:** Yes. There are medications available to help slow down the progression of the symptoms and help improve quality of life. Medication and treatment options may vary per person, so having an open dialogue with your physician about medications and the effects it has on your loved one is very important. In addition, practicing a healthy lifestyle may help slow the progression of the disease. This would include getting ample sleep, exercise, and eating healthy. A Mediterranean diet is recommended with plenty of fruits and vegetables. In addition, it's recommended that people with Alzheimer's practice "brain exercises," which they can do by playing bridge, reading, and other activities that utilize a lot of brain power.

**Q:** I'm 65 and I was recently diagnosed with Alzheimer's; will I die from it?

**A:** While there is no cure for Alzheimer's currently, and the majority of people diagnosed with it live approximately four to eight years after diagnosis, many still live as long as 20 years or more after being diagnosed. A lot depends on how well a person takes care of their health. That's why it's important to talk to your physician about the best medication options for you and to also maintain a healthy lifestyle.

**Q:** What are the warning signs of someone with Alzheimer's disease?

**A:** If you are caring for someone and you think that they might be suffering from Alzheimer's, here are some warning signs to help you assess if you should take further action:

**Memory loss that disrupts daily life**—In the early stages of Alzheimer's disease, forgetting recent information is common. Missing appointments, forgetting important dates, needing to ask for the same information repeatedly, or relying on others to handle things that used to be handled independently are all warning signs if occurring frequently.

**Difficulty with familiar tasks**—Alzheimer's patients can have problems accomplishing daily and familiar tasks like keeping track of bills and taking longer time to do things they did before.

**Confusion with time and place**—Losing track of times, places, seasons, and passage of time are all warning signs. If you notice that a person forgets where they are or how they got there, you should take action.

**Trouble understanding visual images**—A sign of Alzheimer's is having difficulty with perceptions. For example, if a person with Alzheimer's passes his or her reflection in a mirror, he or she might think that there is another person in the room.

**Changes in mood and personality**—If you have noticed that your loved one's mood and personality has changed, such as becoming easily upset, confused, depressed, anxious, or fearful, you might want to follow up with your doctor.

If you have noticed changes in your loved ones behavior or actions, you should consult a physician. For more information about Alzheimer's disease, please visit [www.mayoclinic.com](http://www.mayoclinic.com), [www.alz.org](http://www.alz.org), or [www.alzfdn.org](http://www.alzfdn.org).

## CVO to Host Health Care Services Information Event

A unique event is coming to Barefoot Bay on May 9. It will feature senior-focused health care services from in and around the South Brevard community. Coordinated by Simplifying Senior Living, vendors representing Home Health Care, Mobile Medical Services, Case Management, Hospice, Elder Law, Transportation, and Therapy Services will be in attendance in a fast-paced, round-robin presentation style format, aiming to introduce as many services as possible to up to 250 residents in the Barefoot Bay Recreational Administration Building.

When asked why this particular event format was selected for Barefoot Bay, CVO President Elaine VanBerschot said, "We have found an increasing need for services here in our area over the past few years. Kara and her team have this strong network of Senior-focused resources, and we are thrilled to have connected with this established group of Senior care professionals to bring resources to the Bay."

The event is free to the public and begins at 9 a.m. on Tuesday, May 9, in the administration building at 625 Barefoot Bay Boulevard. For more information, call 321-327-2917 or the Barefoot Bay CVO Office at 772-664-3141.

### Don't Be an Ostrich

The facts I have researched for this article should prompt seniors to question why more of our elected officials are not involved in the battle for affordable housing. This question might also be directed to county staff who work in areas affecting seniors and those who need affordable housing.

First, we need a way to pay for affordable housing. No private investor will build and operate housing at a loss. Elected officials need to work out a solution and, like it or not, this means government involvement and a

tax. Passing a tax is one thing, keeping it on its directed path quite another, but it can be done if private citizens are involved.

Second is the problem of taxes. The County has a 1 cent sales tax that generated about \$161 million from 2020-2022 for Brevard Public Schools, in addition to the normal taxes we pay annually. Then we have the lagoon tax, which brought in a like amount. Our elected officials are to be commended for their interest in schools and the lagoon. I wish they would show as much concern for seniors who have outlived their retirement savings. Who could have predicted how long we now live or the high cost of food we see today?

We cannot keep burying our heads in the sand like the proverbial ostrich. To build or acquire more affordable housing will cost money. The can being kicked down the road has turned into a very large can, moving faster, and it needs to be stopped. Solving the problem will require convincing our elected officials that our current modus operandi must change.

## Open Air Music by Open Mic Players!

Did you know that Barefoot Bay has amazingly talented people living here? If not, you need to come out on Tuesday afternoons in the open area next to Pool 2! The Barefoot Bay Open Mic Players host a jam session from 2 p.m. to 4 p.m. each Tuesday. And can I say it's fun! These musicians perform weekly and it's never the same from week to week. All genres of music, instruments, and voices. Guitars, keyboards, harmonicas, and even an accordion at times!

Barefoot Bay Open Mic Players got their start with Jim Schroeder in March of 2021. Jim originally chose the Alligator Pond at the end of Tequesta as a neighborhood area for musicians to come together and play as Covid restrictions were beginning to ease. The audience attendance was spontaneous and continued to grow larger and larger. A friend, Carol Martin, suggested they move to the open green area along the canal at Pool 2. This has become the place to be on Tuesday afternoons! People gather with their own chairs, golf carts and cars just to sit, relax, toe tap, and be entertained. All generated by our very talented residents!

The original group consisted of Jim Schroeder, Paul Stevens, Diane Surprise, Curtis Remington, Roger Gagnon, Paul Sharkey, and Rick Meike. Over the past two years, they have had people come and go and the new members consist of Russell Gagner, Alan Garage, Dave Rossetti, and Daniel Shanks. You can always count on good music, spontaneous dancing and singing, and maybe even some dry humor contributed by Curtis as the day plays on! Recently Barefoot Bay Open Mic Players has become a "certified" club here in the Bay with their open Facebook page "Barefoot Bay Open Mic Club." The page allows the musicians to post videos, pics and information about cancellations due to weather, so I would encourage you to follow them.

If you truly want just some easy listening time, please come down to the green area next to Pool 2 on Tuesday afternoons from 2 p.m. to 4 p.m. And be prepared to leave in an upbeat mood, while you hum "Good night sweetheart, it's time to go ... good night sweetheart, good night."

# Hurricane Season is Back

by Robert Allan

As summer approaches, residents of Barefoot Bay should begin preparing themselves for the 2023 hurricane season, with the season starting on June 1st. The National Oceanic and Atmospheric Administration (NOAA) predicts that the 2023 hurricane season will be slightly below average with a total of 11 to 15 named storms, with six to eight reaching hurricane strength. Of these, one to three are predicted to be major hurricanes.

NOAA emphasizes that despite this forecast, it only takes one storm to cause significant damage and urges residents to take precautions and stay informed. Barefoot Bay has a history of being hit by hurricanes, with the most recent being Hurricane Nicole in 2022. The hurricane caused power outages and damage to homes in the community. In 2004, the combined damage of Hurricane's

Jeanne and Frances resulted in nearly 1,000 homes being destroyed in Barefoot Bay.

Even with the approaching El Nino and its dampening effects on Atlantic hurricanes, residents should not take any chances and prepare themselves for the potential impact of a storm. Residents are encouraged to create an emergency supply kit to support your family for a minimum of three days, including items such as non-perishable food, water, important medicines, and batteries. An evacuation plan should include when you would leave, what you will need and where you will go. Residents are also advised to secure their homes with shutters, trim trees, and clear any debris around their property. Business owners are advised to have an emergency plan in place that includes securing their premises and backing up important data.

Local authorities are also taking proactive measures. Brevard County Emergency Management has been working closely with local fire departments, police departments, and other agencies to develop strategies for disaster response and recently visited Barefoot Bay. The county has also created a hurricane plan that outlines evacuation procedures and shelter locations. Barefoot Bay's shelter is in Micco at the South Mainland Community Center at 3700 Allen Avenue. They will accept pets at the shelter.

With the NOAA forecasting a slightly below average season this year, it is still vital that all residents take precautions and stay informed. Working together with local authorities, Barefoot Bay can minimize the impact of any storm that may come our way.

# Ladies Golf Groups Donate \$1,290 to Food Bank

About five years ago, the women golfers in Barefoot Bay became involved with the Food Bank sponsored by the First Baptist Church. During the fall, the Martini League begins their fundraising for Thanksgiving Turkeys and Holiday Hams. In the spring, the 9-Hole Ladies sponsor a golf tournament for the 9- and 18-Hole Ladies Groups to collect food/cash that is then donated to the Food Bank for distribution to clients in the Bay. This year's accomplishments are staggering.

These women collected funds and purchased 50 turkeys and 50 hams for the holidays. This includes holiday dinners for the local Firehouse. Then from the 9-Hole Charity Tournament, we now have a cash donation of \$1,290, all of which go to the Food Bank.

Thank you, Ladies, for your continuing generosity when we ask you to support these initiatives for the First Baptist Church Food Bank that supports our community.

## Lagoon Artisans' Artist of the Month

Lagoon Artisans of Barefoot Bay's featured artist, Amanda Leshko, poses with her art. Featured among her collection are tie-die creations including shirts, sweatshirts, scarves and bandanas for all sizes and shapes, acrylic pouring, and watercolors. She recently added acrylic painting to her repertoire. Fellow LABB artist Mary Ann Hall has been mentoring her in working with watercolor which she will display at the Fall Art Show. When asked what it is she values most, Amanda says, "The friendships with the professional LABB members and the joy my art brings to those at the art shows." She is also an athlete in the Special Olympics (track/field and bowling), and a member of the Sebastian Craft Club, with her creative textile tie-dying.

**AMERICAN LEGION AUXILIARY #366**

Unit 366 has been very active in the past month. Our Luau was a great success due to our new member Mori and our President Rhoda Barnett and many members of the unit. All attendees had a wonderful time. The food was delicious and the Hawaiian dancing was very enjoyable.

On May 13, Rhoda and Sue Reddy went to the Constitutional Congress in Fort Pierce where Rhoda made her Presidential annual report.

Unit 366 is sending a young lady to Girls State in June of this year. Have a wonderful time, Grace.

On May 16, the membership elected a new board of directors. President Rhoda Barnett, Vice President Sue Reddy, Second Vice President Gail Brisco, Secretary Daisy Williams, Treasurer Vicky Hay, and board members Bev Connelly, Pat Vanderlaan, and Jill Daly.

Our monthly meetings are at an end for the summer until October. Hoping everyone is having a wonderful summer.

For God and Country,  
**Sue Reddy**  
1st Vice President

**AMERICAN LEGION POST #366**

Memorial Day services will be on Monday, May 29, at 11 a.m. It will be outside, "under the oaks" just east of the Administrative Building. The traditional golf cart parade will step off from the tennis courts at 10:45 a.m. and proceed to the natural amphitheater east of Building A. Hot dogs and light refreshments will be served after the service.

Flag Day—Unserviceable flag retirement will be held Wednesday, June 14 at 10 a.m. just off the TuTu walking trail next to the lake. All are welcome to attend the short, dignified service. Drop off locations for unserviceable flags include a chest at Pool 1, the CVO office, and outside the Veterans Center (next to Water District offices).

The Veterans Center will remain open over the summer with reduced hours. The Service Office (VA issues) operates Mon-Wed, 9 a.m. to noon. The gathering center (fellowship) will operate on Wednesdays from 1 p.m. to 4 p.m. The center is located next to the Barefoot Bay Water and Sewer District Office. All veterans are invited to come out for fellowship, games, and big screen TV.

Fall Meeting—Barefoot Bay American Legion Post 366 will suspend meetings for the summer. We will restart regular meetings Tuesday, September 19, at 1 p.m. in Building D.

**ART GUILD**

Hello from the Barefoot Bay Art Guild! We hope everyone is enjoying the lovely weather that we are having. It is a great time to go to the Beach or have a picnic.

Did you know that the Barefoot Bay Art Guild is a year-round Art Club? Even though some activities in the Bay will slow down for the summer months, we have many exciting workshops during the summer led by members showing different media in art. The 1st, 3rd, and 4th Fridays are available for some exciting workshops.

On Friday May 5th, Diana Franck gave a superb demonstration on how to paint on glass. Everyone who attended enjoyed the class and learning how to develop this technique. We may have a workshop on this

again in the upcoming future.

Sherrel Galotti will be presenting a workshop on a new procedure for creating dimensional painting in the near future. We are hoping to have many classes during the summer.

If anyone is interested in other future classes, please notify Dorothy Buchmann at barefootbluedot@gmail.com for more information.

Keep up with any news that we may have on Facebook and we would love to receive any comments. The page on Facebook is "Barefoot Bay Art Guild 2022."

**BRITISH HERITAGE CLUB**

The first British Club Summer Fun night of the season was held on Tuesday, May 2nd with its highest turnout ever. Dinner was provided by Barefoot Bay Food and Beverage and the "build your own" Philly Cheese steak was delicious, as always, along with the French fries and the fudge brownie for dessert!

After dinner there were several tables with many different games being played. You could hear a lot of cheering for those who were winning or maybe losing their game.

Next month's Fun Night is being held on Tuesday, June 13th in Building D/E. Dinner will be BBQ country style pork short ribs, potatoes au gratin, whole green beans, and rolls. To top it off there will be icebox chocolate cake for dessert.

These nights are always a great time to meet new friends and to enjoy each other's company. You do not need to be a British Club member to attend, so bring a friend or two. For this month, please contact Bob Durgre for tickets at 772-202-4128 (from 5/10 through 5/27) or after 5/27, call Liz at 321-750-3119. Get your tickets by June 8th so we can get an accurate head count for the food. Please provide exact cash or a check, as we will not be able to provide change.

Safe travels to all of our seasonal residents who are headed back north for the summer. You will be missed! Cheers,

**Cyndie Bourassa**

**CHESS CLUB**

The Chess Club meets in Building C from 8:30 a.m. to 12 p.m. every Wednesday. All skill levels are welcome. On the first Wednesday of the month, we offer instruction if you would like to learn or improve. Come join us! You are also welcome to come and watch.

**CHRISTIAN WOMEN'S CLUB**

Barefoot Bay Christian Women's Club held its first anniversary luncheon on May 4. We also celebrated Mother's Day. Thank you to all who are helping us shine a light for Jesus in Barefoot Bay. As you know, we also collect donations for orphans. This year it is

for Wings of Grace, a ministry for kids aging out of foster care.

It was a wonderful event. I was very honored to be the speaker and can only hope my testimony helped others. The Lord has seen me through a very rough childhood, and brought me to peace. I want to thank my two friends, Susan Davis and Joyce Sweeney, who played and led a hymn I requested, "It Is Well With My Soul." That is my message.

The food was wonderful, we all had a great time. Holy Cannoli gave us a discount on a beautiful and delicious anniversary cake. Zella Criscillis, our leader, announced that we are going to have a choir, which we hope will sing in the Bay! I am joining, and hope lots of others will, too.

Our next luncheon will be June 1, noon at D & E building. Closing date for reservations is always the Friday before the luncheon date. For reservations, call Donna at 321-501-8501. For information, call Jane at 772-202-4214. Hope to see you in June!

**COMPUTER CLUB**

The Computer Club will not be meeting in May (Memorial Day Weekend) and will be taking the summer off. We are planning to have a Public Education Class in July with multiple focus groups. Watch for further information as July approaches.

Currently, we are looking at covering some beginner and intermediate cell phone usage and also a special program on using the Brevard County Alert System, the Barefoot Bay Web Page programs, as well as the Citizen Serve program. Please let the Computer Club know if you would like to have an information class covering any additional subject and we will look into adding that subject to the program.

The program in April offered information about safety and security for the "connected" devices. It is highly recommended that you take advantage of password protection for your cell phone and computer. While it may seem inconvenient to always have to enter a password or code, it is worth the effort to protect your personal information. If your phone or computer were lost or stolen, every contact and all that information would be available to the person who found it. It is similar to losing your credit cards, driver's license, or social security information. Is it worth the extra effort to protect you and your privacy? You Tube videos can be of great assistance in answering questions about safety and security subjects, and will help you to set up a secure password. If you Google for information about these topics, be sure to put in the make and model of your device to bring you directly to the information you are looking for.

**DEMOCRATIC WOMEN'S CLUB**

Welcome! If you live in Barefoot Bay or Snug Harbor, you are likely retired. Your loved ones may also live in Florida. You're probably satisfied with the climate, cost of living, health care access, and community amenities. Your home is appreciating at a satisfactory rate. Florida's job market may be no direct concern. However, as a Democrat, or Democratic-leaning Independent, you are concerned about the impact of Republican policies on Florida and our nation.

Florida's economy is very dependent on seasonal tourism and middle-income retirees. We are the third most populous state with four major theme parks, but only three corporations in the Fortune 100 (ranked 87th, 90th, and 91st). For a healthier economy, Florida needs to attract and keep companies of all sizes who require highly-educated employees. Companies look for great health care and public health policies, as well as access to excellent education from kindergarten to graduate programs. Their employees expect to be welcomed, regardless of their race, ethnicity, or sexual orientation.

Are Republican leaders preparing us a bright future? Come to a DWCBBay meeting if you are a Democrat—registered in

any state—who thinks Republican leaders are more concerned with their political future than Florida's economic future? Independents are welcome; you must be a registered Democrat to become a voting member.

For a Vote-by-Mail ballot, citizens have to file a new request since 01/01/2023 for the 2023-2024 election cycle (and repeat new requests every two years). Check [www.vote-brevard.gov](http://www.vote-brevard.gov) to update request.

To contact us, leave a voice or text message on our phone at 772-252-9679 or email requests to [dwcbbay@gmail.com](mailto:dwcbbay@gmail.com). We meet monthly on the 3rd Thursday at 3:30 p.m. in Building D, next to 19th Hole Restaurant. Please bring non-perishables for our LOCAL food drive.

**GREAT LAKES STATES CLUB**

Hi, Club Members! This June's article is to let you know the entertainment for November 14th will be Kenny Williams (Soloist/Guitarist), who plays light country music. He has performed at the 19th Hole Bandshell. I will remind everyone in the October edition of the Tattler. Please wear your name badge to be updated with a new sticker (2023 -2024). The dues (\$3) will be collected at the front entrance of the building by Teri Gilmore and Carol Spink, who will check you in.

Again Richard and Rose LaPage will be the Host Committee Coordinators, with a task team assigned. Richard will order the chicken from Winn Dixie. Bring those delicious side dishes, and tasty desserts, which are greatly appreciated.

May the lazy days of summer keep you calm and cool in the shade. I'll be back for the October issue. Everyone far and near, stay healthy and perky. Looking forward to cooler weather in the fall. See Ya!

Daphnia Missad  
Secretary

**IRISH AMERICAN CLUB**

**LADIES 9-HOLE TUESDAY GOLF LEAGUE**

The Ladies 9-Hole Tuesday Golf League held a charity Flamingo golf tournament on February 7th. This was a fun-filled event organized by Dee Chimenti and Michelle Donnelly. The amount we donated was a check for \$1,290. We chose the First Baptist Church food pantry here in Barefoot bay as our charity.

Thank you to the Ladies 18-Holers golf league that also participated in this tournament.

Great job to all and thank you!

**LAGOON ARTISANS**

LABB artists use the summer to replenish their collections for the coming season. Highlights of summer activities will appear in future issues of the Tattler.

LABB's mission is to support each other as fine artists while having fun and creating opportunities to show and sell our work. Many members belong to other art associations and galleries to gain the widest exposure to their art. Creating it is one aspect, selling it is another that takes much effort.

The Board of Directors met recently at a luncheon at Captain Hiram's Blackfins Restaurant. Secretary Mary Ann Hall resigned, and President Georgene Granholm expressed her desire to have another member take over the role of president, which she has held for several years. Elections will be held at the October 11 meeting at Building D/E from 10 a.m. to noon. Members should think about the contribution they can make

to the club next year. As a hobby club, volunteer members keep things rolling and new leadership is needed now. Call Assistant Secretary Dan Martin to discuss roles that are available.

LABB meets every second Wednesday, October through April. Local artists interested in exploring opportunities are encouraged to call President Georgene Granholm at 908-337-9400 or me, Dan Martin, and plan to attend a meeting or show. We enjoy meeting new artists, sharing and learning with each other. We create on our own time.

The featured artist this month is Amanda Leshko, who uses tie dye, acrylics, and watercolor to create her art. A photo and story about her can be found elsewhere in The Tattler.

Text me an email address, if you wish to join our contact list and keep up to date with club events. LABB also has volunteer opportunities at our shows for folks who would like to engage in the art community. Learn with us, create with us, and add a little color to your life with us.

### PINOCHLE

We play every Friday starting at 6:30 p.m., even during the summer! Come join us for single deck pinochle in Building C, the card room, which is next to Building A. Questions? Contact Lois at 772-664-1199.

### TENNIS CLUB

Hi Tennis Friends,

The club is moving into our slower season; the "snowbirds" have been returning to all parts of the country. The regular Monday, Wednesday, and Friday morning play will continue. Call the phone # below to be notified and get on the list for fun, exercise, and friendship. The year was a great one, and all input is important for things to go on. Your thoughts are important and welcomed.

The Club News will take a short break but look to the Tattler for news in the future.

So in closing—

In a tennis match that lasts for 2.5 hours, the ball actually stays in play for 20 minutes.

The longest match recorded took 11 hours and 5 minutes over 3 days.

Margaret Smith Court is the only player with 24 singles titles in Grand Slams.

"Tennis Elbow" is very painful; the injury is from overuse, not always from playing tennis.

## CONCORDIA LUTHERAN CHURCH

300 Barefoot Bay Boulevard  
Sebastian, FL 32976  
772-664-1104  
www.barefootbaylutheran.com

As the summer season approaches, our thoughts often turn to the changeable times ahead. Vacations, travel, and reunions are joyful thoughts. Other thoughts include the turmoil of weather changes; the heat that seems unbearable; the loneliness that comes with seasonal friends returning to their northern homes; graduations and weddings that mean more family will be starting new lives, often further away from the family center, and to the losses of family and friends to death.

None of these thoughts are things we can avoid—our weather changes, people move, and life comes to an end. Do you notice how long the list of negative thoughts seems to be? Unfortunately, the negatives also take up much of our time and our focus. We cannot change any of the negatives, but we can change how we react, how we let those negatives control our thoughts and our lives. What can we do?

Make your plans now for the event of a severe storm that may require you to leave this area for safety with friends, family, or even hotels. Look for ways you can prepare yourself for when your children and grandchildren move on with their lives. Tell them that you love them and that you will always be praying for them, and then stay in contact with them. It is much harder to deal with the loss of a family member or a friend; it is much harder to prepare. Sometimes the loss is unexpected—it changes your immediate plans, such as how you spend your day, how you look forward to lunch or a phone call with that person, or when you will enjoy another day together. Unlike the joyful thoughts and the things we can prepare for, this is sudden and it hurts beyond physical pain. It is a heartfelt pain that doesn't go away.

As we prepare for good times and for those unexpected times, we have only our time with God to help us. We ask for blessings for those who are enjoying the good times and also God's blessing for those struggling with the bad times. We also ask for God's help when we are not able to "fix" the problem. Prayer time is the time to ask for help, to acknowledge that we need help, and to be prepared to hear God when he speaks words of comfort, concern, and love for us. Prepare for what you can, care for those you love, and rest in the knowledge that God is with us at all times—in the good times and the bad times.

The Concordia Lutheran Church family is here in this community to offer words of comfort, prayer for support and love for all of God's children. Follow the church events and messages on the website at Concordia Lutheran Church Barefoot Bay, Florida and plan to join us on Sundays at 10:30 a.m. All are welcome.

Pentecost & You—Just behind us is what the church calls Pentecost. It commemorates the outpouring of the Spirit in a special way upon a group of people. The day is recorded in Acts 2 of the New Testament. What do we know about the Holy Spirit? One common thought is that the Spirit is a force. But that is not so according to the Bible. He is a person. How do we know this? Because the Holy Spirit does what a person does.

A person speaks. The Holy Spirit speaks. "He who has an ear, let him hear what the Spirit says to the churches." (Rev. 2:7) A person intercedes. The Holy Spirit intercedes. "We do not know how to pray as we should, but the Spirit intercedes for us with groanings too deep for words." (Romans 8:26) A person bears witness. The Holy Spirit bears witness. "He will bear witness of me." (John 15:26) A person leads. The Holy Spirit leads. "For all who are being led by the Spirit of God, these are sons of God." (Romans 8:14) A person guides. The Holy Spirit guides. "When the Spirit of truth comes, he will guide you into all truth." (John 16:14) A person appoints. The Holy Spirit appoints. "Be on guard for yourselves and for all the flock among which the Holy Spirit has made you overseers." (Acts 20:28) A person can be lied to. The Holy Spirit can be lied to. "Ananias, why has Satan filled your heart to lie to the Holy Spirit." (Acts 5:3) A person can be grieved. The Holy Spirit can be grieved. "Do not grieve the Holy Spirit of God." (Eph. 4:30) Persons speak, intercede, bear witness, lead, guide, appoint, face lies, and face grief. According to the Bible the Holy Spirit is a person.

We tend to think of human persons with bodies. He is a person but not with a body. He's a person, not just energy. That the Spirit is a person, not a magic power or mystical power, is important because I dare say that we approach a powerful bomb on our doorstep quite differently than a powerful president there. One is something you dispose of and the other is someone who could dispose of you! The one you control and the other you relate to.

May you know in some way the person of the Holy Spirit in your life.  
Rev. Jeff Wood

We want to lift up prayers for all our friends and family who are heading back up north for the summer months. It was so wonderful to have you with us.

Hope you are still rejoicing over Palm Sunday and Easter. Remember, the Lord is with you and wants to bless you mightily as you walk with Him. Let your heart burn within you as you sense His presence.

Our church experienced our first annual Seder Meal in April. Why would we do that? Isn't it

just for people of the Jewish faith? Remember, those who have accepted the Lord have been grafted into the vine (Jesus). We wanted to experience the Passover they experienced as God directed them to flee Egypt, as well as the Passover that Jesus had with His 12 disciples just before He was arrested, telling them of His upcoming crucifixion. We had a glorious evening. Many people responded to the packets with a DVD gift in them left on your doorknobs during our SATURATE THE BAY program directed by Franko Soler & Jo. We have prayed for and touched the lives of those who contacted our church. That is what it is all about ... caring for one another.

Come join us for a wonderful time with the Lord on Sundays at Buildings D & E, (1225 Barefoot Blvd.) in Barefoot Bay at 10:30 a.m. as Pastor Carole Coon brings vital and dynamic messages of how to live in our world today. Messages have touched the hearts of many, giving encouragement and direction. Prayer meetings on Thursdays, 6:30 p.m. at Pastor Carole's home. We also have dynamic Men and Women's Bible studies.

Come with an open heart and mind and receive the blessings of the Spirit. Be filled with joy for your daily walk. For more information, call Pastor Carole Coon at 772-913-0824.

**Senior-Health Information Shared, Questions Answered, at Aging Safely at Home Focused Event at Barefoot Bay**

Over 150 residents from in and around Barefoot Bay attended a new "not-your-average-health-fair" event held in the Administration Building of the Barefoot Bay Recreation Area on Tuesday, May 9. Coordinated by Simplifying Senior Living, vendors representing Home Health Care, Mobile Medical Services, Case Management, Hospice, Elder Law, Transportation and Therapy Services were in attendance in a fast-paced, round-robin presentation style format that aimed to introduce as many services as possible in order to allow participants to age safely at home.

When asked why this particular event format was selected for Barefoot Bay, CVO President Elaine VanBerschoot said "we have found an increasing need for services here in our area over the past few years. Kara and her team have this strong network of Senior-focused resources, and we are thrilled to have connected with this established group of Senior care professionals to bring resources to the Bay."

Long-time resident Jeanne Osborn is credited as the woman behind the idea for the health fair and for the concept of the seated presentations: "I think people are looking for answers to their problems." She said. "We do not have many services here in the Bay. Transportation is absolutely lacking. I think if it not for people like the CVO and their hard work, people would not be as contented as they are right now."

Betsy Clark, one of the Directors of the CVO, is looking forward to bringing more programs in the Fall: "We are planning on bringing back these vendors for presentations with more specific topics. We know that so much information is needed here in The Bay and we are excited to be partnering with the team at Simplifying Senior Living and all of the resources here today to bring services into our area."

Simplifying Senior Living helps families discover senior living and care options available that best meet their loved ones needs in Brevard County. For more information about Senior Resources, call Kara Anderson at 321-327-2917. For more information about Barefoot Bay, call the Barefoot Bay CVO office at 772-663-0633.
