March 2024

Late Winter Musings

By Rob Allan

We are coming up on budget season in Barefoot Bay. The process takes months, culminating with the finished budget and new assessment being voted on June 25th this year. There will be an increase based on the CPI, and we can only hope that we don't have any surprises to our budget since we don't keep a lot in reserve if something goes over budget. Last year, we had approximately \$100k in reserves for emergencies, and our insurance increase was unexpectedly \$50,000 higher. Kent Cichon, at the Town Hall on January 25th, mentioned the current reserve has less than \$15,000 remaining for the rest of this fiscal year. He provided a PowerPoint presentation addressing the challenges the Board of Trustees (BOT) are facing with the new budget including labor costs, inflation, small project funding, as well as other budget items and requirements that will need further consideration in the months ahead.

The upcoming BOT meetings are at 1 pm on Feb 27, March 14, and March 26. A Budget workshop is scheduled for March 19 at 6 pm, with several others scheduled in April, as needed. The public has limited input at these meetings, but if you attend or watch the meetings online at BBRD.org, you can email the Trustees and BBRD management your questions and concerns prior to the finalization of the budget in June.

We are approaching the 20th anniversary of Hurricane Frances (Sept. 5, 2004) and Hurricane Jeanne's (Sept. 26, 2004) back-to-back impacts on Barefoot Bay. More than 900 homes received significant damage due to those storms. Most of those homes have been replaced since but that still leaves Barefoot Bay with 4000 homes over 20 years old with many over 40 years old. A Category 2-3 storm this summer would be bad. A Category 4-5 would be catastrophic. It took years for Barefoot Bay to remove abandoned, derelict properties after those 2004 hurricanes. What happens if we lose 900 homes this year, with the increase in costs to replace and insure these homes today over what it cost 20 years ago?

I've been told many long-term residents, most on fixed incomes and without a mortgage, have dropped their wind coverage insurance entirely. Even those of us with insurance don't have enough to cover the full replacement cost of our home. We're lucky if we get enough to pay off the mortgage, let alone rebuild. It can easily cost \$250,000 to put a new home on a lot in Barefoot Bay. I won't have the money to rebuild without a new mortgage, but the insurance after a hurricane in Barefoot Bay will cost what? \$6000 a year? More? Will the payoff be enough to cover my new mortgage? And what about the folks that don't have any coverage? We could have hundreds or thousands of homes where the homeowner is unable to live on the property or afford to repair their damaged homes. We would be surrounded by destruction with little to no help to recover. It would take years for BBRD.org to get permission to demolish these unreparable properties. Even then, adding another empty lot still leaves the owner with the same problems regarding insurance costs and mortgages when building a new home in Barefoot Bay.

Who can afford to buy a brand-new manufactured home, pay for it, and then insure it affordably? There are still some people doing that. We are constantly reminded our homes are a DEPRECIATING asset when viewed by insurers. It's time we consider a serious alternative before the next hurricane. We need to change the DOR to have the option to build a CBS home on our lots, in the event of a catastrophic loss of homes. These can be built to look like every other home in Barefoot Bay, but mortgages would be easier to get, insurance would cover more and cost less, and homes could be built to be more energy efficient, reducing utilities long term. We're only one disaster away from losing our community, possibly forever. We need better alternatives before that happens. Last year, a strong El Nino was in effect, and almost every Atlantic-based storm veered to the north. This summer, we will see a strong La Nina, the number of forecast storms will be much higher, ocean temps will soar again, and Florida will be a prime target. The next hurricane is a when, not an if.

The new paving and street markers pointing you in the right direction along US-1 north of the Sebastian Bridge also come with dozens of Wrong Way and Do Not Enter signs, as well as new radar speed-limit signs facing in different directions before you get to Barefoot Bay. A little unnerving and a major distraction even for those not drunk, incompetent, visually impaired, or likely to turn in the wrong direction onto the highway. We've had accidents and fatalities on US-1, but what's been done here is "overkill," pun intended.

We implore everyone to slow down and follow the traffic laws. E-bikes and golf carts ignoring street signs is an epidemic in Barefoot Bay and could result in injuries and deaths, if not a ticket from a random deputy. Those driving cars carelessly are not immune to this same criticism. My son, Bobby, was sideswiped while driving my Geo Metro Convertible two months ago on US-1 at Conlan in Palm Bay. The other driver was at fault, smashed the car in the driver's rear quarter panel, spun it around, and could have seriously injured my son. A week ago, my daughter, Laura, was driving on US-1 near the 1919 Building, and someone forced her off the road into the median at 55mph and then didn't bother to stop. In both instances, my children are OK, but not for the careless driving of others. When two of my children can be involved in similar accidents on the same road less than two months apart, what the heck!?! It's no wonder auto insurance prices are skyrocketing. Slow down. Obey traffic laws. Put your phone down. Pay attention! And if you're advanced age has made it impossible to drive safely for any reason, it's time to give up your driver's license and let others drive before someone gets hurt. Or do we just need to put up another sign?

BOT Happenings...

January 23rd meeting:

Trustees approved 5 DOR violations, 446 Egret Circle, 510 Sea-Gull Drive, 808 Oriole Circle, 815 Thrush Circle, and 1025 Wren Circle, to be given to General Counsel Olsen for legal action.

Mr. Cichon provided project updates listed on the BBRD website and reminded residents that they can visit the website to stay current on progress. Brevard County has recorded the Sidewalk Assessment Agreement and approved the Sidewalk Waiver for the beach restroom project.

January 25th meeting:

A Budget / Townhall meeting was held at 6 PM on Thursday, 1/25. Attendance was sparse. Mr. Cichon explained what may be in the FY25 budget and the 5-year plan. The PowerPoint presentation should be on the bbrd.org website.

If you have questions or concerns, please contact a trustee or the community manager by email. E-mail addresses are available on the bbrd.org website.

February 8th meeting:

The Budget was amended: FY2023 R&M/Capital Projects Roll Over to FY2024 This means the money allotted for projects in FY2023 that were not completed and charged out will be carried over for inclusion in FY2024's budget.

A discussion was held about adding language to the Policy Manual to exempt a totally dependent person from existing fees. This will be implemented at a future meeting.

Mr. Cichon informed us that Brevard County accepted the sidewalk easement for the Beach, and the Indenture has been recorded in county records. Next will be the approval of the Major Site Plan. The County then schedules a pre-construction meeting for approval of our construction application. Mr. Cichon, Mr. Goetz, our Engineer and General Contractor, and Mr. Olsen will be attending.

The Sandy Lobello Memorial Veterans

Tournament was held on Saturday, Feb. 3rd.

It was a great day, weather-wise, for a change. The Sebastian parachute jumpers were able to jump with all the flags and smoke to the enjoyment of hundreds of residents and golfers! A great fundraising event and a fun day!

The golfers had the pleasure of using brand-new Yamaha golf carts that were delivered the day before. The previous 4-year lease had expired, and the new 4-year lease commenced.

The Barefoot by the Lake Festival kicked off Friday the 9th in beautiful weather, although the nights were cool and looks to be a resounding success. I hope many of you could attend.

BOT regular meetings, as well as Budget and Town Hall meetings, are coming up.

Check the "Peek of the Week" for the dates. Plan to attend as many as you can. Your input is important. Don't wait until the budget is finalized, and then start asking why items are in it and why they are not. The time is now for questions and suggestions.

The next regular BOT meeting will be held on February 27th, Bldg. D/E at 1 pm.

The next Budget Workshop is on Tuesday, March 19th, Bldg. D/E at 6 pm.

ZUDANSEYE SURGERY

CATARACTS ARE NOT YOUR FAULT!

Dear Valued Patients,

As we age, the lenses in our eyes can gradually haze, taking on a green-brown tint like built-in sunglasses. Known as cataracts, this natural process affects humans and even our furry friends. Have you noticed your beloved companion developing hazed eyes and struggling to see? It's not their fault, and it's not yours either.

Cataract surgery offers a clear solution. This outpatient procedure, performed without needles or stitches, gently removes the cloudy lens through a microincision using ultrasound and vacuum technology. The lens is then replaced with a permanent intraocular lens, like a maintenance-free internal contact lens.

Just like us, dogs can develop cataracts as a part of nature's course. Embrace the understanding that you're not alone in this journey toward clearer vision. Cataract surgery is painless, correcting vision impairment and often reducing or eliminating the need for glasses. The benefits are long-lasting, promising improved vision quality usually for the rest of your life.

This no-needle, no-stitch procedure boasts a highly favorable benefit-to-risk ratio. Most patients experience significant improvement after a single outpatient procedure. While no surgery is entirely risk-free, cataract surgery is a well-established and effective solution. Remember, cataracts are a natural occurrence—neither you nor your furry friend can prevent them. Embrace a clearer future with cataract surgery!

We are here to help at Zudans Eye and available for new patient consultations, second opinions, and other general ophthalmology consultations in a timely manner. We will take good care of you and your family.

Warm regards,
Val Zudans, M.D.

March is National Kidney Month

Kidney disease is known as a 'silent disease' because there are often no obvious symptoms during its early stages. Nevertheless, there are still steps you can take to see whether or not you're at risk. Below, we answer your questions about this sneaky disease.

Q. A friend of mine is diabetic and just found out he has kidney disease. Do all diabetics develop kidney disease? And are there any other people who are vulnerable to developing it?

A. No, not all diabetics develop kidney disease, but factors that may increase a person's risk of developing it do include diabetes as well as other health issues such as high blood pressure, being over 60 years old, and heart disease.

Q. I read that I'm at risk for kidney disease since I'm 65. What kind of test do I need?

A. You'll need two tests; just ask your primary care physician. The first is a urine test to determine if any damage has been done to your kidneys, and the second is a blood test to evaluate how well your kidneys remove waste from your blood.

Q. My dad just found out he has "Stage 2" kidney disease; how many stages are there?

A. There are five stages, as prescribed by the National Kidney Foundation (NKF). The

different stages require different treatments. For specifics on what kind of treatment your dad requires for Stage 2, he should consult his physician. The kind of doctor who specializes in kidney disease is a nephrologist.

Q. My spouse was just diagnosed with kidney disease. Is it curable?

A. There's no cure for kidney disease. It's a chronic condition (which is why it's also known as chronic kidney disease or CKD), but getting treatment is important because it might not only help relieve symptoms but it also might help prevent the disease from getting significantly worse or at least slow the rate of progression down; the sooner you find out you have kidney disease, the better. And generally speaking, experts agree that a healthy lifestyle is key to helping address this 'silent' disease.

Q. My son, who is sixty-two, has stage 4 kidney disease. What happens if it gets worse?

A. If your son's health continues to decline and he progresses from stage 4 kidney disease to stage 5, he might need to start dialysis therapy or be considered for a kidney transplant. However, everyone's body is different, and he should absolutely check with his physician for the best course of action to take.

Playing in limited theaters, *Out of Darkness* uses a small budget, big scares, and great lighting effects and is worthy of the accolades it's been receiving as a well-directed, smartly written film. Please note that the language spoken in the film is called "Tola," which was created by a linguist specifically for this film. Though historically and theoretically accurate, no one has heard a similar language since the Stone Age, so the film is subtitled, naturally.

Mo-Bay Grill

Out of Darkness

We've received quite a few compliments regarding the Date Night Reviews column, and we want to thank those of you who enjoy them. We readily admit we're not a "meat and potatoes" type couple. Those who like things boring may not find our reviews of interest. We do have eclectic tastes. That goes for our movie choices, as well as our dinner choices. Fun fact! I took Karen out on our very first date for dinner and a movie where she lived in Calgary in 1998. We went to a local sushi bar, and, bless her heart, she had never tried sushi before. We had met online, and I had flown 3000 miles to meet her, so we could assume she had a lot of trust in me already. She absolutely loved it, and now we have a \$1500 annual sushi habit. Doesn't help that the kids like sushi too!

Naturally, our first movie together was *You've Got Mail!* A prescient choice with solid performances. Since that first film, we

have seen hundreds of films together. We'll often head out to see some small art movie, and we'll have the entire theater to ourselves, a private showing that makes the moment and the film a little more special. We were close to having that experience with our latest movie, *Out of Darkness*, when an older man and a young couple joined us just as the lights faded.

The barren Scottish countryside suffices for the harsh landscape a group of travelers must survive in the year 45,000 BC. With primitive weapons and no food, these nomads head into the unknown, afraid of what lies ahead. As they search for food and shelter, they deal with superstition and struggle with the constant fear of death as they are stalked and then captured and killed, one after the other, by some unknown force. You witness the strength of family and also the willingness to sacrifice the weak to survive just another night. By the end of the movie, the true monster is all too real.

Owner-Chef Wesley Campbell, steeped in the rich culinary traditions of his home and family, has brought casual dining with the bold, bright island flavors of Jamaica to our backyard for the past eighteen years with his local Sebastian restaurant, Mo-Bay Grill. He is frequently at the restaurant, greeting guests, stopping by tables to chat with long-time regulars, and welcoming those new customers who may have no idea the treat in store for them. The back of the menu houses the story of his beginnings, culinary education, career, many awards, and the fascinating journey to his current riverfront location.

Despite dining on a Monday night, we had a brief wait for our table, during which two parties of four arrived simultaneously. The air is redolent of warm island spices, and the drink menu has many rum-forward selections. It was near a full house with the previously mentioned mix of familiar faces to new ones.

As a quick starter, we began with the pepper pot soup, a blend of just the right proportions of ingredients to tantalize the taste buds, smooth and delicious. The next dish to arrive brought a waft of rich spices to the air. Authentic, jerk marinade drizzled chicken wings offered one of the best jerk flavorings we've ever tried. Our order of six wings could just as easily been a meal-sized portion of twelve or more, depending on your appetite. The wings were a perfect balance of savory, sweet, exotically spiced flavors with just the right amount of heat.

Next to arrive were our three (yes, three!) entrees. One each and one to share. Between us, the I Tal stew was a colorful blend of freshly steamed cabbage, carrots, celery, lentils, and chayote (a mango-shaped squash) cooked in vegetable stock in a rich, herbaceous ginger broth topped with a tall, crisp curl of plantain. This vegetarian delight is a traditional Rastafarian dish and did not disappoint.

Rob enjoyed his favorite Jamaican dish, curry chicken thighs cooked in green Jamaican curry and rice with its well-balanced flavors of turmeric, coriander, cumin, ginger, cloves, and pepper, served with rice and black beans. I ordered the oxtail stew in a rich, dark, brown beef gravy over garlic mashed potatoes and the freshly steamed vegetable side. That oxtail, though! Mmmmm... deeply flavorful and fall-apart tender roast beef with lots of delicious collagen. I could not have enjoyed that more!

We packaged two lunch meals worth of leftovers and somehow had room to sample tart Key Lime pie and a warm coconut custard pie. We can recommend both.

Mo-Bay Grill creates a warm, exotic, island-flavored experience well worth enjoying, and we highly recommend it for hosting your out-of-town guests. Reservations are recommended if you want to be sure of a shorter wait, especially with a larger party. We encourage you to try this lovely local getaway for an evening you will remember for all the right reasons, and when Chef Wesley stops by your table, tell him the Tattler sent you!

All-Girls Scouts BSA Group Revamps Sebastian River Medical Center's Meditation Garden

Sebastian, FL — This month, a local Scouts BSA group – consisting of six pre-teen girls – set out to conduct a “Courtyard Cleanup” for the Sebastian River Medical Center, a local Steward Family Hospital.

Inspired by the idea to create a calm and soothing space for patients at the hospital, the six troopers spent the first day of the clean-up weeding and pruning the hospital’s courtyard – filling 18 full-sized contractor trash bags with weeds and brush. The second day of the project was spent pressure washing the walkways and laying down 58 bags of mulch and 10 bags of stones. The finished product is a serene, lush, green, and beautifully maintained outdoor space – which will surely offer patients and visitors pockets of peace for years to come.

The troop behind the “Courtyard Cleanup,” Troop 4545, officially formed in February 2023 as part of Scouts BSA – formerly known as the Boy Scouts of America. The local Sebastian group currently consists of six female troopers, who can remain in the troop until they turn 18 – after which many of the members aspire to become Eagle Scouts. Six additional members from a local Cub Scouts troop will be joining the group in March.

The troop members were eager to give back to the community. After searching for a few weeks for the ideal service project, they came across the Sebastian River Medical Center’s courtyard. Given their vast experience with outdoor activities through the Cub Scouts and Scouts BSA, sprucing up the hospital’s meditation garden ended up being the perfect fit.

Moving forward, the troopers plan to continue to make frequent visits to the hospital to care for the meditation courtyard, ensuring that patients and their loved ones can continue to enjoy a peaceful, well-maintained outdoor space.

The local Sebastian Scouts BSA group meets every Tuesday at St. Elizabeth Episcopal Church, 901 Clearmont St., Sebastian, FL 32958.

Troop members must be in 6th grade or at least 11 years old, and they can remain in the club until they are 18. If you would like more information or would like to join the troop, please visit their Facebook page, BSA Girl Troop 4545, or email bsatrop4545@gmail.com.

Barefoot by the Lake Festival Impresses Everyone Again

Over 6000 people attended the 6th Annual Barefoot by the Lake Music, Art & Food Festival this month, as this event continues to grow and put a spotlight on our amazing community. Every sponsor, artisan, and food vendor has committed to returning next year, a collective acknowledgment that the Festival is well promoted, well run, and well worth their time and effort. The bands love that Barefoot Bay "vibe" and want to return as well. We might be able to afford a bigger lineup if we offer some shorter sets. More music, more food, more fun. Talking about fun, the KidZone totally worked. Loved those painted faces on Saturday.

A warm "thank you" to everyone who stopped by to say hello to The Tattler staff. We appreciate the suggestions and will continue to do our best to make the paper worthy of the compliments we received. Of course, we couldn't do any of this without the support of our advertisers, a diverse group who also support many of the clubs and groups around Barefoot Bay year-round. Almost every sponsor at the Festival can be found advertising in this issue. They are a big part of our community, and their support makes The Tattler possible. Please thank them for us.

AMERICAN LEGION AUXILLARY #366

Thanks to our members and many residents of the Bay, our annual card party was a great success. Over 100 tickets were sold, and the Chinese auction was extremely popular.

Our ladies were happy to help the Legionnaires with the annual Sandy Lobello Golf Tournament. The weather cooperated, and the day went well. One hundred and sixty-four golfers participated in a round of golf and a very fine luncheon. On March 24, 2024, the unit will participate in a Penny Social in Building A from 12 noon to 4:00 pm. Tickets are \$5.00, which includes a lunch of chili dogs, a bowl of chili, and potato chips. There will be a Chinese auction, which will include 250 to 300 items. Tickets are on sale now at Paradise Home Finders, 772-633-9144.

Coming soon will be our second annual Luau in the Bay on April 27, 2024, at Building A from 5 pm to 9 pm. Last year was our first performance and dinner in the Bay. The luau was attended by a couple of hundred guests with hula dancers and Hawaiian food. Wear your island garb and enjoy the atmosphere of Hawaii.

For God and country,

Sue Reddy,
1st vice president

Maureen Fitzpatrick 'Grape Vines,' 3rd Bonnie Murphy 'The Birds,' Honorable Mention Sally Cantwell 'Unicorn & Butterfly,' Mixed Media 1st Sherrell Galeotti 'Goddess,' 2nd Diana Franck 'Orchids in the Sun,' 3rd Ilda Barbieri 'Beauty,' Honorable Mention Marion Slaipoh 'Fancy Fish' & Rita Dalessandro 'Marbles,' 3D & Pottery 1st Linda Weinstein 'Coiled Rope Baskets,' Photography 1st Dorothy Buchmann 'Dinner Time,' 2nd Ruth Feldman Photo Montage 'Paleozo Gallieti,' 3rd Kathy Eggleston 'Sanibel Island 'Shells', People's Choice Award Winner- Mary Salem. The People's Choice award went to Mary Salem.

The Silent Auction is carefully organized every year for our Art Shows, and all of the proceeds from that auction go to the BFB Community Funds to help others in need in the Bay. It is a brilliant way to give back to the Community.

Artist for the Month of February goes to Barbara Hyde for her painting of the rooster that is posted. Her paintings will be displayed in Bldg. A from Feb. 15th to March 15th.

BOAT AND FISHING CLUB

It was a cold, windy day with the Barefoot Bay Boat and Fishing Club Fishing Tournament on Wednesday, January 17, at Barefoot Bay Beach. Twenty-five members attended the event. There were 13 anglers. Lines were in the water at 7:00 a.m. The first fish was caught at 7:50 am. A total of 15 fish were caught: pompano, blues, whiting, and jacks. Winners were 1st Place Dennis Kispert and 2nd place Mike Rosenthal. The Fishing Committee (Denyce & Jeff Bensen and Dennis Kispert) want to say thank you to the volunteers -- Lea Levesque and her Dunkin Donut Team: Jane Jones, Pam Williams, and Becky Kobler. Becky Kobler was also responsible for registration and was the official starter; Sue Johnson served as tournament photographer, and Linda Nelson and Kate Willie served as fish size measures. Thanks to all who made the tournament such a success!! A great fishing day!

BRITISH CLUB

It's hard to believe that it will be March by the time you are reading this. It's been a different winter season here in Barefoot Bay -- lots of cold weather and cloudy skies. Hopefully, by the time this goes to print, we are starting to complain about how warm it is getting!

February's meeting was held on February 6th in building A. President Liz gave a big thank you to Cliff Gallant for his work on the new and improved staging for our Ethnic Festival booth. We have lots of new things being offered this year, so come check it out on Sunday, March 3rd, in building A. Phyllis Spurling spoke about the Barefoot Angels, a new Non-Profit 501c3 Community Focused Volunteer program located in Barefoot Bay. They are neighbors helping neighbors and seek to support residents' quality of life and provide resources and referrals where needed. You can reach out to Lori Cook or get

AMERICAN LEGION POST #366

Thank you to everyone who supported the Sandy Lobello Veterans Memorial Golf Tournament. It was a wonderful event.

Barefoot Bay American Legion Post 366 continues regular meetings. We meet on the 3rd Tuesday of each month at 1 PM in Building D. The next meeting is on March 19. We are still searching for an Adjutant, Historian, and 2nd Vice Commander.

Starting January 3rd, the Veterans Service Office will be open on Wednesday evenings from 7-9 PM for information on VA claims. These hours will be in addition to the current M-W-F hours of 9-12.

Please note the LEGION Act was passed by Congress and signed, removing the "date gaps" in order to join the American Legion. Any member of the military who has served honorably since Pearl Harbor Day (1941) is now eligible to join.

Jeff Grunow
Commander

ARTISTS' GUILD

Hello from the BFB Artists' Guild.

We didn't have time to publicize the results from our Art Show, which was held on January 14th, so we will announce all the results in this Month's newsletter. First of all, we want to thank all of the Volunteers and Artists who assisted with the Art Show. It was amazing how smooth everything went during the whole day.

We are proud and honored to announce the winners of the Judged Show were the following members: Oil 1st Mary Salem 'elegant lilies'

Watercolor 1st Joan Whitton 'McKee Bridge,' 2nd Joyce Pate 'Berry Bush,' Acrylic 1st Barbara Hyde 'Rooty Rooster,' 2nd

The bake sale for the Ethnic Festival prizes was a great success, with the most money raised so far. Thank you to everyone who baked, donated, and worked the bake sale!

Our theme this month was Horse Races. Although it was a smaller crowd, thanks to the gusty winds and cool temps, there were lots of smiles, and everyone had a fun time. Thank you goes to Ron Bourassa, John Morrison, and Don Piche for "pitching" in to handle the dice tossing.

March's meeting is Tuesday, March 5th, in building A, and it will be Irish Night. The menu includes Corned Beef & Cabbage, Irish Soda bread with Cream puffs, and vanilla pudding for dessert. Entertainment will be provided by the Bay's own Pushin' Time. Hope to see lots of green attire to complete the mood of the night.

Please contact Debbie O'Hara at 321-408-1687 no later than February 29th for tickets (\$14.00 for members - \$16.00 for guests).

CHESS CLUB

CHRISTIAN WOMEN'S CLUB

The last luncheon at the D & E building of the Christian Women's Club went out with a bang! It was a wonderful meeting. The tables were decorated for Valentine's Day. Individuals do the decorating, so each table is different. 102 women registered. As usual, we thank the cooks for a great meal, especially the cherry pie and ice cream dessert provided by Kay Landis!! We had music provided by our choir, which is slowly growing. If you want to sing with us, please contact Joyce Sweeney at 772-664-1648. Joyce has plans for us to visit some nursing homes soon. The speaker was from the Seafarer's Ministry in Port Canaveral. They provide spiritual help and food, as well as many other kinds of help, to the men and women who come into Port Canaveral on ships, both cargo and cruise. A couple of other services they offer are transportation to local stores and allowing people to order from places such as Amazon and Walmart to have the packages delivered to their building so the ship workers can pick them up. You can google them, find out what they need, and offer help.

Now, for the exciting news for our next luncheon. We have grown so large that we can no longer fit in the D & E building, so Zella and Dottie visited BB Admin and arranged for us to start using Building A. Our day will change to the second Tuesday of each month; the first luncheon will be on March 12 at noon. Make your reservation with Ruth at 772-202-4251 by the Friday before the luncheon. While we have not wanted to raise the price of the luncheon, it has come to a point where we have to; we all know what it is like to go to the grocery store. Starting in March, the price will be \$15.00. We thank all of you who come to the luncheons. We want you fed spiritually, as well as lunch. If you are interested in helping, please give Zella Criscillis a call at 502-295-2338. God Bless you all. See you in March.

CONSERVATIVE CLUB

Hello All, First and foremost, I would like to extend apologies to the people who attempted to attend our last meeting, only to find that we had a change in our meeting time at the request of Administration & BOT. Unfortunately, I was unable to notify guest speakers and potential members regarding

the time change. Again, my apologies!!!

The sale of Elvis tickets went well, and I only have about 20 left. Anyone who is interested can call me at 772-646-2657 and pick them up at my house—looking forward to this show—lots of fun with door prizes, 50/50, and a special intermission.

We again have sponsored a Hole for the Veterans Memorial Golf Tournament and a Closest to the Pin Hole, and we are very proud to do so. We have decided to add America First to the name of our club, which should clarify that we are not a political group. We are American Patriots who Love Our Country. All walks of Life are invited to join us. We meet on the 4th Thursday of every month at Bldg. D&E at 2:30. Next meeting is March 28th, and we will have a guest speaker. That's all for now. Until next time, stay Healthy, Happy, and Safe. God Bless America!!!

DEMOCRATIC WOMEN'S CLUB

Happy St. Patrick's 2024 to everyone! The March 19th Florida Presidential Preference Primary is here. Ensure that you have requested your Vote-By-Mail ballot before the 03/07/24 deadline. Remember, every vote counts. Go online to <https://www.votebrevard.gov> or call 321-290-8683 for more information.

Consider reasons to vote for Joe Biden: 1) The unemployment rate has been below 4% for two years - the longest period since the 1960s. 2) The U.S. economy grew 5.2% in the 3rd quarter of 2023. 3) The Biden administration negotiated the bipartisan Senate bill on immigration - supported by the Border Patrol labor union; however, the House Republicans refused to vote on it. 4) The U. S. is continuing to negotiate with Qatar, Israel, and Egypt to pause the current Middle East conflict and to bring home hostages, exchange prisoners, and provide humanitarian aid to Gaza.

There are enough verified signatures for the statewide 2024 petition initiative to "Limit Government Interference with Abortion" so that all Florida voters can decide this critical issue. The Florida Supreme Court is reviewing the specific language of this amendment, and if approved, at least 60% of the voters in the November General Election must pass it.

If you are a registered Democrat from any state, please join us. Both men and women are welcome! Independents are welcome to attend as guests after contacting us. We meet on March 21st, the 3rd Thursday, at the regular time of 3:30 pm in Bldg. D, next to 19th Hole. Please leave a message at 772-252-9679 or email to dwcbbay@gmail.com. Bring a donation to the meeting for the local food pantry if you wish.

Hospice is where people go to die.

FACT

Hospice is a special type of care with services specially tailored to meet the needs of people and families who are facing a life-limiting illness. It is a type of care for those who want to focus on quality of life rather than only extending life. Hospice is generally provided in the comfort of your home, but can also be provided in assisted living facilities or wherever you call home. When care can no longer be managed at home, for Indian River County residents, the VNA Hospice House is available for 24/7 care.

Our March meeting will be a bus trip to Hollerbach's German restaurant located in Sanford, FL. The bus will depart the Bay at 3:30 p.m. on March 26, 2024. Tickets are \$65.00 per person and include bus fare, a family-style German meal, and tips for waitresses and bus drivers. If you have not already signed up for this trip, please contact Kathy Ford at 309/635-0300. Checks should be made out to the German Club. Kathy will be collecting checks at our Feb. 27th meeting. If this is not convenient for you, please contact her, and she will make arrangements to pick up the checkup.

Just a reminder, the Ethnic festival is March 3rd from 10:00 a.m. to 3:00 p.m. We are in need of volunteers to help serve in 1-hour increments. There will be a sign-up sheet at the Feb meeting, or contact Manny Kolz at 617/365-2123 or Kathy Ford at 309/635-0300 to volunteer.

Did you know that the German club has its own Facebook page? It's called Barefoot Bay German American Club. This is just another way to keep informed and share news.

If you are having a "Take-Out" dinner on our meeting nights, we have been asked that you pick up meals after the club has been served. This will relieve the servers from having to stop serving to box up your meal. The approximate time to pick up meals is 6:30 p.m. Thank you in advance for your assistance.

April will be our picnic. The club will supply the meat, and we are asking you to bring a side dish to share. There is no cost for this meal. Tickets will be available at our Feb. meeting. Or contact Vivian Norton at 772/202-4686. We ask that you get a ticket so we know how many are coming.

GRANT HISTORICAL HOUSE

Grant Historical House is open for tours during March on Fridays and Saturdays from 10:00 to 4:00. Special tours can be arranged by calling 321-723-8543.

GREAT LAKES STATES CLUB

Hi Club Members! May the 'Luck of the Irish' be with you.

This month's issue is prior to our February 13 meeting, which I will give a full report on in April's Tattler, including the reading of the minutes.

As for the March agenda, the main entre will be Roast Beef from MaMa Meg Restaurant. The entertainment will be the Melbourne Municipal 'Jazz Band' directed by Ben Gonzales. The committee will assign members at the February 13 meeting. Again, early seating is at 5 pm, and the dinner line-up is at 5:30 pm. Come with your 'green' on to feel the Irish mood!

I look forward to a lively evening of fun, entertainment, and 'delicious' side dishes, which are greatly appreciated and enjoyed on March 12th.

See ya all! "AYE"

GREEN THUMB GARDENING CLUB

Our next meeting will be on Saturday, March 2nd, at 9:00 near the greenhouse off of Dotti Road. Coffee and dessert will be provided.

The club has one garden plot available; call Val if you are interested.

IRISH AMERICAN CLUB

Happy March! Welcome to all, including many new members who have been on a waiting list for some time. We are happy to have you. Our Mardi Gras dinner was fun with colorful beads, a photo op area, and delicious food catered by Giuseppe's. Sign-up sheets were placed on each table to sign up for baking and also sign up to help man the Irish booth at the ethnic festival on March 3 from 9 to 3.

Our St Patrick's Day Parade is scheduled for March 17 at 10 AM. All who plan to march should arrive at the tennis courts at 9:15. Decorate your carts and come join. We will be led by our Grand Marshall, Arnie Redfern. He has done so much for the club and ethnic festival. Congratulations! Entertainment will follow the parade and bag pippers at Bldg A.

Our club dinner will be held on March 20, catered by the Bay. Tickets were sold, and for those still interested in purchasing, please call Terri Murphy at (203)592-2939.

ITALIAN AMERICAN CLUB

Our March meeting will be held at Building A at 5:00 PM on March 27, 2024. The dinner for March will be Lasagna, and the entertainment for the night is the very popular The Melbourne Band. We had a great time with them the last time they played for us. Don't miss it. April will be our last general meeting for the season. We always have a picnic-type evening with dogs and burgers. In April, we will also be playing a very popular and profitable game called "Show Me The Money." It's a card game and only costs a quarter to play per card. It's great fun and very profitable for the winners. Try to bring a roll of quarters. You'll need them. Thanks.

President

LAGOON ARTISANS

Lagoon Artisans of Barefoot Bay met on February 14th with a Valentine's Day luncheon at Sebastian Saltwater Restaurant. The agenda focused on planning the next show, March 16th, in Building A. As usual, the show will run from 10 am to 3 pm, featuring music, snacks, and a silent auction of original art donated by the members.

The season's final show is in Building A on Saturday, April 20th. An appropriate Spring theme will be selected.

Many artists engage in art shows and exhibits throughout the region. Several club members recently earned recognition at the Vero Beach Art Club's major "Art by The Sea" event at the Vero Beach Art Museum.

Viviana Molinares' "Red Bag" earned a Blue Ribbon. While Grace Cormier's hand-stitched textile and Stephanie Lovallo's assemblage sculpture "American Gothic" earned honorable mentions. Pam Morley sold her oil painting "Peaceful Poppies."

We are a volunteer organization, and our members chip in and volunteer for activities supporting the promotion and operations of the shows. The success of our recent shows is a testament to that teamwork.

Working together, we have fun while accomplishing our mission of creating opportunities to show and sell our work. The club appreciates the support of the community and the Barefoot Bay staff.

Artists interested in exploring the club and meeting the members are invited to attend monthly meetings on the second Wednesday in Building D/E at 10 a.m. LABB also has volunteer opportunities at our shows for folks who would like to engage in the art commu-

LITTLE THEATER CLUB

New Date for the March meeting of the Little Theater Club:

Tuesday, March 26 at 7 pm in Building D/E.

OPEN MIC CLUB

Hello Music Lovers. Mother nature seems not to want to cooperate with our Tuesday afternoon shows. Four out of the last six weeks have been canceled due to either high winds, rain, and cool temps, or a combination of both. When the weather cooperated, we've had many people show up to enjoy the music. Last week, Russ counted over 100 people for the first time this year. Also, we've had many snowbirds back to take their place up front with the full-time players. So mark your calendar and drive, bike, walk, or golf cart over and enjoy the free sounds of the Barefoot Bay Open Mic club. As always, you can listen to us play and sing every Tuesday from 1:30 to 4:00 under the Oaks at Pool 2. Weather permitting, see you there!

ORGAN, KEYBOARD AND PIANO CLUB

Once more, our January program proved successful as we added new members and welcomed more guests.

As the season progresses, we look forward to building a larger and improved membership coming from the new music classes in session each Tuesday morning in Bldg. C from 10:30 am to 11:30 am and the button and arranging class from 11:30 am to 12:30 pm.

Have you ever wished you could play the piano, the organ, or the keyboard? Did you ever wish you had continued your lessons? Here is your chance to begin again with a qualified teacher for free. Meet our new instructor, Scott Kaapke, who can be reached by calling 561-504-8535 or emailing AmericanMusicInstruction@gmail.com.

Meanwhile, feel free to join us at our meeting on the 4th Wednesday of each month at 1:00 pm in Bldg. A. For more information, contact our president, Rollin Rice, at 802-299-9230.

SENIOR SOFTBALL

The Senior Softball League continues to roll on through the season. Currently, Phantom Sports and Indian River Fitness share the top spot in the standings. These two teams had a rousing match-up last week where it is believed a record number of runs were scored during the 7-inning contest. Phantom Sports held a 2-run lead as Indian River Fitness came to bat in the bottom of the 7th. IRF chipped away at the lead. Finally, the winning run came across the plate, with the final score resulting in a 25-24 victory for Indian River Fitness. After the game, players from both teams commented that it was a great, well-played game. More than that, it was a lot of fun.

In another game, Phantom Sports was on the winning side of an exciting comeback. In the bottom of the 7th, they trailed Schneider Insurance 14-6. In an unprecedented rally, Phantom piled on nine runs to seize a victory from the jaws of defeat. There was no joy on the Schneider Insurance side of Mudville that day.

The League is very well-balanced this year. Though Phantom Sports and Indian River Fitness share the top spot, they are being chased by Ridge Automotive, Sabol Air, Schneider Insurance, and Affordable Air. They are all within striking distance of 1st place. There have been some outstanding plays for each team. In particular, Phantom Sports' Brad Weddle's running catch in left field. Brad said he just stuck his glove out at the last second and didn't even realize he had caught the ball. Also, Steve Trelvelino's (Ridge Automotive) impressive dance at 1st base, trying not to touch a ball that was headed foul. If you were at the field that day, you could tell your friends that you saw

It is a beautiful, though cold day in Florida, and Spring is in the air- Praise God!
On February 10th, we were blessed to have The Puffers come to our church to share their ministry. This couple entertained us with their testimonies, banter, and musical talents. They spread the word everywhere they go with so much enthusiasm and joy., We thank them for sharing!

On February 14th, we came together to remember the day we call Ash Wednesday. This particular day of reminiscing is not found in the Bible, but we use it as a start of the Lenten Season- the six weeks of studying Jesus's adult ministry leading up to Ester. With the receiving of ashes, we are reminded that we came from dust, and to dust, we will return.

On Monday mornings, you will always find a small group of women cutting, pinning, sewing, and praying over the many quilts they are making to send out to Lutheran World Relief. The end result this year was 100+ beautiful quilts that are used in many different ways to help those in need. God blesses the hands of these women doing His work here in Barefoot Bay.

Just a reminder of some significant dates coming up:

Palm Sunday- March 24th Worship Service at 10:30 am

Maundy Thursday- March 28th: Worship Service at 4:30 pm

Good Friday- March 29th Worship Service at 4:30 pm

Easter- March 31st: Sunrise Outdoor Worship at 7:00 am and Traditional Worship Service at 10:30 am

Every Sunday, we welcome all our church family and visitors to worship with us at our usual 10:L30 am service.

God loves us all!

Heads Up!

Thirty-six times, a particular phrase comes up in the New Testament. Repeats are important. When Jesus says the repeat, "Verily, verily," it's his way of saying, "Heads up on this." So thirty-six times means, "Christians, heads up!"

What is so repeated, you may ask? What should we have our heads up on? The phrase is "one another." Submit to one another. Bear one another's burdens. Encourage one another. And so on.

Many times, we say that we have a private faith, and what I think someone is saying with that is that their faith has an intimacy that they are not just simply going to wear on their sleeve. But this phrase tells us we also have a "one another" faith. Not either or but both and. This biblical faith is a team faith. I cannot be completely succeeding in it if you also aren't succeeding in it.

Join us at First Presbyterian of Sebastian as we work positively and together on a "one another faith." Sunday worship is at 10 am in a traditional but personal format. Lent offers a special season of faith expression and faith growth – Ash Wednesday Service at 5 pm with pot-luck and Wednesday pot-lucks thereafter. All are welcome.

Want to understand the culture of The Bible and The Disciples?

KNOW THE ABC'S OF MELANOMA

A is for **ASYMMETRY**.
If you draw a line down the middle of the mole, you will find that each half of a melanoma doesn't match in size.

B is for **BORDER**.
The edges of early melanoma are quite likely to be irregular, crusty or notched.

C is for **COLOR**.
Healthy moles are uniform in color. A variety of colors, especially black, white and/or blue is worrying.

D is for **DIAMETER**.
Melanomas are usually larger in diameter than a pencil eraser, although they may be smaller.

E is for **EVOLVING**.
When a mole begins to change in size, shape, color, or features or develops symptoms like itching, tenderness or bleeding, this points to danger.
