Property Values Remain Strong As Insurance Crisis Looms

By Rob Allan

A recent search on Zillow revealed the last nine homes they have listed as SOLD in the past 30 days. We acknowledge there are sales that are not listed on Zillow, but this is an obvious tool for tracking trends. Our current property values are strong, and sales have maintained at a similar pace the past three years.

A home that sold for \$99k was a single-wide built in the 70s. Two homes that sold for around \$150k were double-wides built in the 70s (one appears to be in Snug Harbor). The two homes, around \$200k, were built in the 80s. The home that sold on the golf course for \$287k was built in 1999. The home that sold for \$242k was built in 2000 and backs up to a canal. The home that sold in the Indian section for \$251k was built last year. A home in the Nut section sold for \$254k is also brand new. There is a clear correlation of value based on the size, year of manufacture and location of your home in Barefoot Bay.

Double-wide homes (built in the 80s and 90s) continue to sell in the \$200k range and will get more, or less, depending on condition/location. Homes built in the 70s are in the \$100-\$150k range; similarly, single-wides sell for less than \$125k. All of these homes are different and are selling to different buyers with different needs.

The upper-end sales for homes over \$200k could take a hit as a new rule, beginning June 1, requires Replacement Value (RV) insurance on mortgaged homes. This rule, required by Freddie and Fannie, covers all government-backed loans and may be adopted by all lenders in the near future. Replacement Value policies are only available for homes manufactured after 1994. Sales of homes manufactured before 1994 could be blocked from government-backed loans. Those buyers that move forward with a VA or FHA loan could find insurance costs prohibitive, with premium prices ranging from \$3500-\$6000 annually for an RV policy. Those selling an older home may need a cash buyer who accepts the risk of finding adequate insurance or self-insuring. A majority of homes in Barefoot Bay were built before 1990, and we could see sale prices suffer because of this new rule.

The insurance crisis continues to cause grief in our community as policies are dropped

and homeowners scramble to find new insurance companies willing to insure a manufactured home. Most older homes are currently covered by policies that will only pay the Actual Cash Value (ACV) of your property, leaving many with inadequate coverage if their home is totaled in a future storm.

Manufactured homeowners are chronically underinsured in Barefoot Bay as residents drop their windstorm coverage due to the increase in premiums. We lost over 800 homes in 2004 when almost every home in Barefoot Bay had windstorm coverage, and it took years to recover. If we see a Cat 3+ hurricane hit Barefoot Bay again, property values for homes and lots will suffer as residents struggle to rebuild without adequate insurance.

Barefoot Bay Brightline Fatality

An unidentified man was killed when he stepped in front of a Brightline train where the tracks meet Barefoot Boulevard next to our emergency response station on April 18 around 11:15 am. First responders were there almost immediately and quickly contained the scene. Barefoot Boulevard was blocked for almost five hours as the Brevard County Sheriff's Office investigated.

This makes the fourth fatality in Brevard County since the Brightline trains started running last year and the first for Barefoot Bay. A Brightline train takes less than 30 seconds from the time the bells start ringing, and railroad crossing arms drop for it to pass, and the crossing is clear again. The trains are traveling approximately 80 miles per hour through our area.

BOT Happenings:
 03/26/24
 Resolution 2024-04 Disability Fee Waiver Application Policy was passed. This gives a no-charge guest pass for a totally dependent person (as defined in the Policy manual) to be used in conjunction with the caregiver's pass.

The annual audit report was presented. The representative, Allen Rickelford, from MSL, P.A., advised the Board about the audit findings. The auditors found the financial reports free of material misstatements and no significant audit findings. This is another clean bill of health for our Finance office.

04/02/24
 The 2nd budget meeting was held on Tuesday, April 2nd. There were no surprises. The Board accepted the staff's recommendations for most of the budget. There were just a few questions, and the budget is expected to be accepted. There will be a 3rd meeting to get the answers to the questions and finalize those lines.

04/11/24
 DOR Violation 22-000500 605 Tarpon Drive was forwarded for legal action. Aquasol Commercial Chemical, Inc. D/B/A Poolsure was chosen to supply our pool chemicals.

The discussion on the "Single Owner on Deed receiving an additional pass" started. A few options were discussed. The topic was to be discussed at the Town Hall meeting on 4/25/2024 for resident input.

The General Counsel requested the Board amend the start time for the following meeting dates from 1:00 p.m. to 3:00 p.m.:

- April 23, 2024
- May 28, 2024
- June 25, 2024
- August 27, 2024
- September 24, 2024

The board unanimously passed the motion. Many people are concerned about insurance costs for manufactured homes. Remember that the state has chartered this area as a "manufactured home special recreation district."

We have tasked our legal advisors, the Voss Law Firm, LLP, to investigate the possibility of any rezoning that may be needed to mix housing types in this district. Also, what effect would this have on the status of our charter? Even if zoning allows a "stick-built" home, our Deed of Restrictions does not. At this time, the DOR has defined the two types of houses that can be placed here. They are a manufactured home and a modular home. The date of manufacture must be within four years.

Starting July 1, 1999, they cannot be less than 20 feet wide and must be 30 feet or more long. They must also meet all applicable county and state codes.

To change the DOR, an ad hoc committee must form, select changes to make, and then send a ballot to every lot owner for a vote of Yes to allow or No not to allow for each change.

- Upcoming meetings:**
BOT Regular Meeting: Tuesday, April 23rd, Bldg. D/E at 3 pm.
Town Hall Meeting: Thurs., April 25th, Bldg. D/E at 7 pm
BOT Regular Meeting: Thursday, May 9th
BOT Regular Meeting: Tuesday, May 28th, Bldg. D/E at 3 pm.

A Word From the CVO

April Showers bring May Flowers? I think that is just a “northern” saying. I know that we are going into rainy/hurricane season, but a little rain right now would be so very nice!

I recently had a friend tell me that Barefoot Bay is “her Mayberry.” This made me smile, but it also got me thinking about how many of us are seeking “our Mayberry.” Did you dream about that day when retirement would come, and did you study the literature that was available to find that perfect place to spend those “golden years”? I’ve heard Barefoot Bay called so many things...,” “my land cruise,” “ my Paradise,” “my dream,” and now “my Mayberry.” The bottom line is that it is our home. It comes with so many amenities, some deeds of restrictions and rules, and certainly a piece of mind that comes with knowing that the majority of the residents are all seeking that final place to live and play. And Barefoot Bay Residents play hard and often! It is in our best interest to keep ourselves updated as to the changes and events that are coming to us on a daily basis. You can keep yourself informed through many venues. There is the Barefoot Bay website that has calendars, events, Board of Trustee agenda & meeting minutes, budgets, lists of current projects being worked on and future projects coming up, your deed or restrictions, and all manner of information. Check under bbrd.org and know that you are getting the most accurate information. Also, while you are there, sign up for the Peak At the Week, which can be sent to your email on a weekly basis. We have a lighted sign at the entrance of the parking lot going into the community center area, which continually keeps you up to date on the comings and goings. And between Facebook and the Tattler, the residents of Barefoot Bay should be well informed!

It’s up to us to make “our Mayberry” an integral part of our lives. So, with that thought in mind, I wish to encourage you to attend the upcoming Meet N Greet and educational programs that will include our candidates who will be looking for our votes this November. Also, there is information from our Brevard County Flood Management regarding our status in a flood zone. Our new Brevard County Commissioner of District 3 is so very important to us if we are concerned about our water, our waterways, transportation, our infrastructure, and more. There seems to be a question as to whether or not Barefoot Bay is really in a flood zone. Let’s get some answers from Brevard Country Flood Management!

Candidate Meet and Greet – Tuesday, April 30 in Building A: John Dittmore, Candidate for District 3 Commissioner; Sheriff Wayne Ivey, Candidate for Sheriff; and John Thomas, Candidate for School Board. 6 – 8 p.m. Light Refreshments.

CVO Bingo on Wednesday, May 1, in Building A – Doors open at 5 p.m., and games begin at 6 p.m. A card for 14 games is \$20, and two bonus games are \$1 each. Food will be available for purchase, but no alcohol.

Barefoot Bay Budget Workshop – Tuesday, May 7 at Building D & E – 6 p.m.

Brevard County Flood Management – Wednesday, May 8, Building A – 5 to 7 p.m.

Candidate Meet N Greet – Wednesday, May 15 – Building A – 4-6 p.m. Dana Bickley, Brevard Co. Property Appraiser; Lisa Cullen, Brevard Co. Tax Collector; and Rachel Sadoff, Brevard County Clerk of the Circuit Court & Comptroller. Light refreshments

Brevard County Candidate for District 3 Commissioner—Yvonne Minus, May 22, Building A, 5-7 p.m.—Yvonne Minus was in Barefoot Bay on April 10, and residents had many questions for her and asked her to return with those answers. She will be here on Wednesday, May 22, with those answers.

A monthly column to help answer your home care questions

Mental Health Awareness Month

May is Mental Health Awareness Month, and we're going to shine a spotlight on how aging impacts your mental health. The positive news is that the majority of older adults are not depressed, according to the CDC, but there is still a lot more to unpack for those seniors who have challenges with their mental health. Below, we answer your questions:

Q: Is depression just part of getting older?

A: No, not necessarily. Just because a person is aging doesn't mean they automatically will get depressed. And according to the CDC, the majority of older adults are not depressed. However, also according to the CDC, while depression is a real medical condition and not a normal part of aging, older adults are at an increased risk for experiencing depression.

Q: I've noticed that my wife, who is 76, has become in an increasingly dejected mood for no particular reason. Is this depression or just "the doldrums," as she puts it?

A: To answer that question accurately, your wife should see a mental health professional. Generally speaking, though, according to the CDC, "Depression is not just having 'the blues' or the emotions we feel when grieving the loss of a loved one. It is a true medical condition that is treatable, like diabetes or hypertension." Depression is more common in people who have other illnesses, such as heart disease or cancer, or whose function becomes limited.

Q: I am 73 and in good physical health, but I have been feeling inexplicably down for a couple of months. Nothing has changed in my life; I still have friends, a social life, and exercise (not as much as I used to), but the truth is, I don't even feel like getting out of bed most mornings (and sometimes don't). I thought I was depressed and saw my doctor, but he said that it was "probably nothing" and that I just needed to "exercise more." Is he right?

A: You should get a second opinion and make sure the person is a mental health professional and, if possible, someone with experience treating seniors. The reason for this is that, according to the CDC, seniors are often misdiagnosed and undertreated. Some healthcare professionals, including mental health professionals, may mistake an older adult's symptoms of depression as just a natural reaction to life changes that may occur as we age and, therefore, not see depression as something to be treated. Older adults themselves often subscribe to this too and, therefore do not seek help because they don't understand that they could feel better with the correct treatment.

Q: How do I know if it's Depression?

A: According to the CDC, a person who is depressed has feelings of sadness or anxiety that last for several weeks at a time. They may also experience the following:

- Feelings of hopelessness and/or pessimism
- Feelings of guilt, worthlessness, and/or helplessness
- Irritability, restlessness
- Loss of interest in activities or hobbies once pleasurable
- Fatigue and decreased energy
- Difficulty concentrating, remembering details, and making decisions
- Insomnia, early-morning wakefulness, or excessive sleeping
- Overeating or appetite loss
- Thoughts of suicide, suicide attempts
- Persistent aches or pains, headaches, cramps, or digestive problems that do not get better, even with treatment

Q: Are there treatments for depression?

A: Yes. Treatments may include talk therapy with a mental health professional, antidepressant medication, or a combination of both. To know what's best for you, seek out a mental health professional. Please note sometimes it takes a bit of trial and error to find the right medication, but always only undertake psychotropic medication under the auspices of a doctor. The good news is that, according to the CDC, the majority of seniors will see an improvement in their symptoms when treated with antidepressant drugs, psychotherapy, or a combination of both.

But most importantly, if you or a loved one is in crisis and at risk of harming themselves, then seek help immediately:

- Call 911
- Visit a nearby emergency department or your health care provider's office
- Call the toll-free, 24-hour hotline of the National Suicide Prevention Lifeline at 988 to talk

ZUDANSEYE SURGERY

WHAT DID THE OPHTHALMOLOGIST SAY WHEN THE PATIENT COMPLAINED ABOUT HIS JOKES?
 "BAD PUNS ARE HOW EYE ROLL."

Dear Valued Patients,

Receiving an age-related macular degeneration (ARMD) diagnosis can be daunting, especially considering historical outcomes before modern therapies. ARMD is a progressive eye condition affecting the macula—the central part of the retina responsible for sharp, central vision. Its two main types are dry ARMD, involving the gradual breakdown of light-sensitive cells, and wet ARMD, characterized by abnormal blood vessel growth beneath the macula, leading to bleeding, swelling, and rapid vision loss.

Prevention is key. Smoking and poor diet are major controllable factors for ARMD, while genetics can also play a role beyond your control. Combatting these risks involves adopting proactive measures, such as a ketogenic diet enriched with dark green leafy vegetables like spinach, kale, collard greens, and arugula. These veggies contain lutein and zeaxanthin pigments, which deposit in the macula, protecting against oxidative damage—a crucial factor in ARMD progression. Avoid processed foods, especially toxic seed oils like canola, corn, and vegetable oil.

The landmark AREDS2 study, spanning over 15 years with thousands of patients, demonstrated that a specific multivitamin formula reduced the relative risk of ARMD progression by one-third.

Regular vision monitoring is vital. Besides annual retina exams, check each eye separately monthly, immediately reporting any distortions or missing areas on the Amsler grid to your ophthalmologist. Such distortions may signal retinal changes, indicating the shift from dry to wet ARMD.

Untreated wet ARMD can lead to irreversible scar tissue formation and permanent vision loss. Fortunately, anti-VEGF drugs, repurposed from chemotherapy, can treat wet ARMD and prevent scarring. These drugs necessitate periodic injections through the white of the eye after numbing drops to maintain vision and prevent further damage.

Don't let ARMD rob your sight—take proactive steps to safeguard your vision and preserve your quality of life!

The Long Game

I love movies about golf. Many have made me smile, if not laugh out loud, like *Caddyshack* and *Happy Gilmore*. *The Greatest Game Ever Played* is one of my favorite movies and is based on the true story of Francis Ouimet, a 20-year-old caddie who incredibly won the 1913 US Open. After tying British golf pros Harry Vardon and Ted Ray in regular play, he defeated both in the 18-hole playoff round. I can watch that movie over and over again.

Also based on a true story, the young Mexican Americans in *The Long Game*, showing in limited theaters, took a similar route as young Francis Ouimet, practicing on a short course they built themselves while also caddying at the local country club while sneaking onto the course at night to practice their putting on actual greens.

Their local high school administrator, also a Mexican American, played by Jay Hernandez, denied membership to the same country club where these young men caddied, forms a high school golf team to challenge the young men to take their golf game to another level while also playing golf courses that their heritage might otherwise preclude them from playing. We're reminded, often, that golf is a game, played by the rich and, in the 1950s, primarily Caucasians. With the help of his friend and mentor, portrayed by Dennis Quaid, they coach these young men on what it means

to play by the rules, even when they're not in your favor. With skill, class, and used clubs and golf shoes provided by the country club groundskeeper, played for comic relief by Cheech Marin, they win the 1957 Texas State Golf Championship on the course where they caddied.

The film is enjoyable and will win the hearts of golf lovers and those who enjoy the underdog story. I know a few of those people right here in Barefoot Bay.

Longhorn's Steakhouse

Longhorn's Steakhouse is one of the better chain restaurants in the area. It is known for its expertly crafted steaks and seasonal menu items that vary. We were seated quickly, being there right at 5 p.m. on a weeknight, but dinnertime, especially on weekends, fills up fast. However, you can join their waitlist.

The ambiance is pleasant, with a ranch-style western theme that's not too kitschy. Deep brown leather-stitched booths, cowboy art in the style of realism, and silhouettes of horses and cowboys surround the venue.

The wait staff was pleasant and no manager came by to check on things, but there really wasn't a need. The server started us off with a small loaf of fresh-baked brown bread and whipped butter. There's nothing wrong with that! We opted for a couple of reasonably priced (nowadays) ribeye steaks that were cooked accurately to order. Longhorn steaks are butter-basted at the end - with fresh butter and seasonings melted over the top at the end of grilling, making for a fantastic finish by itself.

I was in a cheesy mood and topped mine with the Parmesan crust...but it really was a bit too rich for a steak (highly recommend the Parmesan chicken, though!). The sides were nice, love roasted Brussels sprouts, and these were toasted then drizzled with a light honey which were very nice. I had the triple cheese 'n bacon macaroni and it had a bit less sauce than usual, but with all that parmesan cheese crust, I was glad of it. The second side was a fire-roasted Mexican street corn with sweet, tender kernels under a coating of seasonings, sprinkled cotija cheese, and a dusting of breadcrumbs. Great match with the stand-by loaded baked potatoes, no complaints here.

When you visit Longhorn's, you can count on the quality and flavors and you're unlikely to be disappointed in your meal. The menu is varied enough for everyone to find something they like. The Firecracker chicken wraps and a salad are a pretty fantastic meal by themselves!

All in all, everything was good, as anticipated, and a reliable standby for the money spent on dinner out.

Underinsured Homeowner at Risk

I own a 1981 home with a mortgage of \$44000 remaining and am insured for \$56000. I'm considered low-income by the state. Obviously, if a major hurricane comes, I will not be able to rebuild and will have to vacate the place I consider paradise. In my opinion, the people who object to your thoughts are the ones who can and would rebuild and really don't care about others who can't. I support your hard work completely! Thank you. Have a great weekend in paradise.

-Editor's note: Thank you for your letter. You are not alone. Many homeowners who live in our community are retired and on fixed incomes. Few are wealthy. Most of us in Barefoot Bay are underinsured in the event of a catastrophe, with most insurance policies for a manufactured home maxed at \$100k before depreciation! I owe \$47k and have about \$75k in insurance for my 1985 home. I would find rebuilding and qualifying for a new loan difficult if I had to borrow \$200k! Fingers crossed, we don't see a bad storm this year.

My goal of seeking alternatives to a double-wide manufactured home in Barefoot Bay has largely been supported by those few I have met personally and interacted with on social media. But not

everyone thinks smaller homes are the answer. There are those who think less expensive options are to the detriment of the community and our property values. I disagree. We've always had less expensive options to purchase in Barefoot Bay (there are plenty of single-wides here), and sales of those homes have not hurt my property values. A disaster is a disaster for property values, regardless of the size of the home you live in.

This is a long-term project. I will work on building consensus before approaching the Board of Trustees with any proposal. There's a lot to consider, and we want those decisions based on facts, not hyperbole.

I appreciate your support.>

 ...MAKING A DIFFERENCE IN OUR PATIENTS' LIVES AND IN OUR COMMUNITY!

MYTH

Choosing hospice means that you've given up hope.

FACT

Electing hospice doesn't mean you've given up or are days from dying. It means you've chosen to live with dignity and quality. There are many physical, emotional and spiritual benefits that hospice has to offer both the patient and family. Studies have shown that when elected early, hospice patients have a longer life expectancy than those receiving standard care. This is due to the focus on increasing quality of life and minimizing pain.

Thank you, Barefoot Bay, for making L.O.L. Living Out Loud Youth Group's 2nd Annual Easter Egg Hunt a huge success! A special thank you to our L.O.L. teenagers who helped us out: Skylar, Jazz, Ryan, Sean, and Jade! With the help of many volunteers and donations, we hid 8,000 eggs and gave away 70 Golden Egg Prize Baskets! I hope your siblings had an awesome time, and I hope you will volunteer to help us next year! Your parents can drop off used and new eggs at the CVO office or contact me for pick up.

L.O.L.'s Mother's Day Fundraiser is May 11th, starting at 9:30 AM in the field behind Holy Cannoli. Follow L.O.L.'s Facebook page to sign up for a specific time slot, or contact me at 360-566-3427. Kids ages 3-17 will make floral arrangements for the important women in their lives, with a suggested \$5 donation per arrangement. Let your Dads know this is a great way to celebrate Moms, Grandmas, Bonus moms, Aunts, etc.

L.O.L.'s summer softball is coming up quickly. Practice will be on Tuesday and Thursday evenings starting June 4th, with the tentative time being 5:00 PM - 7:00 PM. All kids should have their own gloves. Feel free to bring bats, too. Contact me to sign up ASAP.

Barefoot Bay's Young Christian Youth group meets on May 7th and May 21st in Building C from 5:30 to 7:00 PM. This is a nondenominational program that shares God's word to help kids. Meetings include a free pizza dinner, fun activities, and Bible study. All ages are welcome. RSVP to Lynne Fraser at 239-404-4788.

Mini Golf Fundraiser

Back in March 2023, there was a vision that we could raise the funds to enhance the current Mini Golf Course here in the Bay. For any of you who have played or brought your children or grandchildren to play, you know that some improvements are needed. Since this was not within our budget for the foreseeable future, what better way to get it done than to get the community involved? We spoke to Kent Cichon and received verbal approval from the BOT in April 2023. The fundraising committee was established, and fundraising efforts kicked off in November 2023. The committee consisted of Carol Boetcher, Chuck Horning, Cyndie Bourassa, Dick Tanger, Gail Morrison, Gary Schub, Jack Hansen, and Sarah Martabano, with Debbie Allen Brown as our driving force!

Our efforts included articles in the Tattler, many Facebook posts, flyers, and signs at the CVO office and the Admin Building. We also had a booth at the American Legion Flea Market and at the Barefoot by the Lake festival, complete with a putting green similar to the new proposed turf. There were also a couple of fundraising events held with thanks going to Anthony Florio for his night with the Yankee Bat Boy and to Tim and Janice Hannify for the Bye Bye Birdie dance. Both events were very successful and put us over the top of our goal.

The biggest thank-you belongs to this amazing community: those who sponsored holes, the clubs that donated money, the individual sponsors, large and small, and all those who asked their organizations for donations. This was truly a community effort!

At the BOT meeting on Tuesday, March 26th, after much discussion with the board to ensure that all our T's were crossed and I's dotted, the board voted to accept our gift of the monies raised and approved our proposal. A check was given to Kent on Thursday, March 28th, and we are scheduled to have a Turf Doctor come to do the installation this month. We will keep you updated on the progress as this project moves along with plaques for the donors, some new landscaping, etc.

Thank you again for all your support!

AMERICAN LEGION AUXILIARY #366

The Ladies Auxiliary of the American Legion will hold its second annual Luau on April 27, 2024, in Building A in Barefoot Bay. The show will feature Hawaiian dancers and music. Dinner will feature Polynesian food, basically pork, rice, and pineapple. Tickets are available from Paradise Real Estate for \$20.00 per ticket. Feel free to dress in the island way.

We will elect officers at our next membership meeting, which starts at 1 p.m. on April 15, 2024.

As always, guests are invited to our meetings. Coffee, soft drinks, and dessert are always available.

For God and country,

Sue Reddy,
1st Vice President

AMERICAN LEGION POST #366

Barefoot Bay American Legion Post 366 continues regular meetings. We meet on the third Tuesday of each month at 1 p.m. in Building D. The next meeting is on May 21. We are still searching for an Adjutant, Historian, and second Vice Commander. This will be the last meeting until October 15.

Please note the evening veterans' service hours have been temporarily suspended.

The LEGION Act was passed by Congress and signed, removing the "date gaps" in order to join the American Legion. Any member of the military who has served honorably since Pearl Harbor Day (1941) is now eligible to join.

Jeff Grunow
Commander

ARTISTS GUILD

We hope everyone is enjoying the lovely weather that we are having. It is a grand time to go to the beach or have a picnic.

Joan Whitton, our Artist of the Month for May. You may see some of her paintings in Building A from May 1 to May 30th.

We welcomed a new member, Josie Coyle, to our Art Guild group.

Our last Business meeting for the Season was held on April 5th. Along with the meeting, we had an ice cream social to wish everyone a magnificent summer. It is time for the snowbirds to go North and relish their summer.

We had two Special Guests at our meeting this time. Lorri Cook with Barefoot Angels visited with us. She shared her group and how we may be of service to the Seniors living in Barefoot Bay. We will plan times to help create art with people who cannot leave their homes but want to be involved with crafts or painting.

Our second guest was Christine Bartolomeo with Living Out Loud for the youth in Barefoot Bay to explore where we could blend with kids in this group and help with creativity in the Art Field. This would give these kids another fun activity to enjoy.

There is always something to do in the Bay; however, a few seem left out sometimes. We continuously look for ways to involve art and activities in our community. This would be a very stimulating time for children and older Seniors. We will work closely with both groups in the future and involve the art world in our Barefoot Bay Families.

Until the next Tattler issue, stay safe, have a grand summer, and enjoy life's blessings.

Bonnie J. Murphy

BOAT AND FISHING CLUB

The Ship's Bell called the meeting to order at 7:30 p.m. on Friday, April 12 in Building D&E. Commodore Steve Johnson asked members to stand for the Pledge of Allegiance.

Following Yeoman's report by Pattie Andryshak and Purser's report by Paul Levesque, members heard a report from Vice Commodore Linda Lesnewski, who informed the club she continued to work on speakers and presenters for future club meetings. She also asked for input and ideas on these guest speakers.

Rear Commodore Jim Hale asked someone to volunteer to fill the club's propane tank for the upcoming event at Micco Park. Paul Levesque offered to handle that task when he prepared coolers and ice. Following Jane Jones's Sunshine Report and the introduction of new members, the club heard fishing reports, including information from Tom Smith, John Nelson, and others.

Pam Williams outlined plans for the April 17 Cheeseburgers in Paradise event at Micco Park (also known as Margaritaville for the day). The fun begins at 11:30 and continues until 3 p.m. with a contest for Best Tropical: Hat, Flip Flops, Shirt, and Complete Outfit. Contact Pam Williams or Lea Levesque for more information.

Caroline Andryshak handed out prizes for the 50/50 raffle.

Since many members will leave for the summer, this is the last regular meeting until October 11. Short notices and information will continue throughout the summer in the Tattler and online.

The club is asking members to volunteer as hosts for the next event, Octoberfest, which will be held on Wednesday, October 16, at Micco Park. Contact Jim Hale to volunteer.

The meeting was adjourned.

Jim Hale

BRITISH CLUB

Our 34th Anniversary Party was held on April 2nd in building A this year. This was a good thing, too, since the temperatures were high and a bit muggy. It was nice to be in the AC, especially for those who liked to dance.

On all the tables, we enjoyed pulled pork, cheeseburger sliders, Cole slaw, and potato salad. The board provided the delicious Anniversary Cake as dessert. As usual, Dougie provided the entertainment and kept things moving with great music. All those with April-October birthdays and anniversaries were recognized and serenaded.

Starting in June this year, our meetings will move to the third Tuesday of the month in building A. This will prevent clashing with other events held in building A, such as voting and little theater. We will also be eating at 5:30, with cocktails starting at 4:45. We will have some new menu items, including Prime Rib for our Christmas dinner

See Club News Page 15

and music bingo for our January Scottish Night.

Summer Fun Nights start Tuesday, May 7th, in building A. Our meal will be French Dip, mushrooms, and onions on a hoagie roll with French Fries, Cole slaw, and brownies for dessert. Join a game table or bring your own games. These nights are always a great time to build friendships or to meet new friends. Starting in June, the Summer Fun nights will be on the third Tuesday of the month. Cocktails start at 5:15, and dinner will be served at 6:00 PM.

Tickets are \$15.00, and you do not need to be a member to attend, so bring a friend or two. Please contact Debbie O'Hara at 321-408-1687 for tickets by May 2nd.

Safe travels to all of our seasonal friends. Stay safe, and see you next season!

Cheerio,

Cyndie Bourassa

CANADA CLUB

As April begins, it is time to say goodbye to all our Canadian snowbirds. At the end of March, a very successful picnic was held at Fisherman's Landing. Although the weather didn't really cooperate, all who attended had a great time. Pushing Time provided music. Thanks to Glen and his team for the great meal and Paul and Terry for their fun games that created many laughs.

On April 5th, the Canada Club hosted a farewell happy hour get-together. We had a great turnout for this event, and many goodbyes were said as we all headed back to our Canadian homes for the summer.

At this time, Karen and I would like to thank everyone involved in making this year's many events a success.

Hopefully, everyone has a safe trip home and a great summer.

See you all next season.

Brad

CHESS CLUB

Chess Club meets in Building C 8:30 -12:00 every Wednesday. All skill levels are welcome.

On the 1st Wednesday, we offer instruction if you want to learn or improve.

Come join us; you are welcome to come and watch.

CHRISTIAN WOMEN'S CLUB

Easter came early this year, so we did not get to celebrate the most important date in Christianity until our April luncheon. On Easter, Jesus went to the cross, taking our sins with him. He died a horrendous death and was buried. But then, the miracle occurred, just as He said it would. He arose to live again, bringing salvation to all who believe in Him as Lord and Savior. I thank Him every day for what he did for me and you. If you need to talk to someone, see one of us. We will also help you find a church of your choosing.

We had nearly 100 women registered. As usual, Dottie and her crew did a beautiful job with the food. Having had that job myself, I know how much work it is, and they deserve many thanks! Some of the women dressed up to celebrate Easter, and many wore Easter bonnets. It made a lovely picture.

The speaker was Loretta Dozier, a wonderful woman who is the president and founder of an after-school program called the Bible Club. They are in 43 elementary schools in Brevard County. This lovely woman has been doing this for 18 years on a volunteer basis!! Loretta told us about the club; then, she demonstrated how they teach the children about the Bible and Jesus. Many of them do not know what a Bible is. It was easy to see why the children would love learning from her. Children have to be signed up by their parent or guardian. If you want to donate or volunteer, please contact me for her information.

Our next meeting is May 14. We will celebrate Mother's Day with a tea. Please

bring a cup and saucer for your tea! Call Ruth at 772-202-4251 for reservations. Hope to see you there, God Bless Everyone!

Jane Fruscella,
772-202-4214

COMPUTER CLUB

The April 26th meeting of the Barefoot Bay Computer Club will be held at Building D&E. Come at 6:00 pm to have refreshments, look for individual help with issues you may be having, and enjoy some social time. The business meeting begins at 6:30, and the evening program will follow. This month, we will be looking at the programming on your computer, how to find it, and how to download the applications (apps) that you would like to have. Much of the information also applies to downloading apps on your cell phones. We will also look at some convenient products that you may want to purchase before the arrival of storms that may cause power outages for extended periods of time.

The Computer Club will not meet from May through August; however, the members are available to offer assistance with questions you may have about your electronics. Please call 772-663-0314 if you need help with your electronic devices.

CONSERVATIVE CLUB

Hello All, Happy Spring!!! "Oh, what a nite" we had on April 6th...The Sold Out "ELVIS" show was a huge success. We began the evening by demonstrating the Folding of the American Flag while explaining what each fold represented. We also had an MIA table set up with an explanation. The flag folding was accomplished by a US Marine & Bob Kahl, a local Vet. We were pleased that Gus Brown volunteered to play Taps. ALL Vets were Thanked for their service. The room was filled with Proud Americans, and the Patriotism was apparent... After the Flag Folding, Elvis was introduced, and He came onstage in an Army uniform. And within minutes, the dance floor was full. Thanks to ALL who helped to make this event Fun & Successful. There are people who are asking when the next show is...

Remember we meet on the 4th Thurs. of each month at 2:30 pm at Bldg. D&E All Patriots, Welcome... we'd Love to meet You... Until Next Time...

DEMOCRATIC WOMEN'S CLUB

The Florida Supreme Court finally approved the text of the 2024 petition titled "Limit Government Interference with Abortion." This petition limits government interference with a woman's right to choose. Now, all Florida voters will be able to vote on this critical issue in November's General Election. Many volunteers helped to bring this issue to the voters. Thank you!

At this time, we are contacting Democratic voters to encourage them to vote to protect Social Security and Medicare, Women's reproductive health, Clean water, Equal rights for everyone, and make our communities safer by ending Gun violence. We are encouraged by the fact that over half of registered voters in Barefoot Bay are either Democratic or Independent (NPA's) as of 04/08/24.

The Florida August Primary on August 20th is only 116 days away. Verify your Registration before 07/22/24. Ensure that you have requested your Vote-By-Mail ballot before the 08/08/24 deadline. Early Voting is from 08/10/24 to 08/17/24. Remember, every vote counts. Go online to <https://www.votebrevard.gov> or call 321-290-8683 for more information.

If you are a registered Democrat from any state, please join us. Both men and women are welcome! Independents are encouraged to attend as guests. We meet on April 18th, the 3rd Thursday, at the regular time of 3:30 pm in Bldg. D, next to 19th Hole. If you wish,

EUCHRE CLUB

We play Euchre every Wednesday night in Bldg. D/E, which is at the golf course. We play all summer, so come join in. Come by yourself or bring others; we arrange tables as needed. Play begins at 6:30 PM but come a little ahead of time. If you have any questions, call Lois at 772-664-1199 (it is a landline number).

GARDEN CLUB

The Barefoot Bay Garden Club performed its yearly service project at Joe's Club. The Courtyard beds received a clean-up, and 25 bags of mulch were donated and spread. The scrubs received a much-needed trimming, and garden art in the form of seashells was added. Joe's Club now has a serene area for its clients to enjoy!

GRANT HISTORICAL HOUSE

The Grant Historical Society plans to hold the annual Pioneer Fish Fry at the Historical House on May 4, 2024. The hours are 5:00 PM—7:00 PM. Tickets are \$15.00, and children 12 and under are \$7.00. The menu includes fish, hushpuppies, coleslaw, cheesy grits, collard greens, dessert, and tea. In case of rain, the event will be held at the Grant Community Center located on 1st Street.

The Grant Historical House (Bensen House) is located at 5795 US 1, Grant/Valkaria, FL 32949.

For more information or to order advance tickets, call 321-794-9393.

GREAT LAKES STAKES CLUB

Hi Club Members! May Submission is a review of the April 9th meeting.

Richard LaPage had come in for a little while because he had a shot in his lower back. Then Gary Bacon filled in as Co-Chairman to continue the meeting agenda.

It was a fun night with DJ Dave doing Music Bingo. We had 10 Lottery Winners. The last song sheet for a full check-out had 15-\$5.00 winners with the song "On the Bayou." What a thrill! 53 members and four guests enjoyed three varieties of meatballs, which Terri G and Karen Bacon had bought from Sam's Club/Winn Dixie. Again, plenty of delicious side dishes were all gone! The 50/50 had three winners.

Richard LaPage will provide the meat entree of chicken baked/fried for our next November 12, 2024 meeting. We haven't decided who the entertainment will be until after the Steering Committee meets sometime in late May. It will be mentioned in the 'Peek of the Week' the week before that date and in the October Submission.

May everyone have safe travels and a pleasant summer. Stay Healthy and Wise! Watch out for Summer bugs that don't sting. Take Care.

GREEN THUMB GARDENING CLUB

We had our end-of-season Garden Party on April 6th. It was well attended and featured lots of wonderful food, games, and great company. Everyone had a fun time.

We will have our next meeting on the first Saturday in September. For all who are traveling back, be safe, and if you get a chance, share your summer gardening ideas with us.

Have a great summer.

LAGOON ARTISANS

Lagoon Artisans of Barefoot wrapped up a busy year with their "Spring Fling" show on April 20th. The month also saw the group hold its final meeting of the year and a luncheon at Khobkhun Tai and Sushi restaurant in Roseland. The agenda focused on planning the next year's shows and wrapping up business for the season.

Member Viviana Molinares demonstrated the technique of constructing canvases of any size using stretchers and cloth. She created a 3 b 4-foot frame in under 20 minutes.

During the meeting, the suggestion was explored to partner with local businesses or agencies to have representatives available at art shows to draw a broader crowd to our shows. Some suggestions included HALO, local realtors, restaurants, and other service providers. Anyone interested in exploring such an event should contact the club to explore the potential benefits of such a collaboration. Local musicians are also encouraged to join us.

Working together, we have fun while accomplishing our mission of creating opportunities to show and sell our work. Members also enjoy learning from each other. The club appreciates the support of the community and the Barefoot Bay staff. We will all be busy this summer creating new art and learning new skills and techniques.

Artists interested in exploring the club and meeting the members are invited to attend monthly meetings on the second Wednesday, beginning October 9th, in Building D/E at 10 a.m. LABB also has volunteer opportunities at our shows for folks who want to engage in the art community but are not necessarily artists wishing to display art. Dues are cheap at \$15 per year. Show fees are \$10 for members.

Text me an email address if you wish to join our contact list, attend a meeting, or keep up to date with club events.

LINE DANCE CLUB

Learn to line dance to country classics while supporting our local veterans, their families, and the Barefoot Bay Community!

The Barefoot Bay Line Dance Club will meet on Thursdays, May 2, 9, 16, 23, and 30, in Building A. Dona Gionet will instruct, assisted by Eileen Derrick.

The schedule will be:

9:30 a.m. to 11 a.m. -- Beginner class with instruction

11 a.m. to 11:30 a.m. - Improver level with open dance and requests.

Each class will cost \$5 for Barefoot Bay residents and \$10 for non-residents. Please remember to bring your badge each week. At the end of the season, a portion of all monies collected will go to our Veterans.

Hope to see you on the dance floor!

We must say goodbye to Lyn Simmons. Lyn has been our President and member for many years. She will be moving to Maryland to be closer to her family. We shall all miss her.

Have a great summer and safe travels for those of you who will be traveling. We plan to meet again in October. We will send out an email blast with more details. We are also looking for a volunteer to be Vice President. I'll be glad to give you the details.

OPEN MIC CLUB

Hello Music Lovers! Our weather has been windy the last month, but the temps have been warm enough to make our Tuesdays enjoyable. The crowds were great, and everyone seemed to be enjoying themselves. Remember to check the Barefoot Bay Open Mic Facebook page on Tuesday morning for any updates regarding our performance that day. So remember to mark your calendars and drive, bike, walk, or golf cart over and enjoy the free sounds of the Barefoot Bay Open Mic Club every Tuesday under the Oaks at Pool 2 from 1:30 to 4 pm. See you there!

ORGAN, KEYBOARD AND PIANO CLUB

Once more, the winter season brings our club closer. On April 24th, the final meeting for our regular musical program will end.

We wish all our snowbirds a safe trip home and a pleasant summer with family and friends.

While many of you are traveling home, several of our new students here in the Bay will continue with weekly lessons. Anyone interested in free lessons should call Scott Kaapke, our current instructor, at 561-504-8535. The lessons will continue through the summer months. The beginner's class is at 9:00 a.m., and the advanced class is at 10:00 a.m. in Bldg. C.

We welcome music enthusiasts to Bldg. At 1:00 pm on Wednesday, April 24th for our final hours of various tunes played by current members.

For further information, please call our President, Rollin Rice, at 802-299-9230.

Secretary**

PINOCHLE CLUB

This is a single-deck pinochle, and we play every Friday night. Play begins at 6:30 PM in Bldg. C, which is near Bldg. A. Come by yourself or bring others! Come a little ahead of time so we can set up seating arrangements. We play all summer, too. For questions, call Lois at 772-664-1199, a landline.

SENIOR SOFTBALL

The Senior Softball League continues to roll on through the season. Currently, Phantom Sports and Indian River Fitness

share the top spot in the standings. These two teams had a rousing match-up last week where it is believed a record number of runs were scored during the 7-inning contest. Phantom Sports held a 2-run lead as Indian River Fitness came to bat in the bottom of the 7th. IRF chipped away at the lead. Finally, the winning run came across the plate, with the final score resulting in a 25-24 victory for Indian River Fitness. After the game, players from both teams commented that it was a great, well-played game. More than that, it was a lot of fun.

In another game, Phantom Sports was on the winning side of an exciting comeback. In the bottom of the 7th, they trailed Schneider Insurance 14-6. Phantom piled on nine runs in an unprecedented rally to seize a victory from the jaws of defeat. There was no joy on the Schneider Insurance side of Mudville that day.

The League is very well-balanced this year. Though Phantom Sports and Indian River Fitness share the top spot, they are being chased by Ridge Automotive, Sabol Air, Schneider Insurance, and Affordable Air. They are all within striking distance of 1st place. Each team had some outstanding plays. In particular, Phantom Sports' Brad Weddle's left-field running catch. Brad said he just stuck his glove out at the last second and didn't even realize he had caught the ball. Also, Steve Trevelino's (Ridge Automotive) impressive dance at 1st base, trying not to touch a ball that was headed foul. If you were at the field that day, you could tell your friends that you saw something performed that no one had ever seen a 1st baseman attempt, and probably for a good reason.

There are still more games to come, including the fan favorite "Canadian American Game" on Wednesday, February 21st, at 10:00. The regular season games take place every Tuesday and Thursday morning beginning at 9:00. Everyone is encouraged to come to the field on Wren Circle, cheer on their neighbors, and enjoy the games.

TENNIS CLUB

Hi, Tennis players! The club has gained new people who enjoy the game and our facilities. It has been an encouraging season! But now we enter a slower time as our friends from up north are beginning to exit. We wish them well, and we anticipate their return.

The Tattler did a wonderful job promoting the club. With this thought, the club's monthly entry into the Tattler will take a break. If any news comes to the front or any important developments occur, the club will keep the tennis population informed.

Artists Guild Artist of the Month Joan Whitton

Barefoot Bay Artists' Guild is proud to announce Joan Whitton as the Artist of the Month of May. She is a very talented Artist. She was born in Brooklyn and always had an interest in art but didn't start painting until later in life. She chose many lessons in oil over the years, and it was not until she moved to Florida that she became attached to art after seeing a Demo by Artist Terry Madden. She joined the Barefoot Bay Artists' Guild, became president at one time, and was chairman of the Art from the Heart Art Show for many years. She was also a member of the Sebastian River Art Club. She was fortunate to win many ribbons in various art shows and has met many wonderful people through the years due to common interests and sharing talents. Attached is a wonderful painting she has completed. You may see her work in Building A from May 1st to May 31st.

HEART

Benefits of minimally invasive heart surgery extend beyond a smaller scar

Minimally invasive procedures have emerged as safe and effective alternatives to open-heart surgery for patients with valve disease. There are a variety of minimally invasive approaches, but all offer the same benefits: a smaller scar, less bleeding and trauma, a shorter hospital stay, and a shorter recovery period.

"Cleveland Clinic Indian River Hospital offers surgical therapies and catheter-based treatments for patients with valvular heart disease that significantly increase their therapeutic options," said James Wudel, MD, Director of the Heart, Vascular & Thoracic Institute in Vero Beach. "A patient-centered and team approach incorporating Cleveland Clinic cardiologists, anesthesiologists, and surgeons best addresses the optimal treatment for each individual patient."

Transcatheter Valve Replacement (TAVR)

In recent years, the minimally invasive transcatheter aortic valve replacement (TAVR) procedure has revolutionized management of aortic stenosis. It is now a treatment option for many patients with severe aortic stenosis who are elderly, too ill to have traditional open-heart surgery, or have medical conditions that favor a less invasive approach.

MitraClip™

Significant mitral valve degenerative disease is typically treated with surgical approaches. However, patients for whom medical therapy fails and for whom surgery is too much of a risk may be candidates for less invasive, catheter-based options, such as MitraClip, the first device approved by the FDA to treat high-risk patients with degenerative mitral regurgitation. Cleveland Clinic participated in the COAPT clinical trial for MitraClip, which has shown the device provides a tremendous benefit and improvement in survival and quality of life when used in patients with reduced heart function.

Not all patients are candidates for minimally invasive treatment for structural heart or valve disease. Cleveland Clinic Indian River Hospital's multidisciplinary team evaluates each patient for the appropriate solution to their structural heart disease or valve problems.

KNOW THE ABC'S OF MELANOMA

What KILLS? Skin cancer - at a rate of one person every hour.

What SAVES lives? Early detection and prevention.

- A** is for **ASYMMETRY**. If you draw a line down the middle of the mole, you will find that each half of a melanoma doesn't match in size.
- B** is for **BORDER**. The edges of early melanoma are quite likely to be irregular, crusty or notched.
- C** is for **COLOR**. Healthy moles are uniform in color. A variety of colors, especially black, white and/or blue is worrying.
- D** is for **DIAMETER**. Melanomas are usually larger in diameter than a pencil eraser, although they may be smaller.
- E** is for **EVOLVING**. When a mole begins to change in size, shape, color, or features or develops symptoms like itching, tenderness or bleeding, this points to danger.

Once again, we give our Father in Heaven thanks for our beautiful world. Recently people were so amazed and awed by the eclipse (which was indeed a spectacular sight). But, did they think of Him, who orchestrated it?

Easter was a busy time here with the extra services- from Palm Sunday, Holy Thursday, and Good Friday to culminating in the joy of "He is Risen" and our two services on Easter Sunday. Many of you came out to enjoy the Sunrise Service, and others joined us for the Traditional 10:30 service. It was so good to see and hear so many people praising the Lord.

Now that our weather is warming up, many of our winter families and friends are returning home to their northern abodes and family. We love having them worship with us and will surely miss their presence. We wish them a safe and healthy summer. We hope they are as anxious to return as we are to see them again next Fall and winter.

On April 7th, while Pastor Jim was away, some of our Stephen Ministry people led our Sunday service with many wonderful old-time songs and some history of the writers. What a joyous time we had! The Stephen Ministers have studied and are dedicated to service. Feel free to call if you or some one you know is in need of a prayer of caring or just a loving hug.

Reminder- May 12th is Mother's Day. If you still have your Mom here on earth, take the time to thank her for caring for and raising you, and give her lots of love. If she has passed away, take some time to remember her and all she did for you.

Psalm 118:24: This is the day the Lord has made. Let us rejoice and be glad in it!"

All are welcome to join us for prayer, praise and lessons from the Bible, every Sunday at 10:30 am. God loves you Always!

It's that time again that we say goodbye to all our friends as they head back north until next fall. We will miss the blessing that they have been to us, and we pray for their safe travels.

Our church recognizes that so many people are desiring prayer or a place to just sit down, enjoy nature and find the closeness of God. We are going to provide a bench or two on our land on Micco Road by the lighthouse. As you're riding your bike, walking, jogging, or just driving by...come onto our property and have a seat. God says, "Come to Him and just REST...let the heavy burden slip off your shoulders...and find PEACE". That is what He is all about...after all, He is our Father!

Attention men of the Bay.....come join a great group as they meet on TUESDAYS, 11 AM - 1 PM at BLDG "C"...for fellowship and a good Bible Study of what God is saying for you.

Come join us for a wonderful time with the Lord on Sundays at Bldgs. D & E, (1225 Barefoot Blvd.) in Barefoot Bay at 10:30 AM as Pastor Carole Coon brings vital and dynamic messages of how to live in our troubled world today. Messages have touched the hearts of many...giving encouragement and direction. Prayer meetings on Thursdays, 6:00 PM, at Pastor Carole's home. We also have dynamic Men and Women's Bible studies.

Come with an open heart and mind and receive the blessings of the Spirit. Be filled with joy for your daily walk. For more information, call Pastor Carole Coon at 772-913-0824.
