

### A Call to Revival

In 1934, Liverpool saw thousands come to faith through a five month gospel tent mission. Many were healed, and lives were transformed. Could this be the time for another move of God? We believe revival is near. This five-day gospel tent mission is a chance for the lost to hear the Good News, encounter Jesus, and find hope. Romans 10:14: How can they believe in the one of whom they have not heard?
